

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 833: Yu Xian and Tiger

Xie Pinggang did not pay much attention to Xie Qiao's situation. He was relieved to know that she had not been taken away.

However, it was different for Wen Lancheng.

"Is it inappropriate for the three young ladies to stay in the wilderness? That place..." Wen Lancheng pointed at the mountains. "After all, it's the wild. I wonder if they can make a fire. What if they run into ferocious beasts?"

"They went there on their own. I don't think we need to worry?" Xie Pinggang did not understand.

Wen Lancheng was stunned. "Of course we need to worry. The three young ladies are all weak..."

"No, Master Yu is very powerful. She should be able to defeat a tiger, right?" Xie Pinggang thought again. Which was more powerful, a tiger or Yu Xian?

When he was a teenager, he fought a tiger with his father. Yu Xian's martial arts skill was not bad, so a tiger would not defeat her.

Thinking of that, Xie Pinggang felt more at ease.

This master was a treasure to the family!

It would be great if they really encountered a tiger. Tomorrow, he would bring it home and skin it to eat.

“Brother Pinggang, this is not good, right? Even if Master Yu is not afraid of ferocious beasts, I’m afraid Young Lady Xie and Ms. Ying won’t survive... The three of them only brought a coachman, and now they have even sent the horse back. If something really happens, what do we do?” Wen Lancheng was really worried.

Xie Qiao was his savior. Although she was no longer his sweetheart, she was still a half-sister to him.

There was no need to mention Ms. Ying...

He was very satisfied with his future wife. With the wedding happening soon, if anything happened...

It would be too late for any regrets.

Wen Lancheng frowned with a solemn expression.

Xie Pinggang looked at him and felt a little helpless. “Then what do you want to do? It’s the middle of the night, should we go there to pick them up?”

“Yes.” Wen Lancheng nodded.

Xie Pinggang rolled his eyes at him.

‘Don’t you need to sleep? You still have to work tomorrow!’

He was like a little girl who was dawdling. What was there to worry about? Was it not just spending the night outside?! With Master Yu around, nothing would happen to them. These men usually went out to investigate cases. Which one of them had never done anything like this? There was no problem at all!

“Alright then, you can go. I’ll ask the steward to send a few people to you.” Xie Pinggang refused to cooperate.

He wanted to sleep.

It was exhausting to deal with cases every day...

Wen Lancheng knew that Xie Pinggang was carefree, but he did not expect him to be this carefree.

How did Young Lady Xie manage to grow up...

Oh right, he heard that she was raised in a Taoist temple. It was no wonder. If Xie Pinggang had taken care of this sister for more than ten years, then it was likely that Young Lady Xie would not be able to have all four limbs.

“It doesn’t matter whether you go or not. I have to tell His Highness.” After Wen Lancheng finished speaking, he politely took his leave.

When Xie Pinggang heard that he was going to report to the Crown Prince, how could he sleep?

He hurriedly followed.

“My sister is only going out for a trip. Is there really a need to tell His Highness the Crown Prince? Is there a need to do that?” Xie Pinggang’s face was serious.

“Brother Pinggang, you can’t say that. Young Lady Xie is the future Princess Consort. There mustn’t be any mishaps. I’ll report to the Crown Prince and send someone to take care of her. This is what we should do.” Wen Lancheng was very organized.

Xie Pinggang sighed. “Alright, then. It’s not that I’m not worried about her. It’s just that the handwriting on the letter is neat and clean. There’s not even a hint of dirt on it, so she should be in good condition. However...

“You will look for the Crown Prince, and I’ll look for Master Mo...” As he spoke, Xie Pinggang suddenly changed his tone.

Did his eldest sister not say that she saw ghouls?

He would get the master to capture them!
