

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 527: The New Wife that My Mother Married for Me!

The warm tea and the green tea leaves stuck on Xie Niushan's forehead just like that.

He was furious.

He was about to raise his hand to hit someone, but just as he did, Xie Qiao suddenly exclaimed, "Father... A-Are you going to kill someone in front of your daughter...? Eldest Brother, Father is so scary..."

Xie Qiao covered her face, then she buried her body and curled up on the chair.

The corner of Xie Pinggang's lips twitched.

Xie Qiao's sobbing did not stop. It drowned Xie Niushan's head.

He immediately chickened out.

What was he afraid of?

He was not afraid of anything, but facing his daughter, he was really scared. He admitted that.

Unwilling to give up, he withdrew his hand and snorted. He wiped the thing on his forehead and said angrily, "If it wasn't for my daughter, would I have spared you?"

“As a dignified General Xie, you would naturally want to kill or slice a lowly person like me!” Lin Yaxiang was extremely disgusted by Xie Niushan.

Although her younger sister was not as beautiful as an immortal, she was a precious thing from a small family. She had once asked her younger sister what kind of person she wanted to marry in the future. What did her younger sister say?

She said that she liked people who were good-looking and literate.

However, this Xie Niushan in front of her was like an ox, a mountain!

He was not good-looking. He was fierce and stupid!

Her younger sister was ruined by such a person!

She married him and died early. How could Lin Yaxiang not be angry?!

Xie Niushan was also holding back his anger. As he listened to Lin Yaxiang’s angry rebuke, his daughter behind him was “scared to tears.” He was extremely upset.

“Eldest Daughter, why are you crying? I just came back. Can’t you celebrate a little bit?” Although Xie Niushan was upset, he did not dare to speak loudly to Xie Qiao.

“I can. But Father, can you be gentler?” Xie Qiao was like a little rabbit at that moment, and she sounded obedient.

Xie Pinggang suddenly thought it was rather strange.

A person who could see ghouls all day would be scared to this extent by her own father?

How could she be so crafty?

Xie Pinggang had a look of disdain on his face. He was a person with guts. Even in times of crisis, he would never be like his good-for-nothing sister who would put on such a pitiful show.

It was scary and embarrassing.

Xie Niushan let out a breath and said in a softer voice, "Alright, stop crying."

She cried until felt as if his heart had been cut by a knife. He felt very uncomfortable.

He was not the only one who felt uncomfortable. Xie Pinghuai and Xie Xi were also quite distressed.

These two children were not really dumb. They knew that their eldest sister would pretend to cry, but she was also really weak. When they saw her crying, regardless of whether it was real or fake, they could not help but worry.

They were still young, and they were too naive.

Xie Qiao raised her head and took a sip of tea. "Father, if you have anything to say, sit down and talk properly. Also... the person you offended is Lin Erniang's biological sister, the Lin family's eldest aunt. The elder beside her is Lin Erniang's father. It wouldn't be too much to ask you to call him Father."

Who?

Xie Niushan recalled.

That was right. Before they left, he had sent someone to bring the Lin family over.

He had actually forgotten such a huge matter!

Xie Niushan patted his head and thought his reaction was a little slow.

Now, he could understand why this shrew-like woman was so aggressive. Immediately, he said in a very magnanimous manner, "So it's Eldest Aunt. Sorry for offending you. I've never seen you before. Today, the people out there have been congratulating me. I thought that my Mother had married another wife for me. I'm sorry!"

He apologized straightforwardly, but he did not seem sincere at all.

Everyone from the Lin family looked terrible.

They knew that Xie Niushan was a nonsensical person, but they did not expect this person to be so... unique!
