

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 666: As Pure As A Piece of Jade

Xie Qiao was actually quite curious, so she thought of going over to take a look tomorrow afternoon.

At the moment, Xia Yayun was locked up in the prison, which was also the prison of the criminal division. She was so frightened that she had lost all her senses. Her little face was deathly pale as she waited for someone to come and save her.

“Father, Mother...” She would definitely go home, definitely!

However, she had forgotten that ever since she went to the Dong family and became an aunt, she had been disobedient and continued to be close with Dong Xiyun. Her mother’s family had almost never allowed her to visit them again.

Now that they knew about this, although the Xia family still felt sorry for her, they did not bring themselves to save her.

There was nothing they could do for their daughter.

As parents, they had long realized that there was something wrong with Dong Xiyun. Every time their daughter was with her, nothing good would happen. However, this child refused to listen to them. Now that things had turned out this way, what could they do?

They would not implicate the other children in the family, right?!

“Young lady, is this your testimony?” Xie Pinggang pulled a piece of paper and took it over with a fierce look on his face. “Because that Young Lady Yuan mocked and ridiculed you, that’s why you did this?”

Xia Yayun curled up into a ball. “It’s not my fault. She’s the one who bad mouthed me behind my back!”

They were both concubines. They had the same status!

That Yuan Lingyin actually looked down on her in every way!

She said behind her back that the clothes she wore were cheap, that she was no different from cheap concubines that were bought and sold. Xiyun had initially said that she wanted to give her a piece of the light stream brocade, but that wretched lady actually said that she was unworthy to wear such clothes. She said that it would be an insult to such a good piece of satin!

Yuan Lingyin often visited the Dong Residence. Due to their similar age, she had specially invited her twice!

However, it was one thing for Yuan Lingyin to reject her, but she had even insulted her!

Why should she endure it?!

That Yuan Lingyin was merely a concubine’s daughter, and she was going to be married off to be a side consort!

In the past, Xia Yayun was the precious direct daughter of the Xia family!

“Are you sure that this matter has nothing to do with the eldest daughter of the Dong Family?” Xie Pinggang frowned.

Xia Yayun snorted. "Don't think that I don't know what you are going to do. Did Yuan Lingyin say so?! She was just jealous that Sister Dong had become the main consort, while she's just a side consort! Sister Dong is as pure as a piece of jade. Every time I return, she would advise me not to bother with her. She's not as vicious as she is!"

Having said that, Xie Pinggang could only be disappointed.

He had initially thought that he could capture another person!

The case was settled.

In the afternoon, Xie Qiao disguised as Mo Chusheng and entered the criminal division to take a look.

She had promised Yuan Lingyin's birth mother that she would find the culprit, so she had to confirm it herself. Fortunately, now that the case had been settled, people could visit Xia Yayun, so she came here shamelessly.

Xia Yayun did not see her parents or Dong Xiyun, but she saw this Taoist master.

"Did my Mother send you here?" She asked cautiously, her eyes full of hope.

Xie Qiao shook her head. "Young Lady Xia, can I ask you if Dong Xiyun told you that Yuan Lingyin often speaks ill of you?"

Xia Yayun curled up and buried her face in her knees. She nodded in a muffled voice. "Well, if Sister Dong hadn't told me, I wouldn't have known that Yuan Lingyin was such a shameless person!"

Xie Qiao was speechless. "It's a miracle that you're such a fool."

"What did you say?!" Xia Yayun raised her head.

"I said, you're a fool and you don't know it." Xie Qiao wanted to open up her head with a shovel to see if there was something wrong with the feng shui inside.
