

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 736: Xie Pinggang, You Jerk

Chun Er's last sentence was weak. It was only her own thoughts.

"So ruthless?" Xie Qiao secretly clicked her tongue. "What else can he do? He deserves such pain. When I go to the academy tomorrow, I'll have to speak to Teacher Xiao. Those who receive gifts must be punished, and those who give gifts... Can't just sit still, right?"

"Yes." Chun Er nodded.

She and her brother were more unyielding toward Xie Pinghuai.

It was not that they did not want to soften the policy, but Xie Pinghuai was really terrible.

Even Lin Yaxiang did not treat him with a completely soft attitude, especially on such a big matter. If they were to be like Ms. Lu back then and gently let go of everything, he would be even more lawless in the future.

He must be punished.

Especially when it came to receiving gifts. She had to make sure that he would never forget it. Otherwise, he would forget about the pain once he recovered from his scar.

"Xi'er didn't come home today?" Xie Qiao asked Chun Er.

“Yes, Second Young Lady is staying at the Lin Residence today.” Chun Er nodded, “She’s very well-behaved. No matter where she goes, she will always report it. It’s very reassuring. It’s just that... Why did you give away your golden bells?”

Xie Qiao’s gift was always simple.

Talismans and peach wood swords were the main gifts. She would only consider other things when she had time.

From the moment she met Xie Qiao, she was already wearing the golden bells. She had never thought that she would give them away.

“Xi’er has been a jinx recently.” Xie Qiao frowned and sighed faintly.

It was not that this jinx could not be resolved.

After locking her in the house for a while, she would not be able to go out. With the help of the dharma instruments and formations, the problem would be solved. However, Xie Xi was not a kitten or a puppy. Now that she had finally gained some vivacity, Xie Qiao would feel terrible to lock her in the house and prohibited her from going out.

Fortunately, with the golden bells around, even if something happened, the problem should not be too big.

Xie Qiao was indeed tired. It did not take long for her to rest.

Meanwhile, Xie Pinggang’s courtyard was bustling with activities.

Xie Pinggang was very decisive. He carried the coffin into the house and placed his younger brother into it, leaving a barely visible gap. It was enough for him to breathe.

There were also some items for prayer placed in front of the coffin. A group of maids and servants were crying around the coffin. They would change the group of people every now and then, and they could go all day without stopping.

If they did not know the truth, they might really think that someone from the Xie family had died.

Xie Pinghuai woke up in the middle of the night. His body was still in extreme pain. Just as he was about to touch his wounds, he realized that he had no idea where he was.

The surroundings were pitch black and narrow. It was as if he was in a box...

“Sob, sob, sob...”

“Sob, sob, sob...”

There was a strange sound outside. He did not know who it was from.

Xie Pinghuai knocked hard.

However, no one paid attention to him. They continued to cry outside. However, when he pushed hard, he realized that he could not move at all!

What was going on?!

Xie Pinghuai was a little anxious. Those cries... Could it be that his eldest sister had really died?!

“Let me out! Quickly let me out, or else I’ll bite you to death!” Xie Pinghuai shouted with all his might.

The sound coming from inside the coffin was very stifling. The servants were also somewhat helpless. The first young master had said that no matter what the person inside the coffin shouted, they were not allowed to respond. If anyone spoke to the second young master inside, then there would be no reward for them!

Moreover...

“Wah... First Young Lady...”

“Second Young Master... Wah, why did all of you go...” The servants braced themselves and wailed.

The first young master was really not afraid of bad luck. He had pointed out that they were going to cry for the first young lady.

Xie Pinghuai, who was in there, was stunned.

All of them died? Everyone died?!

Him? And his eldest sister!

Nonsense! He was still alive! His eldest sister was definitely alive too!

“Xie Pinggang, you jerk! Let me out!”
