

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

## Chapter 660: Spend A Fortune

For instance, if the ghoul in front of her was obedient and told the truth about what he knew, she would put him away and send him to reincarnation. However, as the ghoul was a little annoying, therefore, she would skip the service of chanting scriptures and incantations to make him feel better.

However, if he misbehaved...

He might end up being a little miserable.

Xie Qiao looked very gentle at the moment. The ghoul was over the moon.

After a while, he burped. "After eating and drinking, we'll go to the brothel! We'll order as many ladies as we can with all the silver!"

Xie Qiao stood up calmly and waved her horsetail whisk. "Okay, the last thing we need to do is to go to the brothel to order ladies. Let's go."

Zhao Xuanjing frowned.

"What do you want to do? Tell me in detail. Just wait for me here." Zhao Xuanjing pulled her back directly. His voice was indifferent, and his gaze was deep. "It's fine if you want to go to the gambling house, but the brothel isn't a place you should go to."

Why was he suddenly so fierce? Was he trying to scare her to death?

Xie Qiao covered her chest and took a step back. "I'm not willing to go either. How about you..."

Zhao Xuanjing's eyes were filled with helplessness. "Sure."

Hearing that, the corners of Xie Qiao's lips curled up slightly. She only smiled and said nothing.

"I'll listen to you. I'll only go in for a stroll and order ladies. I won't do anything else." Zhao Xuanjing smiled helplessly. "If you go there in your Taoist robe, won't other people have wild thoughts?"

Moreover, even if she disguised herself as Mo Chusheng, who was in her thirties or forties, she was still more otherworldly than others.

She would inevitably be offended by others if a person like her showed up at such a place.

They should not even glance at her with their filthy gaze!

"I didn't expect you to say that," Xie Qiao said inexplicably. Then, she laid out the conditions of the ghoul. "I really don't want to go in, so I'll have to trouble Junior Brother to do that for me."

Zhou Weizong did not expect that His Highness would go to a gambling house, not to mention a brothel.

In the dark, there were many eyes watching him. What he did today would soon be known by everyone.

However, Master Mo said that His Highness had to do something to accumulate good karma.

Zhao Xuanjing left quite happily.

Those who did not know would think that he was eager to go in.

Xie Qiao did not care much. The person she chose to marry was naturally someone with taste.

“Your Highness, are you really going in? I wonder how much good karma you will earn for this...” Was the sacrifice not too much?!

“Good karma is secondary.” Zhao Xuanjing was expressionless.

Xie Qiao was very particular when it came to dealing with the wishes of the ghouls.

Even the ordinary lonely souls she met on the way were sent to reincarnation as much as possible. To her, she would rather die of exhaustion. The ghouls that she could catch were definitely not to be let go.

She had specially invited him to come with her today with the intention of treating his illness.

How could she let him down?

He had been to such a place before when he was investigating a case. It was just that... he did not order ladies.

Zhao Xuanjing walked in calmly.

Zhou Weizong's face was flushing a little bit.

The procuress knew at a glance that an important guest had arrived and instantly summoned many young ladies to surround him.

“With this silver, we’re only getting them to stand here for 15 minutes,” Zhao Xuanjing said concisely.

It would only be 15 minutes, and they would not have to do anything. How could the procurress not agree? Moreover, this hundred taels of silver was not a small amount. If this rich young master took a fancy to them, he might spend a fortune later!
