

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 764: Somebody Help

Xie Pinggang also thought this young lady was quite wronged. She wanted to report the case but did not dare to. Even if she wanted to take revenge, she was probably not as daring as him.

Putting everything else aside, the person who could sneak into a woman's bedroom in the middle of the night... was not an ordinary person. With just this young lady in front of him, he probably did not have the heart to do anything to her.

Therefore, after thinking about it, he guessed that he could only avoid her.

In fact, Dong Yiyun just wanted to talk to him.

Perhaps, she would be leaving in three days. If she left, she might not even have the chance to meet him in this lifetime.

Thinking about it, Dong Yiyun's heart clutched and she felt uncomfortable all over. "Brother Xie, when will you marry...?"

"I don't know?" Xie Pinggang wanted to ask God when he would give him a wife!

"Three years later, if you are not married and you don't mind that I am old, can you come to my house... to propose marriage...? I will go to Fengnan soon..." Dong Yiyun felt that she had used up all her strength in this lifetime.

Her breathing seemed to have stopped. She looked at Xie Pinggang, unable to move her eyes away.

Xie Pinggang was also stunned.

What did this woman say?

If he still had not married three years later...

No, how could he still not be able to get a wife three years later?! It could not be that serious, right?!

However...

Xie Pinggang looked at the young lady in front of him. She was not bad. Her eyes and brows were quite delicate. However, her body was a little thin, she was not round plump enough, and she was not tall enough. She could collapse with a blow of the wind, she looked like she would not be able to bear torments...

However, it was better than nothing. Moreover, this young lady also had some good points.

She dared to come and ask about the marriage in broad daylight. It showed that she had some guts. She was passable.

Xie Pinggang frowned. "It's alright."

It was really difficult for him to get a wife.

There were many matchmakers at home who came to inquire, but all of them were shrewd!

Those families who doted on their daughters simply could not bear to marry their darling daughters to him, worried that he would beat them to death. Those who did not dote on their daughters simply sent people over, wanting to build a relationship with their family.

If they did not even dote on their own daughters, he did not want this marriage. Who knew when a knife would slash his neck?

So, it was a dead end.

In addition, the grand preceptor had also told him that it was not suitable for him to marry a wife and that he would torture his wife.

Thinking of this, he said, "I can't do it... I have a tough fate. A young lady like you will definitely not be able to take it. Forget it. You're not ugly. Why can't you marry anyone else?"

"I don't care!" She clutched the window tightly. "Brother Xie! If I don't care about my life, would you dare to marry me?! I-I really don't have... a wild man out there..."

Xie Pinggang rubbed his forehead, feeling a little dizzy.

She was a delicate little lady.

Who could stand it now that she said that?

"If you die, how could you be my wife? It doesn't matter whether you have a man or not. The important thing is that I can't marry a spirit tablet, right? Of course, I can marry again after you die, but I can't harm you for no reason. Alright, it's so hot in this weather. Don't stay here and talk nonsense. I'm busy with my things!"

After saying that, Xie Pinggang was about to leave on his horse.

Dong Yiyun looked at him and was a little anxious. She wanted to call out to him, but she could not.

Just as she was anxious, the horse in front suddenly started to riot!

“Oh no, Second Young Lady, the horse is frightened!” The coachman shouted, but he was standing outside of the carriage. In the blink of an eye, Dong Yiyun was taken away by the frightened horse.. The coachman rushed to Xie Pinggang and said, “Sir! Please save my young lady!”
