

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 957: Where is She

‘The woman did not know if it was true or not, and the master in front of her did not dare to provoke her. Looking at the silver, she did not even know if she should take it or not.

“This old man has no fate with your family. I’ve saved so many people, but I couldn’t save your husband. I feel bad, and that’s why I feel that this silver is too hot to take. Now, I’ll return it all to you.” Master Ma sighed. “If I was sincere in lying to you, why would I return the money now? Don’t you agree?”

‘The woman was ignorant. Upon hearing these words, she actually could not say anything to refute.

At this moment, Xie Qiao arrived.

“Master Ma, don’t you think that by returning the silver, you can make up for the debt of sin?” Xie Qiao said from behind.

Master Ma was shocked. When he turned around and saw her, he felt as if he was struck by thunder. “\$- Sage Mo, you came here...”

“I thought that since Master Ma had returned the money today, the bad luck and resentments around you should be neutralized, so I wanted to see if I could release her. I didn’t expect to hear Master Ma’s words when I arrived here, and look at the bad luck on you...” Xie Qiao smiled faintly. “It seems that

the resentment is getting stronger. If this continues, I’m afraid that it will directly kill you. Feel it for yourself. Is your chest uncomfortable?”

'When Xie Qiao said that, Master Ma subconsciously touched his chest.

It was indeed so.

It was not painful, but he felt suffocated, as if he could not breathe.

At this moment, the ghou's hand passed through his chest. The resentment was lingering around him. Even if it could not hurt him, it would definitely have some effect.

After Master Ma felt this obvious discomfort, he immediately knelt down. "It's all my fault! Madam, I caused the death of your daughter. Just take this money! It's all my fault. I beg you to get your daughter to stop pestering me! I'm also an old man. It's not easy for me either..."

'The woman was stunned. "W-What did you say..."

"Tied to you. I-I don't know any immortal spells at all. I just want to make a living... But I didn't expect your daughter to die there after she was sold..."

The old man was afraid that this woman would go crazy, so he quickly added.

Xie Qiao looked at him coldly.

It would be strange if he did not expect it.

How many women would have a good ending if they were sold to a brothel? Moreover, that little girl was only 12 or 13 years old. When she went there, whether she obeyed or not, she would suffer a lot.

“y-You heartless man!” The woman immediately wailed, “You harmed our family!”

The man died, the mother-in-law died, and in the end, even the child died!

“What right do you have to lie!” The woman rushed over and began to attack.

Xie Qiao did not stop her.

She watched as the woman went crazy. After about 15 minutes, she finally stopped and sat on the ground, crying non-stop.

Xie Qiao walked over, “Your daughter’s last wish was for him to return the money to you, so keep this money well.”

‘The woman wiped away her tears. “What last wish...? She’s already dea

However, halfway through her words, she suddenly recalled what the unfamiliar master had said and immediately reacted. “C-Can you see my daughter?!”

Xie Qiao nodded.

“W-Where is she?! Where is she?!” The woman said frantically.

Xie Qiao looked at the ghoul. When the spirit of the little girl heard Master Ma kneel down and make the statement, she did not have much of an emotion. “Master, please help to pass on the message...

“When I was alive, my parents didn’t really care about me. They loved my younger brother. They didn’t say it out loud, but I could feel that even my own mother felt that I was in the way..”
