

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1134: The Villain Gets What He Wants

Sang You took a step back. He looked as if Xie Qiao had done something wrong to him.

Xie Qiao was numb.

She was done for today.

She had five junior brothers in total. Except for Fourth Junior Brother whom she had never met, the others were all here. Her brother by blood and junior brothers were staring at her. Even if she had three heads and six arms, it was not good for her to knock all of them out for a while. It was not good to knock all of them out...

“Eldest Senior Sister... So you’re actually the Princess Consort? But... The Princess Consort is so young, how can you be our senior sister...” Jiang Jinlu was also dumbfounded.

Xie Qiao had an innocent look on her face.

Xie Pinggang felt that these people were getting in the way.

This was his younger sister. He did not have the time to talk to her, so why did he interrupt?!

Xie Pinggang glared at them. “Do you have something to say? Go and wait for your turn.”

Jiang Jinlu’s heart skipped a beat.

At that moment, the three junior brothers remembered the most important thing at the same time. Their senior sister was the daughter of the Xie family. If she was the biological sister of the person in front of them, then their relationship with the Xie family... would be extraordinary!

Moreover, Xiao Yurong was Xie Pinghuai's teacher...

Thinking of this, the three of them suddenly felt suffocated.

"Wipe off this thing on your face first!" Xie Pinggang wanted to be more fierce, but seeing the dull eyes of the other three, the discomfort in his heart actually dissipated a lot!

Look at these idiots. Were they not fooled by his sister for so long?

They even called her sister their senior sister!

In the past, his own brother was Xiao Yurong's disciple, and his brother was a fool. So whenever he saw Xiao Yurong, he always felt that he was a head shorter than him. Even when he saw these scholars, he did not have enough confidence.

However, now...

Although his sister lied to him, but...

It did not seem like she did anything major, and she was quite good at it?

Xie Pinggang was still angry in his heart. However, when he saw that there were quite a number of people who were angry, he felt that there was no need for him to do so. Moreover, he was different

from these sour teachers. He was a straightforward person. In front of others, it would not be good for him to lose the prestige of his sister as their senior sister. If he really wanted to teach her a lesson, he would have to wait until they returned home.

Thinking of this, he tried his best to restrain his anger.

“Why aren’t you helping your eldest senior sister wash up? If you don’t clean up this thing on her face first, how can she put on her disguise again?” Xie Pinggang frowned and said to the sour masters.

Jiang Jinlu and the others felt as if they had been shot in the chest.

The villain got what he wanted!

Xie Qiao looked at Xie Pinggang speechlessly.

She could guess what her brother was thinking!

He must be thinking of settling the score later!

However... that was fine.

Her junior brothers were still around. With her eldest brother’s words, she would not lose all her dignity. She had been their senior sister since she was young. She had sent them a lot of New Year’s money during the holidays. She had always been sitting high up. If all of a sudden they did not treat her as their senior sister anymore, she would definitely feel disappointed!

Xie Qiao sat there and said, “Bring me some water.”

Xiao Yurong and Sang You did not want to move at all.

One of them was hurt by her. He felt ashamed and sad. He was almost depressed. The other one was thinking about Mo Chusheng's appearance frantically. He could not get rid of the feeling that he had been tricked.

She could only order Jiang Jinlu around at this moment.

This person was quite sensible. He dawdled for a while, but in the end, he did it obediently.
