

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 975: The Same Person

Xie Qiao followed the route of the wedding and arrived at Wen Lancheng's house.

At this time, Wen Lancheng was still working at the Royal Academy, so he was not at home. However, Feng Yingying was there, so Xie Qiao entered the house uninvited. She was a little embarrassed.

Feng Yingying had seen the Crown Prince before, so she did not dare to reject him.

She even invited him in nervously.

Feng Yingying had never seen Mo Chusheng before. She had only heard of Master Mo's name earlier. Earlier, when she was trapped in the forest with Xie Qiao, she had sought out this master the next day to get rid of the evil spirits, therefore, when she saw the master, her face was filled with extreme

respect.

"May I know why Your Highness and Master are here? My husband is not here at the moment, so I need someone to send a message..." on Feng Yingying's baby-fat face, her eyes were bright.

Although she was nervous, she did not show any fear.

From the moment she entered the door, Xie Qiao had looked around the Wen Residence and thought Feng Yingying, as the madam, should be doing very well.

“I’m here to find a soul. There’s no need to inform Master Wen.” Xie Qiao’s tone was soft.

“A soul?” Feng Yingying’s eyes actually lit up. “Master, please go ahead. I wonder if I can watch from the side?”

Xie Qiao nodded.

Feng Yingying was a little excited. Then, she glanced at the Crown Prince, more or less afraid. She wanted to say something but hesitated.

Seeing her like this, Xie Qiao smiled and said, “Madam Wen, if you have anything to say, you can say it. It’s my fault for coming here today to disturb you...”

“Is there something wrong, Master Mo? I’ve long heard that you’re very capable. Now that I’ve seen you with my own eyes, I can’t help but feel excited. Also... My good friend is also here today, so it’s not good to leave her alone in the backyard. She has always worshiped a person like Master, so... I was

wondering if I could invite her over to take a look.” Feng Yingying was excited but cautious.

“Good friend?” Xie Qiao was stunned. Then, she had an idea.

Could it be... Master Yu?

However, Feng Yingying’s words were not something that she could refuse. Xie Qiao nodded and said, “Of course.”

“I’ll wait for you outside,” the Crown Prince said. Then, he went straight to the carriage outside.

'Wen Lancheng was not at home. Although he was the Crown Prince, he was still an outsider. It was not right to meet Feng Yingying's good friend after meeting her. It was better to wait outside for peace and quiet.

Xie Qiao understood and did not stop him.

'As soon as he left, Feng Yingying heaved a sigh of relief and immediately asked someone to invite her good friend over.

In a short while, she arrived.

As expected, it was Master Yu!

Yu Xian was still a little confused and did not understand why Feng Yingying suddenly invited her out to see a guest. However, at this moment, when she saw this immortal-like person, her eyes lit up and she strode over to Xie Qiao aggressively!

Xie Qiao was about to smile, but Yu Xian suddenly knelt on the ground with a thud and said, "Celestial Master!

"In the past, it was me who was not sensible enough to doubt your ability. These days, I've been regretting it endlessly. Unfortunately, I never saw Celestial Master again. I thought you had attained the dao and ascended to immortality! Now that we meet again, junior can rest in peace even if I die!"

Xie Qiao was shocked and quickly moved to the side. She did not dare to respond to her!

Feng Yingying could not help but exclaim, "Oh my god, Sister Yu, I didn't expect that the master you were talking about is Master Mo! It's really fate!"

“Exactly!” Yu Xian still refused to get up and clapped her slender hands together.. “I’ve been a fool! So many people in the capital say that Master Mo is amazing, but I never thought that Master Mo and the celestial master in my heart are the same person!”
