

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 938: Beat Him up to Vent Her Anger

Once Xie Qiao's words came out, Jiang Jinlu and the old fortune-teller were both stunned and confused.

"What did you say?" The old fortune-teller dug his ears and looked left and right. "Are you asking me?"

"No, I'm asking the little girl next to you." Xie Qiao smiled, but it made people feel a gust of cold wind.

When the old fortune-teller heard that, he was a little scared.

However, after thinking carefully, he said, "Ha, I know what you're trying to do! You must be jealous that I made money, so you want to scare me, right? I can communicate with both worlds, and I'm not someone you can scare! What little girl? Do you think I'll believe you?"

"Do you want to earn this silver? If you want to earn it, just sit still. Wait until I ask you, then you can answer," Xie Qiao said slowly.

The old fortune-teller choked.

Of course he wanted to earn the piece of silver!

He stopped talking.

“You are a ghoul. No matter how much you hate and resent him, it’s not good for you to do anything to him. Otherwise, the one who would suffer will still be you. You see, this penniless master is different. I am a living person, I can do it for you,” Xie Qiao said again.

That ghoul did not have much sense at first, but when Xie Qiao approached, she could smell the faint fragrance on her body. It was a refreshing scent that made people calm down.

“He’s a liar.” The little girl shed two streams of blood and tears.

“Yes, he’s a liar, but you are already dead. You can’t sacrifice your soul because of this liar, right?” Xie Qiao’s voice was gentle.

The reason why Xie Qiao said that the little girl was her fated person was because of her looks and resentment.

The little girl’s face was also somewhat damaged, but the problem was small. It could be seen that she was good-looking and should have been a lively and happy child when she was alive.

However, there was a lot of resentment in her. She could maintain her rationality for a short period of time, but in the long run, it would be hard to say.

If the ghoul made a mistake, there would be fewer opportunities to start over.

The little girl’s ghoul was silent.

Xie Qiao thought for a moment, “I am also a Taoist master, but I can see you, which shows that I am not a liar. If you have any wish, I can help you fulfill it. After you finish your wish, you can follow me. I will send you down there. What do you think?”

She still did not say anything.

“As long as you don’t kill him directly, you can have any wish.” Xie Qiao paused for a moment, “For example... I can beat him up to help you vent your anger. Look, I have a junior brother next to me. He’s a man, and he’s very strong. He can knock his head out with a punch...”

The old fraud looked at her in disgust.

Jiang Jinlu was speechless and innocent.

‘What did it have to do with him?!

Forget it, forget it. His senior sister was full of nonsense. He just needed to get used to it.

“Really?” The ghoul was moved.

In fact, although she was a ghoul, she knew very well that if she continued to gouge his eyes for a long time, she could at most make this person suffer from eye disease in a few years. It was just a small problem. If it was really a big problem, that would prove that her resentment was getting stronger and

stronger.

If a ghoul harmed a living person, there would be punishment.

If she did not have any other choice, she would not be willing to do this.

“This penniless master has helped many ghouls before. I never lie,” Xie Qiao looked in that direction and said seriously.

Jiang Jinlu sighed.

His senior sister’s behavior seemed more and more real. The longer he stayed by her side, the more he would believe the ghouls she spoke of. It was no wonder that Senior Brother Xiao and Senior Brother Zhao were so convinced of her..
