

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 807: Foolish

They had never thought that they could really do so well.

“Look here...” Qin Liu’s eyes were fixed on the honor roll. Finally, she saw the name of the champion on one of the lists. She was a little surprised.

The few of them looked over and were also stunned. “Xie Xi? Xie Qiao’s sister, Xie Xi? She got first place?”

Their faces were filled with disbelief.

She got first place in music!

Although there were not many people who applied for that class, some people would specially learn some unpopular subjects in order to get first place, so the competition was quite intense!

As for Xie Xi, she was from the Begonia Courtyard. Students from the Begonia Courtyard were young and did not have much knowledge. To put it bluntly, they were all just passers-by...

It was simply unbelievable.

However, there was a person who was in even more disbelief as he stood in front of the honor roll in a corner in a daze.

Looking at the name on it, he was confused and a little shocked.

“Why is my eldest sister on it?” Xie Pinghuai pulled a person over and asked while pointing at the name on it.

That person also recognized him and said, “Of course, it’s because your eldest sister got eight first places again?”

“No... How could a dead person...” Xie Pinghuai stopped as he said halfway, “D\*mn it! That b\*stard Xie Pinggang lied to me!”

The person was shocked by him and was about to say something when he saw Xie Pinghuai run away like a gust of wind. He rushed straight to the gate of the academy and did not even ask for the leave of absence.

Xie Pinghuai’s heart was beating like thunder. He urged the coachman to keep going.

When he rushed home and saw the steward, he ran so fast and almost jumped up to grab the steward’s collar. He said, “Where’s my eldest sister? Where did you hide my eldest sister? Did you and my eldest brother conspire to lie to me?”

The steward’s expression changed slightly and he was relieved.

The foolish second young master finally found out!

They kept it a secret every day and did not dare to tell the truth. They even thought that the first young lady was already dead. It was tiring!

They even pretended to be sad when they saw the second young master. It was too tiring...

“I-I don’t know either. I haven’t seen the first young lady for a long time...” the steward said sincerely with an aggrieved face.

Everything he said was true!

Ever since the first young lady pretended to be dead, she had pretty much moved out of the house!

Yesterday, Chun Er was just complaining. She said that because of this second young master, the family’s young lady did not dare to return home. How pitiful!

“You lied to me! Tell me! Where’s my eldest sister? O-Otherwise, I’ll burn you!” Xie Pinghuai was about to explode from anger.

The steward thought for a moment and said, “Why don’t you... go to the Fortune Pavilion to look for her? The First Young Lady used to go there often. She might be there...”

Xie Pinghuai had already left. He did not stay at all.

He soon arrived at the Fortune Pavilion. Xie Qiao heard a noise when she was upstairs.

After thinking for a moment, she went to the backyard and changed back into Xie Qiao’s outfit. Then, she went to see her foolish little brother.

“Little brother... I’ve finally seen you. E-Eldest Brother won’t let me go home...” Xie Qiao appeared and covered her chest, looking pitiful.

Xie Pinghuai was initially angry, but when he saw his eldest sister's wronged look, he did not know where to vent his anger. "W-Why didn't you tell me that you were alive?!"

"Ah? Eldest Brother said that I was dead?!" Xie Qiao looked surprised. "He really went too far! I'm clearly alive and well, how could he say that I was dead?! No, I want to settle the score with him!"

As she said that, Xie Qiao took a step forward.

However, she only took two steps before she rubbed her temples, looking weak.

"No way, the exam has only ended. I've used up my strength, I'm tired... I'll rest for a few more days and stir up trouble with him. Otherwise, I'll be beaten by a light pat from him.."
