

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1131: Biological Sister

Xie Qiao recalled the situation at night...

There was a fire last night, and there was a lot of dust on her face, making her dirty and itchy. Later on, when she was in a daze, she seemed to wipe her forehead with her sleeve a few times?

She could not remember.

Zhao Xuanjing was standing with Zhou Weizong and interrogating those black-clothed men.

As he was questioning them, he saw Xie Pinggang attack.

Not only did he see it, Sang You and Jiang Jinlu were also shocked by Xie Pinggang's action. They were close to each other and immediately rushed over.

"Master Xie! Let's talk it out. What are you doing?!" Sang You thought this person was too much!

He was a strong man. It was okay for him to be bullied by Xie Pinggang, but his senior sister was a weak woman. She had done such a big thing yesterday, and she was tired! How could he be so cruel to her?!

"I can't talk it out with her!" Xie Pinggang flew into a rage.

His face turned pale, and he insisted on dragging Xie Qiao over.

How could Xie Qiao's small body withstand Xie Pinggang's strength?

He lifted her up, and she stopped struggling. She covered her face with her sleeves, and her head shrank like a bat hanging on a tree.

"Master Xie! My senior sister's health is lacking. Let go of her!" Jiang Jinlu shouted as well.

Xie Pinggang glared at Sang You and Jiang Jinlu as if they were his enemies.

Xiao Yurong suddenly patted his head and said, "It's Young Lady Xie!"

Xie Qiao closed her eyes in despair.

She was like a little chick whose feathers had been plucked. She had no desire to live.

"What Young Lady Xie?" Sang You and Jiang Jinlu were dumbfounded. They did not understand what Brother Xiao meant.

After Xiao Yurong finished talking, his face turned pale. He felt a pain in his heart and took a step back. "You are her?!"

It was the... talented Young Lady Xie!

In other words... The Princess Consort!

She was only 18 or 19 years old. She was not even 20 years old?!

Xiao Yurong's face was pale. He did not look good, as if he was severely injured. "Please reading on N?WNOV?L. 0?G" Sang You and Jiang Jinlu still did not understand. They were extremely curious when they saw Brother Xiao's reaction.

Xie Pinggang almost wanted to strangle her to death.

If she was only his biological sister, he would definitely bring this person back and give her a good beating!

Of course, even now, he was still quite angry.

"You still dare to hide?!" Xie Pinggang said fiercely.

Xie Qiao hurriedly shook her head. "I wouldn't dare, I wouldn't dare..."

Then, she turned around awkwardly and looked at Xie Pinggang with her eyes wide open. Then... she stiffened and wanted to argue. After thinking for a while, she tried her best to put on a fearless expression, her gaze was kind and dignified. "I'm afraid that you have mistaken me for someone else, right?"

"Do you think I'm blind?!" Xie Pinggang glared at her.

How could he not recognize his own sister?!

Just this half of her face was exactly the same as Xie Qiao's. Her skin was fair and she was quite pretty!

He knew that Master Mo had a fake face, but he had never thought that underneath that fake face was his own sister!

He had been tricked!

“Master Xie, you really made a mistake. Do I look exactly the same as your sister? Sigh, this penniless master has cultivated for thirty to forty years, but I’m naturally beautiful and look like a teenage girl. In order to avoid trouble, I changed my appearance. As for the resemblance to your sister, it’s purely a coincidence, or perhaps... just as your brother said, your mother and I...”

Xie Qiao was a little cowardly at this point, but she still braced herself and said, “Your mother and I may have been...”

“Sisters who were separated for years...”
