

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 890: Obscene

Meng Xiande was not arrogant at all. He was actually very humble.

Old Master Li had taken in many disciples. Everyone knew about that. One of his disciples was the current Crown Prince. It was not a secret. Therefore, he did not dare to treat these two young masters lightly.

Although the current Crown Prince should not be here, the other people had quite a powerful background.

He was just a businessman, so he had to lower his head.

Xiao Yurong wanted to refuse, but Zhao Xuanjing said before he could, "In that case, I'll have to trouble Old Master Meng."

Xiao Yurong did not understand.

In fact, they were more inclined to live outside. Besides, they would bring their teacher and third junior brother along. After all, besides the three of them, the Crown Prince also brought many subordinates. It would be inappropriate to disturb others if there were too many people.

However, since the Crown Prince spoke, he could not refute.

That night, Old Master Meng hosted a dinner for Old Master Li and the others.

This time, Xie Qiao also showed up.

She sat beside Li Shiyan and did not say much. However, she could feel that many gazes were on her.

Among them, there were a few gazes from the female family members.

That was right, they were the female family members.

The Meng family... was not very particular. All of their guests were men except for her, but Old Master Meng had asked his granddaughters to play the zither and dance...

Xiao Yurong's face was so red that it looked like it was ripe.

He looked embarrassed. If the ladies who were dancing were not wearing revealing clothes, he would have yelled out "obscene".

"H-How can this family let the ladies dance in front of outsiders..." Xiao Yurong whispered to Jiang Jinlu.

Jiang Jinlu was more calm than him even though he was ten years younger, his expression did not change. "Senior Brother Xiao, you don't know this. People like them often show their daughters to outsiders in order for them to get married. I was surprised too, but I am used to this kind of thing when I follow teacher around."

How could Li Shiyan's disciples have a bad future?

If they found each other right, the master of the Meng family would be happy to make them concubines, let alone their wives.

Xiao Yurong sighed. "The dance is indeed beautiful, but it's a pity that it's inappropriate to dance to please men."

Not to mention there were so many people.

He lowered his eyes as much as possible.

He was too innocent.

Xie Qiao looked at them vaguely. There were two or three young ladies staring at Xiao Yurong. They did not mind that he was old.

It seemed that because she was the "same age" as Xiao Yurong, it was easy for people to misunderstand. Therefore, after seeing Xiao Yurong, these young ladies still looked at her carefully as if they were judging her combat ability.

"Older Master Li, your disciple... is she a secular Taoist disciple?" Master Meng asked with a smile.

"Yes, my disciple was born with intelligence. She knows a little about Taoist and Buddhist skills." Li Shiyan's eyes were shining.

"Master, you are so lucky to have such a good disciple." Old Master Meng did not ask too much to avoid annoying him, but he did not forget to praise Xie Qiao.

Xie Qiao just smiled politely and did not say anything.

Zhao Xuanjing was even less talkative and his face was as cold as ice. He was obviously more handsome and younger than Xiao Yurong, but his appearance made the girls dare not to be rude.

“Third Young Lady’s dance is really beautiful, but I still prefer Fourth Young Lady’s waist. If I were these noblemen, I would choose Fourth Young Lady.”

“Fourth Young Lady is flirtatious and restless. I think Sixth Young Lady is better. She is gentle and sensible, and she plays the zither well...”

“Can you understand her? She is just playing the zither. She can only be used as a decoration when she is married. I think Fifth Young Lady is better. She’s obviously someone who knows how to take care of others...”

Xie Qiao did not really open her mouth to eat because there were quite a few ghouls squatting on the long dining table..
