

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 514: Could Not Hurt Him

Li Qingyu's voice was firm and filled with disgust.

His expression was especially irritating.

Xie Qiao could not tell whether his words were true or not, because Li Qingyu had been affected by the vengeful spirit for almost two years.

The resentment and evil energy would make him irritable and annoyed, but it could also make him have other... reactions.

For instance, it was possible to forget some things.

After all, it was inevitable that something would go wrong if a person's mind was often in a negative state.

The vengeful spirit's arms fell weakly.

"I often enter his dreams, but I'm not powerful enough. Every dream couldn't last long. We never talk much, but he often sees me. In the past year or so, he has never... called out my name..."

She remembered that when she was alive, she told Li Qingyu that her name was Yue Li.

He could not remember anything...

“He does have an immortal in his heart now, but since you liked him in the past, you should know that if this goes on, he will decline more and more. One day, he will be like a vengeful spirit, baring his fangs, brandishing his claws and losing his mind. By then, everyone will know that this grandson of the Li family is a hot-tempered lunatic who should not be provoked,” Xie Qiao added.

That was not a lie.

If she had been an ordinary ghoul, it would have been fine. Even if she had followed him frequently, the impact would have been smaller.

However, she was a resentful spirit. How could an ordinary person withstand the resentment and evil energy?

It was also because Li Qingyu’s will was quite firm. Thus, up until now, he had only been unable to control his emotions and his personality had changed.

In the long run, this personality would become more deeply ingrained. When that time came, even if the vengeful spirit left, he would not be able to change back!

The old master watched as Master Mo spoke to the air. He was a little flustered.

However, for the sake of his grandson, he patiently copied Master Mo and spoke in that direction, “Miss, it’s my family that has let you down. It’s just that the dead cannot be brought back to life. Why are you so stubborn? If you like Qingyu... Look, if I put you into my Li family’s genealogy book as his wife, can you let him go?”

Xie Qiao looked at the old master in surprise.

The move was quite ruthless.

“Li Qingyu, what did you call my senior sister?” Zhao Xuanjing suddenly asked.

“Old witch!” Li Qingyu did not lose his guts.

When Zhao Xuanjing heard that, he grinned sinisterly, “Why should we keep such an unrepentant and disrespectful person? Seeing that he’s also crippled, Senior Sister Mo, why don’t we take action directly and capture this vengeful spirit forcefully? As for Li Qingyu... Oh right, if that’s the case, what will happen to him?”

“Dementia?” Xie Qiao tilted her head and said.

“Oh, so he’ll still be alive... That’s great. If he has dementia, he should be able to keep his mouth shut.” Zhao Xuanjing looked at Li Qingyu with a cold gaze.

When he said that, the vengeful spirit was furious. “Don’t touch him!”

“If I want to capture you, you’ll inevitably implicate him. Think about it yourself,” Xie Qiao said.

The vengeful spirit was trembling.

Why were they stopping her from staying by Li Qingyu’s side?!

However, at the same time that she was feeling resentful, she saw Li Qingyu’s angry and bloodshot eyes. Her heart trembled.

Such a gentle boy had become like this...

Forget it, forget it.

The vengeful spirit's evil energy suddenly extinguished significantly. She looked at Li Qingyu with a blank and sorrowful face. She looked at him with reluctance.

She just wanted to be with him, but in the end, she could not.

She could not hurt him.
