

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 804: You Will Cross the Bridge When You Get There

After the prison guard locked Dong Xiyun up, he left. Dong Xiyun could still vaguely see a ghoul, so she kept howling, causing the people in the surrounding cells to be very upset.

After the witness and evidence were recorded, the documents were submitted one by one. The highest official had stamped them. It meant she had been convicted.

A life for a life was to be paid in the autumn.

After the case was settled, the prison guard transferred Dong Xiyun to a cell in the women's prison.

Two days had passed. Her eyes were much clearer and she could not see the ghouls anymore. Therefore, she was in better spirits than before.

She entered the cell nervously.

A woman with disheveled hair was squatting in the cell. Her hair covered her face and she did not move at all. She looked like she was going to die.

"C-Can I change another one..." She was really scared.

"You're quite bold. How dare you ask for so much? There is no other one. This is the only one. If you don't like it, you can make a rope out of hay and hang yourself!" The female prison guard sneered and left.

They were all criminals. They deserved to die.

Dong Xiyun trembled for a moment and then hid on the other side.

The young lady with disheveled hair raised her head.

Dong Xiyun could faintly see the light reflected from those eyes. They looked very frightening. She mustered her courage and said, “M-My father is an official. He will definitely come save me. E-Even if he can’t, he will still spend money and won’t let me die... If he sends anything, I-I can give you some...”

She still did not believe that she would end up like that.

There will always be a way out!

However, that young lady stood up.

She was like an evil spirit. Her hair was disheveled and her body was emitting a foul smell. She walked over step by step.

“It’s you... It’s you!” Suddenly, she rushed over!

She grabbed Dong Xiyun’s neck and opened her mouth, biting Dong Xiyun’s face!

“Ah!”

The screams did not attract any attention here.

There were fights in the cells every day. The prisoners here were either prisoners who were going to be killed or imprisoned for the rest of their lives. They were felons, so they could do whatever they wanted.

Moreover, after being imprisoned for a long time, the people inside had a lot of hostility. If they did not make a fuss, they might have some wicked ideas in their heads.

Not long after, Dong Xiyun's face was badly mutilated.

However, that young lady laughed sinisterly. "So, you fell into my hands! You deserve it! Hahaha, you deserve it!

"I've been thinking about you day and night. I've been thinking about it for a long time. I regret that I didn't do it in the first place. Why was I used by you at that time?

"But it's useless no matter how much I regret it. I can't take revenge. I can't vent my resentment. So, I can only curse you all day long. It turns out that God heard me!

"Ha! Death penalty, I heard about it. You are a death penalty criminal!"

" ..."

The voice was hoarse and wild, like a volcano that had been suppressed for a long time. The raging flames could swallow Dong Xiyun whole.

However, Dong Xiyun had not realized who the person in front of her was. She did not know when she had offended a person in the prison.

She was beaten, bitten and kicked. After suffering for two whole days, she finally remembered that she was... Xia Yayun.

She had never thought that she would fall into the hands of such a person.

She had never thought that she would become like this.

How long had she been imprisoned?

What about her?!

At this moment, Dong Xiyun was in complete despair..
