

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1122: Nowhere to Run

Xie Qiao's heart instantly relaxed. The way she looked at Meng Jifang was filled with malice.

She looked kindly at Meng Jifang, the corners of her mouth curling into a perfect arc. Her voice was as gentle as a spring stream hitting a round stone. It was light and melodious, "Young Master Meng, you don't look big. Since you stepped on someone else's memorial tablet, you shouldn't feel wronged by fulfilling Ms. Cai's last wish, right?"

"I will..." Meng Jifang stared at her.

"Sigh, Cai Erniang really had a tough life. She had lived her entire life, but she has never experienced what it means to live a carefree life. She's not like you, Young Master Meng. Ever since you were born, you've lived a luxurious life, and your servants are all over the place. You're very generous, kind, and cute." Xie Qiao was thick-skinned as she spoke slyly.

Meng Jifang's good fortune was also due to his good luck.

Xie Qiao was now standing at the moral high ground... enslaving him.

If he did not go to hell, who would?

"Y-You Taoist master..." Was terrible!

Meng Jifang was a little dumbfounded and kept retreating.

However, he realized that he really had nowhere to run.

The Crown Prince and Zhou Weizong were watching him! Although he dared to gossip about the Crown Prince, to be honest, he also knew that his aunt was a virtuous person who never caused trouble. On account of his aunt and the Fourth Prince, the Crown Prince would not do anything to him...

At most, he would only give him a small punishment.

However, he did not dare to refuse the Crown Prince's decree.

"W-What can I do..." He was really helpless. He simply gritted his teeth and offered himself.

"I should have some clothes in my carriage that I haven't worn before. You can just change into them," Xie Qiao said again.

Meng Jifang only felt that he had been humiliated.

Change into women's clothes?!

What would happen if others found out?!

"Don't worry. At most, we can stay outside for another day. By this time tomorrow, even if you fulfill Ms. Cai's wish, you can change back to your clothes. When we go back, we definitely won't tell your family and friends about you so that you won't be embarrassed," Xie Qiao added.

Zhao Xuanjing felt that Xie Qiao was too polite to Meng Jifang.

This kid did not even think it through. Who was he doing all of this for?

He was haunted by the ghoul. If he found a Taoist master from another Taoist Temple, he would not be able to communicate with the ghoul, so he could only forcefully collect the ghoul. After collecting it, he would not be able to live a normal life immediately.

Moreover, he had lived for so long, so he probably had not done many good things. He was foolish and wicked. Now that he was with Xie Qiao, letting this ghoul go in peace would definitely be beneficial to him.

Of course, he was the Crown Prince.

What was even more unsatisfying was that the Meng family had given Meng Jifang so much guidance.

He was already so old, yet he was still ignorant. Did he not know that one could not disobey the emperor's orders?

Seeing his expression, he wanted to experience the feeling of being a tyrant. He would be the first to kill him.

The Crown Prince's sinister gaze gave Meng Jifang a bad feeling. He did not dare to dawdle and nodded obediently.

Returning to the carriage, Xie Qiao rummaged for a while.

She often had to change her identity, so there were a few sets of old and new clothes in the carriage. The ones she wore were definitely not suitable for Meng Jifang, so she could only take out the brand new ones.

Teacher Xiao and the others did not understand.

Seeing Zhou Weizong bringing Meng Jifang into the carriage, they did not know what they were doing inside.

Not only did he need to change his clothes, but he also needed to put on woman's makeup.

After dawdling for a long time, Meng Jifang finally got out of the carriage.

"Pfft..." Xie Pinggang was drinking water with a water bag when he spat it out. Jiang Jinlu was also dumbfounded and looked at him in a daze.
