

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 930: Senior Sister Is So Ugly

After Xie Qiao said that, she looked at Sang You, as if she was afraid that she would not pay.

'When Xie Qiao was staring at Sang You, Zhao Xuanjing's heart was in his throat, and he almost killed Sang You on the spot. However, seeing that she was collecting the debt, Zhao Xuanjing was in a good mood.

Xie Qiao gave him many things, but the money she received... was not that much.

'There was still a gap in their relationship.

Sang You was stunned for a moment. "This is... senior sister?"

Then, he frowned.

Senior sister looked... so ugly.

'There was a hint of disgust in his eyes, but considering her status, he seemed to be forcing himself to bow to Xie Qiao. His tone was still very respectful. "Thank you for saving my life, Senior Sister. I'll pay you in a while."

His family was quite rich.

After saying that, he hesitated for a moment and took another set of powder from the bedside and handed it to Xie Qiao. "Senior Sister... Your face is dark and gloomy. Apply it, you will look nicer..."

The corner of Xie Qiao's mouth twitched and she touched her face. "Do you think I'm ugly?"

"That's not it, Senior Sister... Your charisma isn't bad. You're pretty well-kept for your age," Sang You praised her.

He was speaking the truth.

He was born to like beautiful things. People and things were the same. His senior sister looked... not bad... but he liked those that were more beautiful.

Previously, his teacher had praised his senior sister many times for her peerless beauty. When he heard it, he took it seriously. Now that he had seen her... There was a difference.

Xie Qiao was really angered to the point of laughing.

In the past, she was the only one who despised others!

Before Xie Qiao could say anything, he saw Sang You bow to Zhao Xuanjing with a very appreciative gaze.

There was a smile in his eyes, it was so pretty!

Those who did not know would think that his junior brother had taken a liking to the Crown Prince and wanted to keep him for himself!

“When will you change your temper? Look at you now, how can you despise your senior sister?” Li Shiyao was a little unhappy, then he said to Xie Qiao, “This kid has no taste. He doesn’t understand. Just ignore him.”

Xie Qiao nodded. “That’s right.”

“I think Senior Sister’s hairstyle is a little old-fashioned...” Sang You listened to her and stared at Xie Qiao’s head. He thought something was strange and wished that he could invite someone over to fix her.

Xie Qiao’s hairstyle was simple and convenient. After all, she was a Taoist master now, so she could not look flashy.

However, at this moment, she could not help but think of her face with makeup. If this kid saw through her and realized that something was wrong, it would be terrible. She frowned. With a serious face, she said, “Junior Brother, how can you be so unruly? I’m a woman. If you keep staring at me, don’t

blame me for being heartless.”

These junior brothers were all insensible!

“I’m sorry to have offended you.” Sang You quickly admitted his mistake, but he had already made up his mind. When he recovered, he would buy more beautiful things and give them all to his senior sister.

Senior sister was in her thirties or forties, but she could still dress up. How could she wear this gray Taoist robe and look dull?

Thinking about it, if he took care of her appearance, his senior sister could be considered a graceful beauty even if she would not be drop dead gorgeous.

Xie Qiao did not dare to stay in the room any longer. After seeing him, she hurried out.

“Was he like this in the past?” Xie Qiao could not help but ask Zhao Xuanjing.

There was such a strange person in this world. They had only met each other, but he already despised her appearance. Fortunately, he was a patient, and he met a weak person like her. If it were her eldest brother, he would have chopped him with an ax!
