

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 303: Bully

Xie Pinghuai was not someone who could be reasoned with.

“He even said bad things about me behind my back! What a despicable person!” When Xie Pinghuai heard that, he was actually furious.

He had never mentioned Chu Jian in front of his family!

That servant was a little miserable at that moment, and he looked at Xie Qiao as if he was asking for help.

There was nothing he could do. This Second Young Master Xie did not listen to human words, and it was really difficult to communicate with him. He did not dare to imagine that such a straightforward person would be so meticulous as to transform into an ordinary disaster victim and go out of the city to do a good deed!

Although he did not believe it, he could not be lying since he had a swollen face.

He had been beaten up for doing a good deed. There was no other young master in the entire capital who could do it.

“I’ll have to trouble you to go back and thank Young Master Chu on behalf of my good-for-nothing younger brother. This younger brother of mine has a mischievous nature and is a little dumb. He doesn’t know how to appreciate the kindness of others. It’s been hard on Young Master Chu to take care of and supervise him all this time,” Xie Qiao said gently and calmly.

Xie Pinghuai turned his head and glared at her.

When did Chu Jian take care of him?!

He wanted to shout out his dissatisfaction, but when his eyes met Xie Qiao's, he felt a chill all over his body. He sat there obediently.

His cheeks were also hurting, so it was better for him not to speak.

The old servant finally heaved a sigh of relief when he heard that, and he left.

"Eldest Sister! He never helped me at all! Moreover, Chu Jian always bullies me. He has criticized me several times in front of Teacher Xiao! Because of him, I was beaten up two or three times by Teacher Xiao!" After the person left, Xie Pinghuai said angrily.

How could eldest sister help others?!

"Then tell me properly, what bad things did he say about you in front of Teacher Xiao? If it's his fault, I'll immediately bring my servants to beat him up," Xie Qiao said with a smile.

"The first time, he told Teacher Xiao about how I dirtied the painting! The second time, he told Teacher Xiao that there was someone else helping me to do the stack of homework. Another time, he told Teacher Xiao that I secretly pulled out the thorn on the thorn ferule! I didn't do it. I couldn't pull it out at all!" Xie Pinghuai was flustered.

"Aren't those your fault? If you succeed in taking him as your master, he will be your senior brother. As a senior brother, it is only right to teach a junior brother," Xie Qiao said matter-of-factly.

He still dared to mention the teacher's ferule?

He should be beaten up!

“But he stole my white jade, that’s how he got the discipleship!” When Xie Pinghuai thought of this, he felt more and more indignant.

All outsiders said that Chu Jian was a gentleman, how would a gentleman do such a thing?!

“When Chu Jian entered the sect, he might have some shortcomings. Teacher Xiao will teach him that. But think about it carefully. If you want to eat chestnut pastry every day, and the cook who can make it is right under your nose, would you want to bring him home and get him to make it for you every day? It is human nature for Chu Jian to take the white jade.

“Moreover, Chu Jian’s white jade was exchanged with his own recommendation quota. In terms of methods, he did it fairly.”

Moreover, Chu Jian only thought that Pei Wanyue had picked up the jade, and did not know that it was stolen by her.

From the looks of it, even if Chu Jian was wrong, there were not many mistakes.

Of course, she did not think that Chu Jian was in the right completely. It was just that it was a fact that Chu Jian had gotten a master. Xie Pinghuai could not keep thinking about the things that he had lost in the past.

Xie Pinghuai pursed his lips.

“He always bullies me!” Xie Pinghuai was very determined.

Xie Qiao sighed.

“Do you think Chu Jian is smart?” Xie Qiao asked.

“Yes, he is quick at memorizing. The teacher always praises him,” Xie Pinghuai was a little listless again.

“Yes, he is smart. Smart people tend to be arrogant. Why does he always target you? That is because he can see that Teacher Xiao... is teaching you.

“He puts you in the same position as him, but he finds that you’re wasting your opportunities everywhere. You are not serious, not dependable, not sensible, and even shameless. It is like... someone calling chestnut pastry a piece of trash in front of you! In Chu Jian’s heart, Teacher Xiao was that chestnut pastry. You’re the person who looked down on the chestnut pastry, but still wanted to dominate it all day long. Do you understand?”
