

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 431: Fate Has Brought Us Together

Xie Qiao and her classmates were so confident that they made those troublemakers look like tigers who had lost their teeth.

No one was willing to admit that they were weak.

Hence, they could only swallow their words of blame.

Xie Qiao looked at her cute classmates and liked them a lot more now.

After chasing away those people who came to stir trouble, Fang Muxue said with a cowardly face, "What did I say earlier? I can't believe I actually said that I want to try to c-compete with the Peony Courtyard..."

"But... what you said makes sense. I have long disliked them! Who said that we have to be inferior to them?!"

Fang Muxue took a deep breath in.

She was still a little flustered.

Xie Qiao said weakly, "We can study together..."

"Really?" Fang Muxue heard her and said, "Then I'll go to your house to study when I have no classes in the afternoon?"

Xie Qiao pursed her lips. What she meant was that they could discuss the topics that they did not understand at the academy.

“I want to go too, Xie Qiao. I’ve wanted to visit your home for a long time, but I was afraid that you wouldn’t like it, so I didn’t mention it,” Qin Liu also smirked.

Xie Qiao always acted as if she did not know anyone very well, making them feel embarrassed to get too close to her.

However, now, she took the initiative to suggest that.

Those who were very curious about the Xie Residence stood up at that moment.

Look at them... There were 17 or 18 people who wanted to spare time to go to the Xie Residence!

She could also see that among these people who wanted to go to the Xie Residence, only a few wanted to study. The rest wanted to know what the bandit’s lair... looked like!

Xie Qiao had never known that the bandit’s lair would be so popular.

Helplessly, Xie Qiao agreed and set a time with them.

She could not do it today because she had other things to do.

In the afternoon, the two courtyards became even more crowded.

On the side of the men's courtyards, a man from the Orchid Courtyard was humiliated by the people from the Peony Courtyard and vomited blood in anger directly.

When Xie Qiao heard the news, she thought it was fishy.

She suspected that the person who vomited blood was someone from the academy who came to stir up trouble.

Sure enough, the people from the Orchid Courtyard had been bullied to such an extent. Their fighting spirit had soared to an unprecedented level. At that moment, most of them had already wanted to prove themselves. The atmosphere of the entire academy had changed in an instant. Even in the academy's canteen, people from the Orchid Courtyard could be seen burying their heads in their studies everywhere!

For many years, there had never been such a grand scene of diligence!

Xie Qiao had already seen quite a few teachers, all smiling like shrewd old foxes.

Xie Qiao had escaped.

Carrying her cloth bag, she boarded the carriage.

In the carriage, the moment the ghoul saw her coming, she immediately perked up.

"Aren't you...the Xie family's young lady? Why can you see me?" Ms. Qiu was very surprised, but also a little scared, frowning slightly.

Xie Qiao exhaled faintly and glanced at Ms. Qiu from top to bottom. She said slowly, "Fate has brought us together. You look like you don't want to be reincarnated. Why don't I solve this for you?"

No matter how small a mosquito was, it was still meat. She was not picky when dealing with customers.

Ms. Qiu looked at her suspiciously, “Y-You’re not the lady of the Xie family? Who are you? A monster?”

Xie Qiao pursed her lips.

That was why it was better to deal with clients that she was not familiar with.

There would always be problems with those she was unfamiliar with but had some connections. These ghouls would also have many questions.

“I can communicate with both worlds, do you understand?” Xie Qiao said simply.

Her expression was unfathomable, but Ms. Qiu was very puzzled, “I heard that Young Lady Xie is as gentle as jade, completely different from Bandit Xie, but I’ve never heard that you have such ability...”
