

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 640: Who is He Looking Down On?

Xie Qiao had calculated that there would be a guest coming today, and she had already guessed that it should be Aunt Lin.

Lin Yaxiang came early. Xie Niushan and Xie Pinggang were still at home.

However, Xie Niushan could not be bothered to see this aunt. As soon as he heard that she had come, he directly asked the steward to lie and said that he was not around.

He really did not know why that wife of his, Ms. Lin, had such a gentle personality, while her eldest sister was so fierce. It was really terrifying, but that person could not be beaten or scolded, and he had to suffer the other party's cold eyes. Since he really did not like it, it was better to hide!

After entering the residence, Lin Yaxiang only remembered to mention the identity of this family to Yu Xian.

"This is the First Young Master, and this is the First Young Lady beside him," Lin Yaxiang introduced.

Yu Xian nodded, then bowed and saluted, "I, Yu Xian, pay my respects to First Young Master and First Young Lady!"

She was straightforward.

Xie Qiao had seen her yesterday, and when she saw her again today, her face was much gentler. She smiled and asked, "Mr. Yu, where are you from?"

Xie Pinggang felt a little strange.

His sister was usually not so warm to anyone, right? Why was she suddenly so excited today?

When Xie Pinggang looked at Yu Xian again, he felt as if a bell had struck his head.

This Mr. Yu was quite fair and tender, and his eyes were especially pretty. They were watery as if they could speak...

"I'm a commoner from Dong'an City, and I'm here to ask for a job."

The corners of Xie Qiao's mouth curled up. "Ask for a job? Have you found one? Do you need my help?"

"Hmph!" Xie Pinggang snorted, "Well, you're here to be the martial arts master, right? You have to be able to fight. Although my stupid younger brother is young, his abilities aren't bad. If you don't have the ability, you'll have to suffer when you become his martial arts master. How about this? I'll test your abilities first, then we'll decide if you can stay."

Xie Pinggang did not like this guy in front of him.

His eldest sister belonged to the Crown Prince.

Why was she so gentle and kind to this guy?! Could it be that he wanted to take her as his concubine?!

It was not that he could not do that, but it was in broad daylight. If word got out, would he not lose his head?

At the house, there were quite a few 'spies' from the imperial palace!

Yu Xian looked at this aggressive man and the corners of his mouth curled up into a smile. "Alright, but... I hurt people badly. First Young Master, it's better for you to put on armor."

He was crazy!

Xie Pinggang felt humiliated.

To wear armor in a normal fight? Who was he looking down on?

Xie Pinggang stood up with a grim look in his eyes, which made people's hearts tremble. Even Xie Qiao felt frightened when he saw Xie Pinggang's mountain-like body.

His eldest brother must have been a giant baby when he was born.

Her mother... was really pitiful.

Yu Xian looked straight at this person, as if she was very interested.

"The men in Dong'an are also tall, but there aren't many who are as strong as you!" Yu Xian praised him from the bottom of her heart.

She had always admired tall and strong men. When her father was still alive, he was also a very brave man. This person in front of her was not too bad. He looked like a bear, and with one look, one could tell that he was very good at fighting!

Xie Pinggang was inexplicably praised. Although he thought this guy had a sweet mouth, it did not stop him from wanting to beat her up.

It was not good for this man to have a sweet mouth. If he were to steal the Crown Prince lady, that would be even worse!

Yu Xian was not considered short. In fact, when she disguised into a man, her head was almost no different from an ordinary man's.

"Let's go and spar in the courtyard.." Xie Pinggang snorted and then said to Xie Qiao, "Eldest Sister, come and see what a loser looks like."
