

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 436: Torture

Xie Pinggang looked impatient. How would the steward dare to dissuade him? He immediately brought the blade over.

Zhou Kaiyun's whole body trembled. He looked extremely pitiful.

Not long after, the blade was fetched.

It was taller than Zhou Kaiyun. Xie Pinggang threw the hilt to Zhou Kaiyun, "Take it, kid!"

Zhou Kaiyun sat on the ground, the hilt pressed on his body directly. He held the hilt. He looked persistent and pitiful. He did not have the courage to stand up.

"What are you afraid of? Lift this thing up, hold it tight. Come, swing it at my neck," as Xie Pinggang spoke, he took off his cloak and pulled his clothes, revealing his thick neck.

Zhou Kaiyun pursed his lips.

He began to twitch.

Xie Pinggang looked at this kid's behavior and chuckled, "Is it that you can't reach me? Alright, I'll lie down. Is this enough?"

As he spoke, Xie Pinggang rolled on the ground and stretched his head out, waiting for Zhou Kaiyun to take action.

“I’ll count to ten. If you still don’t take action, I’ll get impatient. If you can’t kill me, then it’ll be my turn to teach you a lesson,” Xie Pinggang said faintly. His voice was like the King of Hell who was urging his soul, “One...”

Zhou Kaiyun’s heart trembled. He grabbed the large blade, and his hands trembled non-stop.

In the end, he realized that he could not lift the blade at all!

It was so heavy. He tried his best to grab it, but even with his trembling hands, he could only lift the blade a little bit off the ground.

“If you can’t use the blade, you can use your hands. Pinch me,” Xie Pinggang looked at his pitiful expression and said disdainfully, “Five, six...”

With a thud, the blade fell to the ground.

Zhou Kaiyun looked at the person in front of him. He was lying there, but he did not dare to walk over.

That person...

Was scary, very scary!

He sobbed and sobbed, snot and tears were flowing on his face.

“Ten,” Xie Pinggang stood up.

“I gave you a chance,” Xie Pinggang mocked, then he raised his foot and stepped forward, tugging at Zhou Kaiyun’s clothes, “You want to kill someone with your cowardice? Not to mention a person, even if I’m a chick, I’m afraid you won’t have the ability to do it!”

Zhou Kaiyun’s body trembled a little too much.

He looked like he was scared out of his wits.

Xie Qiao did not stop him.

This child needed to be taught a lesson. He would not grow up until he suffered a little.

With a slap, Xie Pinggang directly slapped Zhou Kaiyun’s butt.

“Wa...” Zhou Kaiyun cried out.

“Oh, so you speak? You had been quiet, so I thought you couldn’t speak,” Xie Pinggang said as he took off his shoes. He took it and slapped Zhou Kaiyun’s butt again.

One after another, he hit Zhou Kaiyun more than 20 times.

Zhou Kaiyun was gasping for breath and wailed loudly.

The Xie Residence’s door was knocked open and Master Qiu rushed in with his men. As soon as he entered the courtyard, he saw his grandson lying on the ground crying.

His legs were weak.

Xie Pinggang was about to speak when Xie Qiao stopped him and walked over with a smile, "Master, you came at the right time. Please take this child back."

Master Qiu staggered and walked to the child. He almost thought that the child was going to die.

He checked Zhou Kaiyun's body with a trembling hand. When he did not find any wounds, he immediately heaved a sigh of relief.

"H-How can you torture him?" Master Qiu's voice trembled.

Behind him was the Qiu family's guard.

Xie Qiao smiled, "If my Eldest Brother wanted torture him, Young Master Zhou would not be so high spirited now."

Zhou Kaiyun hugged Master Qiu tightly at that moment, afraid that he would be beaten up again soon.

Xie Pinggang snorted, "I'm not afraid of you. If you can, come at me together."
