

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1195: Did You Use It Today

“Then we’ll go to Yuxu Temple another day and look for the Taoist masters there.” Zhao Xuanjing did not seem to be in a hurry at all.

Xie Qiao nodded and agreed.

The grand preceptor was good with divination, but he had a strange temper. Apart from being a little friendly to Xie Pinggang, he did not care about anyone else. If there was a problem with the divination, it would probably be spread to his family.

With him around, Xie Qiao could only focus on being a master. Like a little mouse, she secretly accumulated good karma.

However, Xie Qiao did not know that the Crown Prince was at Xie Pinggang’s throat that he could not sleep.

He had to look for someone!

He had to look for someone every day!

If he wanted to look for someone with obvious characteristics and was extremely vicious, then it would be easy. He just needed to search every house. However, now, he needed to find a consort. Her appearance... there was only a portrait. Other than searching for such a strange consort, the Crown Prince also wanted him to search for Taoist masters, and he also wanted him to search for strange things in the streets of the capital!

For instance, which house lacked a big black dog, which house lacked a woman's sanitary pad or other strange things!

A sanitary pad. He was a man, and he had to muster his courage to ask, "Did you use it today?!"

Even if he had always been shameless, he would not do such a shameful thing!

He asked his brothers to investigate other strange things, but this...

He had no choice but to look for Yu Xian.

Yu Xian was also a person who was shameless, but she was also shocked by his strange request and took a few steps back.

She frowned, she looked at him with a strange gaze. "I've heard that there are strange men in this world who like women's personal belongings and will secretly take them back... Y-You... If you do this, don't blame me for reporting it to the authorities!"

Xie Pinggang blushed, which was rare.

"Nonsense! It's all that b*stard... It was His Highness, he came up with such a bad idea! It's for investigating a case..." Xie Pinggang said quickly.

Being looked at by Yu Xian, his heart turned cold, "I, Xie Pinggang, am a man who wants to do such an unspeakable thing? If I like young ladies, why do I need to go through such a way? Why don't I just go to the door and propose marriage?"

"What kind of case is this... You didn't lie to me on purpose, did you?" Yu Xian's facial features were contemptuous as she resisted.

"I've lived for so long. When I was in the mountain stronghold, I followed a few uncles to watch the girls take a bath. Later on, I've changed, and I'm definitely not that kind of person!" Xie Pinggang explained again.

"Brother Xie, you used to be..." Yu Xian felt that Xie Pinggang's heroic image was gone.

He was just like a wretched man.

"What's the big deal? It's just that there's nothing to do in the mountain stronghold. Those women can't wait for me to visit them!" Xie Pinggang said shamelessly.

When he did that, he was only eleven or twelve years old.

He was fearless at that age. He ran amok in the mountain stronghold. There was no one who was not afraid of him.

The people of his Xie family were all like that. Look at his stupid brother. Was he not a little naughty? He even went to a brothel!

Back then, he did not even have the chance to go to a brothel. His brother was quite lucky with women.

Yu Xian became more and more disgusted. "Don't talk about it. The more you talk about it, the more I feel that you have ill intentions..."

"Do you want to do it or not? We brothers don't want to get involved in this job. If you can lead a group of people and ask around, there will be money for it," Xie Pinggang said again.

At the mention of money, Yu Xian became spirited.

She wanted to save up for her retirement.

Her aunt had already moved out of the Zhou Residence. The Zhou family had been cursing and swearing, but there was nothing they could do.

She occasionally stayed at the Xie Residence and occasionally accompanied her aunt, but she knew that she could not go to her aunt's place often.

In the future, her cousin would marry.
