

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 936: Swindle

Xie Qiao was very serious. She sat there and kept staring across.

The young swindler wanted to tell the fortune of the old swindler... What was going on?!

Jiang Jinlu could not help but mutter secretly. He could not help but be curious what his senior sister would say when she met this old man later.

“That old man has harmed people before. A ghoulish is holding his eyeballs.” Xie Qiao took out some dried worms from the bamboo basket and handed them to Da Xiong.

Jiang Jinlu looked over.

There was nothing.

The old man was wearing a gray robe. It was unknown how many years he had kept his beard. It was very long and covered his mouth. It had been trimmed, and he did not look particularly messy. He was thin and kind-looking.

The old man was reading a woman's palm, It was unknown what he was saying, but his eyes seemed to be bewitched by the wind and sand. Occasionally, he would raise her hand and rub it.

His eldest senior sister was becoming more and more like a liar.

“What do you think of this Taoist master?” Xie Qiao asked casually.

This person had the face of a boastful and fake person.

“I can’t see anything,” Jiang Jinlu said truthfully.

“If you can tell, I’ll give you this banner. I’ve been learning for 30 to 50 years and have eyes that can see through people. You can’t compare to me,” Xie Qiao was full of nonsense.

“Senior Sister, you’re only 35 or 36 this year, right?” Jiang Jinlu felt a little helpless. He could no longer tell if his senior sister’s words were true or not.

“You don’t need to care about such small details.” After Xie Qiao said that, the customer in front of the swindler left. She immediately carried her things over.

The old swindler looked up again and saw the banner first, then he looked at Xie Qiao. A hint of contempt flashed in his eyes. He said to her with a kind face, “So you’re in the same line of work? Business is bad for you? You don’t look rich. If you want to run a business, you need to go out of the West City.”

“Of course. This is the East City. If I go West, I’ll run through the entire Mengjiabao, and I’ll easily meet a sucker on the way.” Xie Qiao laughed.

The corners of Jiang Jinlu’s mouth twitched.

He thought this looked like two swindlers discussing how to swindle.

“Since you know that, why don’t you leave quickly? Be careful not to leave too late, or you won’t even meet one sucker.” The old swindler had quite a temper. “I’ve already occupied this street. You saw how good my business is just now. If you want to compete with me, you might have to go back and

cultivate for another 20 years..”
