

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 737: Weak Body

Xie Pinghuai screamed at the top of his lungs. After screaming for 15 minutes, no one paid any attention to him. Meanwhile, the words “poor First Young Lady” kept ringing in his ears. His entire body felt numb!

What happened to his eldest sister?!

Could she really be dead? That’s impossible!

Or could it be that his eldest sister was about to die and she wanted to break off the engagement? His eldest brother was unwilling, so he wanted to bury her directly?!

Xie Pinghuai did not have the slightest bit of trust in Xie Pinggang. He thought he was the most terrifying person in the world.

His voice was hoarse, but there was no reply.

Xie Pinghuai was panicking. He was really panicking.

In the past, his eldest brother had beaten him with whips, slapped or kicked him, but this time, it was the worst!

He could feel the dried blood stains on his body. The bloody stench was even more pungent in the small coffin!

It was a coffin. At this moment, he was certain.

His eldest brother thought he was dead!

And his eldest sister...

What happened to her...

“Eldest Brother, I know I’m wrong! Quickly let me out! I’m not dead. Eldest Sister, where are you?” Xie Pinghuai opened his mouth and shouted again.

He was afraid.

From the first day his eldest sister entered the capital, he knew that her health was lacking...

He also knew that she wanted him to improve, so she would not let him play with crickets and let her learn from Teacher Xiao and Master Yu. It was all for his own good. He knew that!

However, he had a weak body. There was nothing that he could do!

He was wrong!

If he had known that his eldest sister would get mad, he would not have accepted that shabby house!

Nevertheless, he just could not understand. It was just a shabby house, and he did not want to live in it. Worst came to worst, he could just return it, right?!

Xie Pinggang's eyes were red. In such a dark place, his heart was even more chaotic. The more he thought about it, the worse it got.

It was only the beginning.

Xie Pinggang kept his word. The next morning, he took a look at the courtyard, and toward the coffin, he even pretended to sigh. "Eldest Sister, you died a horrible death. I thought you were lucky enough to be the Princess Consort. I didn't expect you to die of anger from that useless piece of trash! He killed you, and I won't let him live either. The two of you should be at peace as you walk on the journey to hell."

With that, he left calmly.

His eldest sister was smart!

In the past, he would only beat him up. However, this kid was his younger brother. How could he be afraid of being beaten? His skin was rough and his flesh was thick. It was useless even if he was beaten!

It was different now. Scaring him could at least make this kid understand some things, right?

As for the taboo...

His eldest sister's body was already in such a state. He would just treat it as crying for her death in advance. It was not a big deal. Besides, everyone had to die eventually!

Inside the coffin, Xie Pinghuai was dumbfounded.

Was what his eldest brother said true?!

His eldest sister had already...

“Eldest Sister! Eldest Sister, I’ve let you down... I was wrong. I know I was wrong. Eldest Sister, please don’t die...” Xie Pinghuai directly wailed.

There was crying inside the coffin, as well as outside the coffin. One after the other, it sounded like they were singing.

Yu Xian came from afar to take a look. She was both shocked and impressed.

Thinking about it carefully, back in her hometown in Dong’an, was she not too polite to her uncles? If she was like Brother Xie... she would definitely not be bullied and run away!

Brother Xie was a strange and intelligent man!

The weirdo Xie Pinggang went to the criminal division cheerfully. After waiting for a while, Zhou Weizong arrived with the Crown Prince.

He quickly pulled him aside and took out the letter, he said, “Brother Zhou, we are really fated. Guess what? Your cousin is currently in my house! I’m taking good care of him. We are like old friends at first sight. I wish that we could sleep together and eat together! We can be brothers by blood now! Oh, this is the letter he gave you.. Quickly finish reading it. We will take a leave today and I’ll bring you to see him!”
