

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

## Chapter 946: The Beautiful World of Ghouls

Jiang Jinlu had a dazed look on his face, while Xie Qiao stood there like a pine tree, staring at the disheveled man.

A moment later, the man seemed to have accepted his fate and did not dare to provoke the two of them. Instead, he bent over with a dispirited look on his face and went into the house to take out the money jar. After taking out 150 cash, he reluctantly put the jar in the hands of the master.

Xie Qiao nodded and put the copper coins in the bamboo basket with satisfaction. She then left in a carefree manner.

Jiang Jinlu's footsteps were almost stiff. Before he could wash the dust off his hands, he hurriedly chased after her.

He was behind Xie Qiao. Looking at his senior sister's thin and cold back, he thought she was more and more mysterious.

"Senior Sister, what does a ghoul look like?" After a moment, he caught up to Xie Qiao's side and asked after thinking for a while.

Xie Qiao paused at the foot of the road, she pointed at an old water tank by the side of the road. "There's one there. It's an old man. He was poor when he was alive and didn't even have a place to live. He died in this broken water tank. He looked like a living person, only a little pale and... ugly. However, there

are also good-looking ghouls, but relatively speaking, there are fewer of them."

The water tank was placed upside down and had a big hole. If it was not big, one could curl up inside it.

“There’s one here?” Jiang Jinlu’s heart skipped a beat. He thought he could not look at the broken tank.  
“Then... can you put him away?”

“Yes, but he doesn’t want to leave,” Xie Qiao said.

There were many ghouls along the way. She had seen them yesterday.

“Why? Jiang Jinlu could not understand.

“Because...” Xie Qiao suddenly grinned at him. “Your bed is more comfortable. If he wants to sleep, he can sleep. But if he goes down there, it’s hard to say.”

The expression on Jiang Jinlu’s face froze. He felt a rush of blood and qi rushing in his head. It was ringing in his head, he felt uncomfortable.

“Senior Sister, you’re lying to me, right...” Jiang Jinlu had goosebumps.

“If you think I’m lying to you, then I’m lying to you.” Xie Qiao smiled and walked to the water tank to look at the ghouls, she smiled. “Tonight, this little brother next to me wants to invite you to stay at home for a night. Soft pillow in the high mountain, snacks and delicacies. Are you coming?”

Jiang Jinlu was dumbfounded.

She could not pull a trick on him like this!

Of course, that ghoul was happy.

He had met this master yesterday and liked her a lot!

At this moment, he looked straight at Jiang Jinlu. Without saying anything, he directly floated out of the water tank and clung onto Jiang Jinlu's head, afraid that he would get separated.

"Eldest Senior Sister..." Jiang Jinlu wanted to cry but he could not.

"What are you afraid of? You don't believe me. Just pretend that there's nothing." There seemed to be stars in Xie Qiao's eyes, and she was in a very good mood.

This kid had offended her.

Jiang Jinlu really wanted to say that after he dug up the corpse today, he started to believe that there really were ghouls in this world...

However, now... his eldest senior sister was too ruthless!

Jiang Jinlu dared not say anything. When the breeze blew, the fallen leaves on the trees fell with the wind and flew back and forth like butterflies dancing.

It was a beautiful scene.

"This is a pretty female spirit. She died at such a young age before getting married. Her parents are still alive and well, but she doesn't want to leave. It's pretty boring to be a ghoul. Isn't it pretty when she starts dancing?" Xie Qiao's voice sounded like a call from the King of Hell. It was very frightening to listen

to.

Jiang Jinlu felt that he was not doing well at all...

Initially, the fallen leaves, the old residence, the people, and the hustle and bustle. Although the scene that was pieced together was filled with liveliness and exhaustion, it also had an indescribable sense of the mundane world.. However, after hearing what his eldest senior sister said...
