

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 752: Grand Funeral

After being locked in the coffin for so long, Xie Pinghuai was convinced that Xie Qiao was already dead!

These days, Aunt Lin came, eldest brother's colleagues came, and even their father came!

Oh right, the Crown Prince even sent someone to send off the funeral!

Something really happened to Eldest Sister!

He struggled to crawl out. The steward looked at Xie Pinggang with sympathy and looked at him with a conflicted expression. "Young Master, do you need..."

Help?

"Help my a*s! If he can't climb out of the hole, he should die! I don't have such a useless brother!" Xie Pinggang said coldly.

Xie Pinghuai was different from him. He was smart and had a rather good life.

When Xie Pinghuai was born, the village was prosperous. Later, when he and his father went to fight the barbarians, Xie Pinghuai lived happily in the back. He had never been on the battlefield, but he was treated like a king by the brothers. Later on, when he came to the capital, he was indulged by Ms. Lu.

He had beaten him a few times, but they were all skin wounds.

It was different this time. How could a physical stimulation compare to the psychological blow?

Xie Pinghuai fell a few times before finally climbing out of the pit.

He climbed to the front of Xie Qiao's grave again.

Xie Pinggang had even set up a super simple tombstone with the words "Xie Jiao's grave" written on it. There was a mistake!

However, Xie Pinghuai's vision was blurry and he could not tell.

He hugged the tombstone, then, he began to howl hoarsely, "Eldest Sister, I've let you down! Eldest Sister! It's all my fault for being so stupid. I shouldn't have taken their things. I shouldn't have been so cheap and couldn't look away when I saw the benefits. Eldest Sister, come back! Eldest Sister, my sister..."

"Give him some water and let him cry a few more times. This is really rare," Xie Pinggang sat down and made arrangements.

The steward quickly took the water over.

Xie Pinghuai had long been thirsty. Now that he had drunk the water, he felt much better.

He cried even more vigorously.

His entire body twitched.

After twitching for a while, he seemed to have thought of something. He actually threw away the wooden piece and began to dig the grave. "Eldest Sister! We are not staying here! I want to save you! Your brother will give you a grand funeral!"

How could he bury his good-looking and kind eldest sister in such a shabby place!

Eldest brother was too stingy!

He had been stingy in the past. He was also stingy to his own sister. He was not a man!

"Give her a grand funeral? It's not that I despise you, but look at yourself. What do you have? Do you want to bury your eldest sister with the gifts you got from others? You really want to disgust her, don't you?!" Xie Pinggang laughed sarcastically.

Xie Pinghuai glared at Xie Pinggang with resentment in his eyes. "You're the one who killed her!"

"That's right, it's me. So what? You can't beat me, and your abilities aren't as good as mine. Today, I killed your eldest sister, and tomorrow, even if I kill your biological father, you won't be able to do anything to me!"

Everyone was dumbfounded.

That was also your biological father!

Xie Pinghuai really felt that he had been humiliated. He had never felt so aggrieved and resentful before!

“Eldest Sister is your biological sister. How can you be so ruthless! She’s so weak and pitiful, yet you still bullied her. I-I’m going to tell the Crown Prince. I’ll tell him that you killed Eldest Sister! She didn’t die of illness! When that time comes, you’ll suffer too!” Xie Pinghuai pointed at Xie Pinggang, his gaze was as if he could eat him up.

When Xie Pinggang heard that, he dug his ears. “You are? But... whether the Crown Prince trusts you or me, it’s hard to say. I can even tell the Crown Prince that it was you, this b*stard, who angered your own sister to death!”

Xie Pinghuai was even more enraged now.

Xie Pinggang thought the situation was about right.

“You can’t even return home, right? If I didn’t lend you a hand, you wouldn’t even be able to walk back!” Xie Pinggang sneered..
