

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 441: Missed You Very Much

Xie Pinggang was looking forward to it. If his eyes could see those who had died, then many cases at the criminal division could be solved!

Xie Qiao looked at her eldest brother speechlessly.

He actually thought seeing ghouls was a great thing!

Those masters who had their third eye opened were not like her, who could see ghouls at any time and place. Most of the masters could control themselves freely, and their daily lives would not be affected by ghouls!

As for her, as long as she opened her eyes, she would see a variety of ghouls and monsters.

“Young Master Xie, just do your job obediently. Don’t think about these unrealistic things,” Xie Qiao said bluntly.

When Xie Pinggang heard that, he was quite surprised.

This female Taoist master spoke very straightforwardly?

“You make a lot of money in this line of work,” Xie Pinggang said enviously again.

Xie Qiao stared at him in puzzlement.

Was it too much?!

Yes, 5,000 taels of silvers was indeed a lot, but that piece of jade was already worth approximately 3,000 taels of silvers!

She had to collect some money to inscribe talismans and chant spells, right?

However, Xie Qiao believed that if her eldest brother knew that Mo Chusheng and she were the same person, he would immediately change his mind and say that the money she had collected was too little!

Xie Qiao said helplessly, "It is indeed very profitable, but unfortunately... your younger sister's health is lacking, so she still has to rely on you, her father and brother, to support her."

"Of course," Xie Pinggang was only envious. If someone fought with him to support Xie Qiao, he would be secretly upset.

At that moment, Xie Qiao did not dare to stay any longer, worried that Xie Pinggang would recognize her.

She stood up and wanted to leave, but Xie Pinggang stopped her, "Master, have a simple meal before you leave. My Sister asked me to treat you well."

Xie Qiao's footsteps stiffened.

"Oh right, I invited the Crown Prince over for a meal today. Earlier, I mentioned you to His Highness. At that time, His Highness said that he's very familiar with you. Since that's the case, you don't mind eating with him later, right?" Xie Pinggang said.

Xie Qiao glared at him.

“Why did you invite the Crown Prince over?” Xie Qiao frowned.

“His Highness has been inviting me to the restaurant repeatedly lately. I have to return the favor,” Xie Pinggang said matter-of-factly.

The Crown Prince was very approachable. He was even very concerned about Xie Pinggang in the criminal division. Every time he went out on business, His Highness would generously invite him to the restaurant to have a meal when Xie Pinggang was about to die from exhaustion.

His Highness treated him sincerely and trusted him very much!

“I still have errands to run, so I won’t stay any longer.” Xie Qiao immediately stood up.

“Master, don’t go. I just happen to have some things I want to consult you on,” Xie Pinggang was very stubborn, “My Sister’s health is lacking. Now that she has been following you around all day, I don’t feel at ease. There are many things I want to know.”

Xie Qiao laughed dryly.

As expected, not long after, the sky was about to turn dark, and the Crown Prince actually came.

Xie Qiao could not understand. As the Crown Prince, why was he always coming to the home of his subjects?

However, Xie Qiao did not dare to say anything.

When he saw the Crown Prince, Xie Qiao gave a profound smile, “Junior brother, you’re here?”

“Junior brother?” Xie Pinggang was shocked, “Master and His Highness, the Crown Prince, are actually from the same sect? His Highness’ master is... Old Master Li, right? In other words, you... also learned from Old Master Li?”

Xie Pinggang was a little incredulous.

That was a Taoist master.

However, Old Master Li was really... a weirdo.

The moment Zhao Xuanjing saw Xie Qiao, a mysterious smile appeared on the corner of his lips like a spring breeze, “I haven’t seen senior sister for a long time. I’ve missed you very much.”

Xie Qiao secretly rolled her eyes.

Pfft, that was a lie. Just a few days ago, he told Xie Pinggang that Xie Qiao was a good sister!
