

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 762: Return Kindness with Revenge

Xie Qiao's hand trembled when she heard Second Young Lady Dong's words.

She looked at her and said, "If you were to listen to the truth, you might be even more conflicted."

"But I want to hear it." Dong Yiyun was very persistent.

"Give me your birth details and I'll calculate it for you." Xie Qiao sighed.

Dong Yiyun obediently followed Xie Qiao's instructions.

After Xie Qiao did some calculations, she realized that the situation was not much better than the last time. This Second Young Lady Dong's fate was terrible. The bad luck had not been solved yet!

"I've calculated it for you once before, but this time, it didn't change much. Your fate isn't too good now, and there are many variables. Your marriage is bumpy, and you'll have to suffer." Xie Qiao frowned. "As for you and the First Young Master of the Xie family... Young Lady Dong, he isn't an amorous person, so he's not a good match for you. Your variables are somewhat corresponding to his, but... if the two of you really get married, I'm afraid you won't be able to live long. You might even die from it."

Dong Yiyun clenched her fists.

"The fate... can't be changed?" Dong Yiyun asked.

“Yes, but the price is very high. I’ve already changed Xie Pinggang’s fate for him, but his fate is too tough, so it would be tough to change him. I’m afraid he won’t be able to change his fate in the next one or two years. I have to take it slowly. As for you...

“You should meet his fate this year. Therefore, Young Lady Dong, if you really meet him, it’s no different from hitting a rock with an egg. You’ll definitely die,” Xie Qiao said in all seriousness.

After receiving the money, she could not lie to her customers.

Moreover, this young lady had a deep obsession. She thought it was better to explain clearly.

This girl was a jinx this year. If she could not avoid it, she would die.

“Your luck isn’t good this year. However, you have the ability to break it. In three days, leave the capital and go to your relatives and friends in the south to avoid it. You will definitely be able to make it,” Xie Qiao said.

Dong Yiyun understood.

The south...

Her stepmother’s hometown was in the south. When she arrived there, her mother would send her letters. Naturally, no one would mistreat her. In fact... They might even introduce a good husband to her. From then on, there would be no such mess.

However...

She had already met someone she wanted to marry. After being saved twice, she would not be able to get what she wanted in this life. She also did not wish for herself to take a step back first...

Xie Pinggang had once said that he did not mind marrying a woman whose reputation had been ruined...

“Master Mo, you said... If I married him, I would die, right?” Dong Yiyun actually chuckled. “So, not only can I not repay the favor of saving my life, I would also make him bear the name of a widower... Returning kindness with revenge.”

Dong Yiyun could not describe how she felt.

It was very complicated. It was so complicated that she did not want to live anymore.

It was too difficult. It was too difficult to live.

The master had said that as long as she went to the south, she would be able to resolve the current predicament. However... she could not see the light at the moment. She did not have the slightest bit of hope for the future after resolving it!

“Young Lady Dong, there is still a long life ahead of you. You are feeling bitter now. After passing this hurdle, when you look back, perhaps you will feel fortunate.” Xie Qiao thought for a moment, but she still felt that it was better to stay alive than to die. “Look, there is nothing good about Xie Pinggang. He is ugly and fierce. It is not worth it to sacrifice your life for such a person.”

“Master Mo! Young Master Xie is a hero. He kills barbarians and solves cases. He is as majestic as an eagle spreading its wings. He is different from others. No one can compare to him.” Dong Yiyun’s tone was very serious.

Xie Qiao was stunned.

No, her eldest brother was an idiot.

However, Dong Yiyun stared at her. The corner of Xie Qiao's mouth stiffened and she chuckled. "Yes, he is quite majestic... This humble one is wrong.."
