

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1124: Beauty

Once Yu Xian was mentioned, Zhou Weizong had a lot of opinions about Xie Pinggang.

Xie Pinggang really had never bought a woman's item for Yu Xian.

He thought Yu Xian loved to practice martial arts, so he had given her... a towel for men, a stone for sharpening knives, and a tassel for spears...

To him, these were practical and not flashy.

However, when he heard Zhou Weizong's words, he could not help but frown, wondering if he really did not do well enough.

All women...

Liked rouge and powder? He had once considered buying it for her, but after hesitating for a while, he did not buy it in the end.

"Then, why don't I give it a try next time?" Xie Pinggang said.

The corner of Zhou Weizong's mouth twitched. "No need. It's not suitable for an outsider like you to give it to her. I'll do it!"

It was a pity that Xie Pinggang did not care about what Zhou Weizong said later on. He was a person who lived his own life and only cared about his own thoughts. If he had to care about others, how tired would he be?

Xie Qiao also heard Xie Pinggang's words and her heart moved.

This eldest brother of hers had never cared so much about other women. Could it be... that he cared about Yu Xian...

Ever since she returned to the Xie Residence, she had set up a formation around the house to mediate the five elements of yin and yang. It was not easy to change her eldest brother's fate of loneliness. She had to put in a lot of effort. In such a short period of time, it was likely that it would not be of much use.

Unless she found something powerful to suppress the fate of loneliness.

There might not be many treasures that could suppress the fate of loneliness.

Or, she could find someone with a similar fate...

She did not know Yu Xian's eight characters. After returning home... it would be better to calculate it carefully...

Oh right, and her own life...

Now that she was married, if she were to have a child, she might not be able to keep it. She had to think of a way in advance.

While Xie Qiao was indulging in her wild thoughts, Sang You was getting busy.

Everyone was stunned.

Meng Jifang's foundation was really good. He was fair-skinned and had good facial features.

At this moment, he was wearing a lotus-green dress, and he was wearing soft-soled shoes with peacock thread beads and hibiscus patterns. His eyebrows were as far as the mountains, and his face was as red as a peach in spring...

Beautiful, simply beautiful!

Meng Jifang opened his mouth as if he had something to say.

"Don't talk!" Zhou Weizong suddenly shouted. "It's better that you don't talk."

Xiao Yurong could not help but nod.

It was hard to imagine what kind of disgusting scene it would be if he suddenly spoke in a rough voice with such a beautiful face. So, it was better to prevent that from happening!

Meng Jifang rolled his eyes.

"This is pretty good. So I'll get Ms. Cai possess him?" Xie Qiao said.

Everyone nodded.

Xie Qiao took out the talisman and muttered to herself. After a while, the ghoulishly possessed Meng Jifang, and his life soul fell asleep.

Xie Qiao was not worried that the ghoulishly possessed Meng Jifang forever. Meng Jifang was a living person. By then, he would naturally wake up and his life soul would expel this spirit.

Jiang Jinlu had never seen a ghoulishly possessed body before.

Now, he had seen it with his own eyes.

He was flabbergasted.

Just as he was in shock, a ghoulishly possessed not far away and gave him another shock.

It was just a passing ghoulishly possessed and it was nothing special. However, Jiang Jinlu felt that it was strange and terrifying, exciting and shocking. He could not calm down.

“This humble one greets all of you.” Cai Erniang had followed Meng Jifang for so many days and could be considered a well-informed ghoulishly possessed. Her etiquette was quite good.

After saluting, Cai Erniang smiled and sat down to wait for food and drinks.

She wanted to be an unvirtuous person, so today, she did not do any work. She only wanted to experience the feeling of being served. It was great!
