

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 326: Reward

When Xia Yayun saw Dong Xiyun's frightened look, she thought Xie Pinggang was even more detestable!

Sister Dong was being so reasonable, how could she be targeted by that evil person?!

She really wanted to help Sister Dong vent her anger.

Recalling Sister Dong's words, her eyes flashed with a hint of viciousness.

If something happened to Xie Qiao, then... would Xie Pinggang not be sad and upset?! He bullied other girls, but if his sister was bullied instead, would it not be karma?!

Dong Xiyun looked at Xia Yayun behaving like that and pretended not to see it.

..

That night, Xie Qiao took her eight first places' test papers home.

She waved it in front of Xie Niushan.

Xie Niushan looked at the papers and was a little confused, "I don't like to look at these boring things. What are you doing?"

Xie Pinggang took them over and looked at them. Then, his eyes lit up, "You didn't write the score on these papers on your own, did you?!"

Xie Qiao was speechless, she sneered.

"Eldest Sister, it's very impressive," Xie Xi suddenly stuck her head out and said.

"So this is true?" Xie Pinggang was the most excited. The stubble on his face seemed to quiver a little, "Well done! You are so similar to our Mother. Our Mother is also very intelligent!"

In any case, she was not like their father!

"What on earth is this?" Xie Niushan still could not understand. Then, he looked carefully and saw that first place was written on each sheet.

Did that mean she got first place?

"Eldest Sister actually got eight first places in the examination. It's amazing," Xie Pinggang explained to his silly father.

When Xie Niushan heard that, he almost jumped up, "Amazing!"

Xie Qiao's heart skipped a beat when he suddenly shouted, and she almost died from fright.

Who was the one with the lethal destiny?!

Why was he making such a fuss? Did he think that her life was short enough?!

“Father, Eldest Brother, it was cold during the exam, but I thought that if I did well in the examination and could make you happy, so I held on...” Xie Qiao paused and then looked at them with anticipation, “Is there a reward?”

Xie Niushan’s old face tensed up.

Xie Pinggang turned his head.

“Eldest Sister, you got eight first places?! Ah, if I knew this would happen, I would’ve gone to the academy! How shameless! I am your biological brother! Who dares to call me an idiot?!” Xie Pinghuai’s reaction was a little slow, and he spoke when Xie Niushan and Xie Pinggang were troubled.

“You’re an idiot to begin with! What does your Eldest Sister have to do with you?!” Xie Niushan said fiercely.

Xie Pinghuai pursed his lips and snorted.

That was his biological eldest sister, how could it not have anything to do with him?!

“Father? No reward? Then next time... I’d better get the last place in the examination...” Xie Qiao sighed in disappointment.

Xie Niushan gulped.

His head was about to split open.

“Yes, there is,” Xie Niushan was as anxious as an ant on a hot pan, “You’ll have to wait. It was sudden and I didn’t make any preparations. Tomorrow... I’ll send out troops again. When I come back, I’ll bring you a gift?”

He was not the one who was supposed to send out troops.

However, it was now.

He still wanted to work at the military camp for the rest of his life. However, if he did not do more now, how could he afford to raise this girl?!

There were bandits on the West Mountain. If he went to exterminate them, he might be able to get some good stuff...

And he would also be rewarded with silver.

“Alright, Father. Thank you, Father,” Xie Qiao said sweetly.

Xie Pinggang took his time and took out... a small purse from his pocket.

“I was going to use it for myself, but since you did so well in the examination, I’ll give this to you. Don’t waste it. I heard that the master inscribed it himself. It’s very useful,” Xie Pinggang said.

Xie Qiao was stunned. Then, she opened the wallet and gritted her teeth.

Marriage Talisman! It was to attract love!

Eldest brother actually bought two and secretly wore one?

He was so stingy with his sister. No matter how many Love Talismans he had, it would be useless!
