

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 886: Teacher is A Liar

However, Jiang Jinlu did not dare to criticize his teacher at this moment.

Li Shiyao also saw the resentment and absent-mindedness on his face. He said, "This is your Eldest Senior Sister, Mo Chusheng."

Jiang Jinlu suddenly raised his head and stared blankly at the thirty to forty-year-old Taoist master in front of him. "E-Eldest senior sister?!"

Liar!

"Teacher, how can Eldest Senior Sister look like this?" He asked subconsciously.

Xie Qiao was helpless after hearing that.

Li Shiyao frowned. "Your Eldest Senior Sister is as beautiful as a flower. Why? Don't you think so?"

His precious eldest disciple was so good-looking. Even if she had a different face, she still looked like an immortal. How could ordinary people compare with her bearing and expression?

This was his own disciple. How could he be the same as the others?

Jiang Jinlu hurriedly waved. "Teacher, I didn't mean that... E-Eldest Senior Sister is... very good-looking."

"It's hard on Junior Brother." Xie Qiao looked at him sympathetically.

Of course, her appearance was not ugly, but her teacher boasted about her image too much, to the point that... Now that her fifth junior brother looked at her, there was a huge difference, right?

At this moment, Jiang Jinlu's mind was in a mess!

Oh my, this was... the eldest senior sister who looked like an immortal.

She had occupied his studies for several years!

Yes, as his teacher's youngest disciple, he had read many books with his teacher since he entered the sect. He had also learned to write many poems and paint many paintings. Among them, his teacher's most common homework was... his eldest senior sister!

He often had to paint his senior sister's immortal-like appearance according to his teacher's description. He had to add beautiful poems to describe his senior sister's beauty!

He had to do the same homework several times a year!

That was fine, but what really gave him a headache was that he had never gotten an "A" in any of his homework involving his senior sister.

His teacher always said that he had too little respect for his senior sister, so he did not write well or paint well. After he finished, he said that he did not blame him. After all, he had never met Mo Chusheng, so he naturally did not know how good she was. However...

Even though he knew that he had never seen her before, it did not hinder the arrangement of the next lesson!

Meanwhile, that beautiful Mo Chusheng was standing in front of him at this moment.

She was not as stunning and beautiful as he had described in his article, and she was even wearing the Taoist robe that he hated the most.

She indeed looked like an otherworldly expert, but it was also the appearance that he hated the most!

Jiang Jinlu felt that the beautiful image he had constructed in his heart had collapsed. At this moment, he did not even want to look at Mo Chusheng, his eldest senior sister!

Teacher was a liar!

Xie Qiao could see the disappointment in her fifth junior brother.

However, she did not care. She would get used to it.

This fifth junior brother of hers was the youngest among her junior brothers, but he was also slightly older than her. He should be 18 or 19 now.

He was not too tall, and he even had a baby face. He looked like a teenager who was 15 or 16, and he looked very young. None of her junior brothers were ugly, and Jiang Jinlu was no exception.

Her eldest junior brother, Xiao Yurong, was good at teaching and educating people. He was the most disciplined. Her second junior brother, Zhao Xuanjing... She did not know him very well. Perhaps... he was an all-rounder and the biggest competitor among the fellow disciples.

Her third junior brother was good at romance, and her fourth junior brother... was good at cockfighting. It was said that he was a playboy.

The youngest, Jiang Jinlu...

Although he was only 18 years old, in fact, he was a prodigy. He was already a graduate.. However, his teacher thought that he was still young, so he had been suppressing him.
