

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1146: Flirtatious

Seeing Yu Xian speak up for Xie Qiao like this, Xie Pinggang felt terrible in his heart.

“Is she my sister or your sister? Why are you protecting her more than me? Besides, our relationship is deep. It’s definitely her fault that I’m angry with her. You should scold her for fun with me. This is what brotherhood is all about!”

Yu Xian gave him a punch speechlessly. “Why are you talking so much nonsense? Don’t tell me that you’ll be happy if I beat up your sister?”

He was hesitating.

She tried to reason with him, but he did not listen to her. That was really...

If it were not for the fact that he was her employer, she would have said even worse things based on their relationship.

Xie Pinggang glared at her.

“Do you know how difficult it is for Young Lady Xie? Look at the Zhou family. There are a few girls around your sister’s age, and they are all lively and healthy. Look at Young Lady Xie. She would fall when the wind blows. She has a good personality and is reasonable. With her body, she keeps putting on airs for the Xie family. Brother Xie, it’s not that I don’t like you, but if your father and brother can really shelter her from the wind and rain, there’s no need for her to work so hard!” Yu Xian tried her best to persuade him.

When she found out that Xie Qiao was Master Mo, she could not help but feel sorry for her.

How busy was it to be a master?

It was one thing to only look at the ghouls, but to capture them? The ghouls were not like gold or silver that could make people like them. She was just a little girl, who knew how scared she would be...

That was fine, but she had to worry about her identity being discovered by her eldest brother. It was not easy to live in fear all day long.

Xie Pinggang was a burly man. Why was he so narrow-minded?

Yu Xian knew how bad the reputation of the Xie family was in the past. However, now, everyone was praising the future of the Xie family.

It was all thanks to Xie Qiao that they were able to make such a big change.

Xie Pinggang's head hurt from her words. "Whether my sister is good or not has nothing to do with whether I'm fierce or not!"

"Oh, please." Yu Xian rolled her eyes at him. "Leave. I won't bother to drink with you today."

Xie Pinggang opened his mouth.

Needless to say, he really liked drinking with Yu Xian. It was because all of the good wine that Xie Qiao had hidden away were given to Yu Xian! Moreover, chatting with Yu Xian was indeed enjoyable. She dared to say anything, unlike others who thought that he looked fierce and would hide it and not dare to say it directly even if they had something to say.

“How’s your family?” Xie Pinggang gave a rare smile to curry favor with her and then talked about other things.

Now that Yu Xian was upset, someone else had to bear the anger, right?

Sure enough, when the Zhou family was mentioned, Yu Xian’s eyes flashed with a bright light. She slapped the table and said, “I don’t care about them! Now that my cousin has invited my aunt to live outside, even if I won’t get the dowry back, I’d still leave that man-eating hole!”

In any case, the dowry was little.

It could only be said that it was barely passable!

It was fortunate that the family in Dong’an who wanted to marry her was not a poor family. Otherwise, they would have sent her a bedding without even giving her a quilt!

“Now that cousin has become successful, they don’t dare to provoke him. A few days ago, in order to keep my aunt, they made my uncle behave flirtatiously and spend all his time by my aunt’s side. It’s probably only now that they think that my aunt has been a virtuous person all these years and isn’t willing to let her go!”

Or perhaps, they were not willing to let go of her outstanding cousin.

It was a pity that her heart had been cold for so many years. How could she change her mind in a single day? Moreover, a flirtatious uncle looked even more disgusting!
