

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 952: Don't You Know How to Express Your Gratitude?

Thinking back to that day when he ignored this Sage Mo, only now did this old man truly regret it.

“beg little brother to go and inform her again. Honestly, this old man’s calamity...” the old man smiled wryly, “Look at my hand. I’ve suffered a lot today. If master doesn’t help me solve this calamity, I won’t be able to eat or sleep

“Our Sage Mo said that you learned the same skill yourself. You know a little about it. Can’t you solve it?” The servant said seriously.

Not far away, Jiang Jinlu was watching.

The more he watched, the more confused he became.

That day, his eldest senior sister had given money to help this old man with her fortune-telling. Now that this person had come to her door, she disappeared?

He thought about it carefully.

He thought his eldest senior sister’s trick was to retreat in order to advance. This old man was injured and had lost his money. He was probably in a panic and did not notice this.

After thinking for a while, he walked out. “What’s going on?”

“Young Master Jiang.” The servant immediately bowed.

Hearing this, the old man’s eyes lit up. “I remember you. That day, you came with Sage Mo to tell my fortune. At that time, you were holding a big rooster!”

Jiang Jinlu did not want to recall that scene.

“Young Master, can you take me to see the master?! The disaster has come! And my son... admit that I did have a son. He died when he was three years old. Later on, I didn’t have a child anymore. I’ve been alone all these years. In fact, it doesn’t matter if I die or not in the future, but... m-my son can’t be

implicated by me down there!”

“Seeing you like this, it makes people sigh with pity. How about this, I’ll go and plead for you. Perhaps my eldest senior sister will meet you. You can wait a little longer.” As he spoke, Jiang Jinlu went in.

Actually, he could have brought him in directly.

However, thinking about his senior sister’s scheme, he thought it would be better to make this old man panic for a while, and then it would be easier to manipulate him.

However, when he thought of this

Jiang Jinlu felt quite awkward in his heart.

He was too familiar with this trick. The old woman in his village also fooled people like this. She made the patients or their family members’ moods swing, In the end, they were like hairy crabs that had their claws removed and were at the mercy of others.

“Eldest Senior Sister.” When he entered his senior sister’s courtyard and saw that her senior sister was feeding the rooster, he hurriedly walked over.

Xie Qiao had just come back from the outside.

“The fraud outside hasn’t left yet.” Jiang Jinlu looked embarrassed. “I said I would plead for him. When do you think we should get rid of him?”

He now understood that his eldest senior sister’s customer should be a ghou.

This fraud was not only not fated, but also... a lamb waiting to be slaughtered.

However, he had only heard his senior sister’s words that day, so he did not know what kind of grievance that ghou had suffered.

“Ince Junior Brother has spoken, let’s go and see him.” Xie Qiao dusted her hands and wiped them briefly before leaving.

Was it that easy? In fact, it was not a big deal for that old man to wait outside

Dumbfounded, Jiang Jinlu followed Xie Qiao out.

However, Xie Qiao stopped and turned around to look at him. “Since it’s for your sake, does Junior Brother not know how to express your gratitude?”

Jiang Jinlu’s heart trembled. “Thank you, Senior Sister!”

“That’s more like it. When you ask for help, you have to have an attitude of asking for help. Although you’re teacher’s disciple, you’ll have to go to the imperial court to refine yourself in the future. When you see others, it’s better to be sweet-mouthed,” Xie Qiao added.

‘When there was an opportunity, Xie Qiao would target him deliberately.
