

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 343: Concubinage

Xie Qiao could not help but sigh at Xia Yayun's behavior.

It was not that she sympathized with her, but that fate was unpredictable.

Fate was somewhat determined, but some of it was in her own hands. When she first saw Xia Yayun, although her fate was not very good and she had many flaws, if she had relaxed her attitude, she would not have reached such a stage.

Looks were born from the heart.

Meng Jifang also came at that moment. After all, he was the "organizer"!

Seeing Xia Yayun's lack of fighting spirit, he was actually slightly disappointed.

The 50 people from each side were also invited at that moment.

Xie Qiao helped more than 50 people, no? She had been exhausted to death recently, and these people were mostly people who came voluntarily.

There were still some people, but because there were enough headcount, they could not enter.

"Okay, let's give the scores!" Meng Jifang was excited.

They were invited to the courtyard to give the scores anonymously. After the scores were given, these people could leave. They did not even need to meet Xie Qiao and Xia Yayun.

If they encountered any trouble after the incident, they could communicate with the academy so that they could avoid being taken revenge on because of the scores.

“Sister Yayun, you will definitely win!” Dong Xiyun quickly comforted her.

Xia Yayun forced out a smile in response.

So what if she won now?

She would not get anything.

For the reward of the 5,000 silver beans? She had spent more than 5,000 silver beans on these disaster victims.

She regretted it. She really regretted it now.

Everything she had was gone!

Her eyes were red as she thought about it, but her father said that she was not allowed to lose face in front of others, and she could not let everyone think that she was really innocent.

Xia Yayun tried her best to hold it in.

Before she knew it, the gentlemen had arrived.

The number of stars was announced.

Everyone could give five stars, and Xie Qiao had a total of 250 stars! As for her...

150 stars.

Such a huge gap!

Xie Qiao had won again. She thought that Xie Qiao was going to come over and mock her. She was still thinking of how to hold herself in so that she would not lose her dignity before Xie Qiao. However, Xie Qiao just smiled faintly and left.

It was as if...

She had never cared about her.

Xie Qiao just did not like to look at the unlucky face. It was like looking at someone else's life. It would make one's mood terrible.

"Sister Yayun, don't be sad. When you come to my house, I will definitely make my father treat you well. Moreover, you were the one who protected me previously. I will definitely do my best to help you in the future!" Dong Xiyun suddenly said.

Xia Yayun looked at her in shock.

She did not say that she was going to marry Uncle Dong!

That person could even be her father!

After Dong Xiyun finished speaking, she felt the puzzled and surprised gazes of others. Then, she became a little anxious, she hurriedly grabbed Xia Yayun's hand. "I'm sorry, Yayun. I saw that you were so listless. I wanted to comfort you, but I didn't think of... I'm sorry, Yayun..."

Xia Yayun felt very uncomfortable. At this moment, Sister Dong was not as likable as before.

It was her private matter, how could she say it outloud in public...

Thinking of that, Xia Yayun thought of the scene where she had brought up Dong Xiyun's matter and argued with Xie Qiao earlier.

Was she wrong back then?

So..

She actually did not have the courage to blame Sister Dong.

Dong Xiyun's words made Xia Yayun lose her face. Some troublemakers asked their family members to inquire about it. Soon, they learned that...

Xia Yayun had lost her virginity to Master Dong when she was a guest of the Dong family.

The Xia family had initially wanted to send Xia Yayun far away and find an ordinary family to marry.

Now that these disgraceful comments were out, the Dong family immediately sent a concubinage gift.

There was no room to refuse!
