

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 787: Why Are You Following Me

Xie Pinghuai thought for a while and decided to go to his eldest sister's grave personally and burn the things there.

"You already said that I am Second Young Master Xie. How can you not know who is missing in my family?" Xie Pinghuai looked at the shopkeeper with dissatisfaction. He threw the banknote into the shopkeeper's hand and left with the things that the shopkeeper had wrapped up.

These people knew the answer to their questions.

He was in a bad mood, and yet people in the academy still asked him what was wrong?!

What else could he do?

If his biological sister was gone, would he be happy and still be smiling? Those people did not know how to comfort him, but they still stabbed him in the heart!

Xie Pinghuai huffed angrily. Before he left, he even rolled his eyes at Shopkeeper Chang.

Shopkeeper Chang looked innocent.

Did he say something wrong? Did he upset the second young master?

It was so strange. He only asked what happened to the Xie family... What did the second young master mean?

Shopkeeper Chang was very confused. He did not understand, so he simply stopped thinking. He continued to observe the bell outside. It sounded very strange. When it was quiet, there was no sound for a long time, but when it started ringing, it sounded like it had gone crazy!

It was getting stranger and stranger.

At this moment, an even stranger thing was happening to Dong Xiyun.

Dong Xiyun felt unlucky after she left the Fortune Pavilion. She kept wiping her eyes with her handkerchief and then rushed to the medicine hall.

However, before she arrived, she was shocked when she rubbed her eyes and opened them again!

There was a shadow in front of her!

“Ah!” Dong Xiyun was shocked and immediately hid in the corner of the carriage!

However, the shadow followed her. Not only that, it was tightly wrapped around her body, and its hands were strangling her neck aggressively!

When she did not see this ghoul, she only felt a chill on her neck occasionally. When she slept at night, she was a little breathless, but she did not normally feel anything.

However, it was different now!

“Go away! Who are you? Don’t pester me!” Dong Xiyun used all her strength and struggled with her hands and feet.

That pair of hands kept grabbing onto her, as if as long as it used force, it would be able to pull off the things on her body!

Dong Yiyun’s ghoulish was also startled.

It seemed that she did not expect that the person she was pestering would one day be able to see her.

The initially irrational ghoulish suddenly became a little more clear-headed!

Suddenly, she opened her mouth and bit Dong Xiyun’s neck. Dong Xiyun seemed to be able to hear the crunching noise. She had goosebumps on her skin and her entire body could not help but tremble. She waved even more aggressively!

“Young Lady? What’s wrong?” The coachman was also quite frightened when he heard the pig-like cries from inside.

Dong Xiyun could not answer him at all.

The coachman was worried that something might happen to his young lady, so he had no choice but to stop and open the curtain to take a look.

However, when the carriage stopped and the curtain was opened, Dong Xiyun hopped from the carriage as if she had seen a light.

“Don’t come over! Don’t follow me!” After falling, she shouted in panic.

“Young Lady!” The coachman felt a chill in his heart.

Could it be that the young lady had been triggered and lost her mind?

“Can’t you see?! There’s a ghoul here! It’s a...” Before she could finish her sentence, the ghoul was hanging upside down from her head and appeared in front of her eyes!

Those blood-red eyes, snow-white skin, and a familiar face!

It was her sister!

“Y-You can’t be her! Why are you following me! Ahhh.... Why are you following me? I didn’t do it on purpose, I didn’t do it on purpose!”
