

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 587: What's the Use of Having You

Bai Qinxiang should be around 37 or 38 years old by now, but she looked like she was in her twenties. She wore a cloud-white dress and did not wear any makeup on her face, but she was still extremely beautiful.

She had a refreshing fragrance on her body.

As her name suggested, she was indeed a beauty.

Although she was a businesswoman, there was really not a hint of greed on her. Her aura was almost comparable to that of an immortal.

Even Xie Qiao admired Pang Xiyuan. All of the people he was close to were so good-looking and talented.

"Sirs... may I know what's the matter?" Bai Qinxiang asked calmly after they entered the hall and served tea.

"Naturally, I'm here for the case." Xie Pinggang did not have any tender feelings for women at all.

Bai Qinxiang frowned slightly when she saw Xie Pinggang.

Disdain flashed in her eyes.

She must have found Xie Pinggang rude and unpleasant to the eye.

“There’s no case to be investigated in the Bai family.” Bai Qinxiang was still cold and indifferent. “If you want to investigate the case, bring the documents and people to search.”

She was still neither happy nor angry. She was so cold that she could freeze.

“Madam Bai, do you know Nie Fei, Yu Zhaoxi, and Zhu Boyang?” Zhao Xuanjing took out the book directly. He laid it in front of Bai Qinxiang and said, “Madam Bai, these three people died in a temple in the wild. Although you didn’t kill them, you should be familiar with them.”

Bai Qinxiang’s calm expression finally changed.

“I don’t recognize them.” Her voice trembled, but she still denied it. “The Bai family doesn’t like to be friends with scholars.”

“You should at least recognize Pang Hanwei, right?” Zhao Xuanjing said with a faint smile.

“Tell me the truth! Otherwise, I’ll bring you to the criminal division and torture you!” Xie Pinggang shouted fiercely at the right time.

These two people really did not seem like men who would pity anyone at all. One was impulsive, while the other was calm. They were simply driving people to death.

The truth about Miss Pang could not be concealed at all.

After all, there was the testimony of that old man.

At that moment, Bai Qinxiang's hands were tightly clenched together, she looked very nervous. "Yes, Pang Hanwei is my daughter. So what? It was just a moment of impulse. Even if it's the crime of adultery... I dare to admit. When my husband was still alive, he didn't mind that."

She would be punished for the crime. After all, it was indecent.

However, the Bai family had money, and they could use money to atone for their crime.

Therefore, it was not an issue for Bai Qinxiang.

"It's a matter of life and death. You can't deny it. Since you won't cooperate, then... Someone, take her away!" Zhao Xuanjing said directly. After he finished, he looked at the people around Bai Qinxiang. "If Bai Qinxiang is the prime culprit, your servants will be accomplices. They will also be sentenced to death!"

After he said that, two people turned pale.

They knelt with a thud.

"Your Excellency, our Madam really didn't kill anyone. She just had a... relationship with those people!" The old woman next to her shouted immediately.

She knew how powerful the criminal division was.

She heard that people would die after they went in!

Bai Qinxiang moved and she smashed the tea cup on the old woman's head. "You're useless! What's the use of having you?!"

“Madam Bai, are you still not going to tell us?” Zhao Xuanjing asked calmly.

Bai Qinxiang looked a little unwilling, but she still spoke, “Yes, I slept with those three people.”

After saying that, her eyelids trembled slightly, and her eyes were red.

“Tell me in detail.” Xie Pinggang was thick-skinned. He looked at Bai Qinxiang’s pitiful appearance, but he was not affected at all.

Someone had already brought out brush and paper, recording every word that Bai Qinxiang said.
