

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 67: Go Away, Ghoul

Xie Pinggang actually looked rather surprised when he mentioned the old Taoist master.

Since Mo Lingzi had raised Xie Qiao, Xie Pinggang naturally knew that Mo Lingzi was not a fake, scamming half-immortal. He had a certain level of mastery in the aspects of thaumaturgy.

“It was Master who taught me that. If you’re not going to become a monk or Taoist master for your lonely destiny... then, we’ll have to do something else. I’ll inscribe a Yin Yang Five Element Talisman for you later. You’ll have to bring it everywhere with you or place it above your bed. It can adjust your Yin, Yang, and five elements aura. It’ll work as time goes by.”

Naturally, he would need more than a talisman.

She would need to set up a Purple Seven Star Formation in Xie Pinggang’s courtyard.

One would need some items to set up a formation. The Yin Yang Five Element Talisman was considered a safety talisman that worked for all. Xie Pinggang would use that first.

It seemed like Xie Pinggang was not in a rush to marry, so she would have time to prepare the items.

Xie Pinggang glared at her and suddenly said, “Did you learn Mo Lingzi’s skills?”

“Just a little bit, not much.” Xie Qiao spoke softly.

“A little bit is enough! He doesn’t have any other skills, but he’s very powerful in physiognomy. You don’t have to master 70% or 80% of his skill. As long as you inherited 10% or 20% of it, men won’t fool you in the future.”

Xie Pinggang was rather excited. He then asked as he watched the people that were digging the well, “Why must you dig a well here?”

He thought this girl wanted a well here for convenience.

However, he thought differently now.

Perhaps she wanted to shift the feng shui for fortune to come...

“There’s not too much of a benefit to digging a well here.” Xie Qiao was being honest.

Xie Pinggang frowned and watched Xie Qiao take a sip of her tea. “The well’s position was bad, bad for the relationship between brothers. You guys would come to my courtyard occasionally, so it’d be terrible if your relationship was affected,” she said slowly.

Xie Pinggang wore a respectful expression as soon as that was said. Whether Xie Qiao was accurate about that or not, he could not pretend not to hear her since she had mentioned it.

Moreover, it was related to the relationship between brothers. It was a major matter, and she would not just mess with that.

“You’re panting from talking, it’s so annoying. And you talk so slow like a snail, who can stand that?” Xie Pinggang vented, “You’re a sly person as well. Do you think you’re the master here? Just scold Yuan Rong if he disobeys you, or just look for Father. To think you got me here to work. That wouldn’t punish Yuan Rong!”

Xie Qiao could not help but snicker out loud. “You sure are direct with your words, Eldest Brother. It’s unfortunate that you won’t marry a wife.”

Scold Yuan Rong? It would be a great effort for her!

After Xie Pinggang left her courtyard, he would naturally scold Yuan Rong himself. Why would she have to do it?

“You’re still talking? I’ll toss you out if you continue!” Xie Pinggang threatened.

Xie Qiao’s eyelids twitched before she smirked.

It was no wonder that he had a lonely destiny!

“Hmph!” Xie Qiao scoffed. “You’ll have to dig the well even if you don’t want to! There’s no benefit to digging a well here, but you have the most powerful Yang energy in the family. It’ll be different if you dig it yourself. It’s good for my health.”

“Really?” Xie Pinggang was rather shocked.

What Xie Qiao wanted to say was that her eldest brother was already mature, but he was still a virgin. Naturally, he had the most powerful Yang energy. Any ghouls would stay far away and dare not get close to her!

If she did not get him to dig the well, who should she look for? Her father?

Xie Qiao lifted her head lightly and seemed to be throwing a tantrum. “So? Are you digging or not?”

A thud echoed as Xie Pinggang flicked her head. "I can, but you should get me something to eat!"

After flicking her head, Xie Pinggang got up agilely.

Xie Qiao felt a ringing in her head from the flick.

Xie Pinggang was as big as a bear, so one could imagine how strong he was.

Although he had intentionally reserved his strength, it was rather painful for Xie Qiao!

Soon, there was a red dot on her head.

Xie Qiao was pissed and chuckled in an eerie manner. "Eldest Brother, did you see a dead body today? There's a death odor on your body."
