

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 731: My Life is So Miserable

As soon as Yu Xian finished her words, Xie Pinggang, who had just received the letter, was stunned.

“Who? Zhou Weizong?” Xie Pinggang frowned, looking as if he was going to eat someone. Xie Qiao took another step back.

Yu Xian was not frightened by this. Instead, she nodded very seriously. “That’s right. Zhou Weizong is my cousin. It’s just that... we haven’t seen each other for many years. In the past, I only learned about his situation in the letter, but it was written a year ago. Now, I’m not sure if he is still the Crown Prince’s guard.”

After getting confirmation, Xie Pinggang was over the moon.

“I didn’t expect that the two of us would be so fated!” Xie Pinggang laughed happily, “I don’t just know this Zhou Weizhong. You know that I’m following the Crown Prince on a mission, and Zhou Weizhong is the Crown Prince’s head imperial bodyguard. I often hang out with him, and our relationship is so good that we can even wear the same pants! You are his cousin, so you are naturally my cousin!”

Xie Pinggang was really happy.

Although he could not beat this short guy, and he was a little upset, after spending so much time together, he thought this pretty boy’s character was really good.

He was even more relaxed than Zhou Weizong!

Besides, it was not that he could not beat Yu Xian at all. In terms of moves and routines, Yu Xian was indeed a little stronger. Moreover, she knew the human body's acupuncture points and joints, so when she hit someone, it was twice the result with half the effort.

However, she lacked many actual battles, so her adaptability was not strong enough when she hit someone. In addition, she was good with short blades, and her spear was not bad when she swung it, but it could not be compared to him!

He had thought that Yu Xian had fallen from the sky, but he did not expect that they were somehow connected!

Yu Xian was also surprised and said, "It really is the sage who is helping me! Brother Xie, how is my cousin now? How is his family?"

"He is fine. You don't have to worry about anything. I will send the message tomorrow. If nothing goes wrong, I will bring him to see you that day. By then, the two of you can catch up with each other!" Xie Pinggang said straightforwardly.

Yu Xian also let out a sigh of relief.

In fact, she did not want her cousin to know that she was pretending to be a man to deceive people. However, it was inappropriate for her to pretend that she did not find her cousin since the Xie family was so concerned about her.

Xie Qiao felt helpless when she saw how happy the two of them were.

In particular, her eldest brother's hands were everywhere. He would pat Yu Xian's shoulder from time to time to show his closeness!

And this Yu Xian... was also a fool.

She did not care about trifles. Sometimes when she was excited, she would say something very bold and unrestrained. If Xie Qiao did not observe her bone structure, she would not have thought that she was a woman because of Yu Xian's temper!

Xie Pinghuai felt even worse.

This was his master...

He had such a good relationship with his eldest brother. If he were to fight with his eldest brother in the future, would his master be able to help him?!

"Eldest Sister, why is my life so miserable?!" Xie Pinghuai suddenly sighed.

Xie Qiao was puzzled. "What's wrong? Isn't it good?"

"This master is so close to Eldest Brother now. That T-Teacher Xiao has also gone crazy recently. He has been bullying me all day." Xie Pinghuai sighed.

Recently, he had been beaten up a lot.

"Please forgive him. Recently, your Teacher Xiao has been somewhat agitated, so it's normal for his mood to fluctuate." Xie Qiao smiled guiltily.

"Master keeps asking me if there is any calligraphy and paintings at home. When I say there aren't, he asks me if there are any strange goatskin cloth or simple objects that our father stole from the barbarians... Eldest Sister, do you think Teacher Xiao's brain has been kicked by a donkey? How could he be so good at bullying people?" Xie Pinghuai was terribly helpless.
