

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 976: Lose Her Life

Yu Xian looked at Master Mo with fervent eyes. Her straightforward tone made Xie Qiao blush uncontrollably.

“Get up quickly...” Xie Qiao almost wanted to kneel down.

She and Master Yu were good friends. It was really not good for Master Yu to bow down like this.

“Celestial Master, this is what I should do.” Yu Xian still did not get up, “Your whereabouts are unpredictable. I was afraid that you’d be gone in the blink of an eye. These days, I often think of you, and I’ve been looking forward to meeting you. If I can become Celestial Master’s disciple... even if it’s just an

in-name disciple, it’s good enough. I’ll do my best to be filial to Celestial Master!”

“Don’t!” Xie Qiao was shocked. “It doesn’t have to be like this...”

“It’s all thanks to Celestial Master that I was able to find such a good livelihood. I even met Young Lady Xie and Young Master Xie. They’re both top-notch people. They helped me find my cousin! Oh right, does Celestial Master not remember me? At that time, I was dressed as a man and was wandering on

the streets...” Yu Xian hurriedly acted like a fierce man. She tried her best to show her heroic image that day.

“I don’t accept disciples. Quickly get up.” Xie Qiao was really anxious.

"It's my fault. Master, don't be angry." Yu Xian quickly got up.

She did not shamelessly want to irritate Xie Qiao, but she had always been straightforward. She liked and admired the master, so she had to express it. It was not good to dawdle and miss the opportunity.

However, since the master was unwilling to accept disciples, she would not force her. She would still respect the master in the future!

Speaking of which, after meeting the master, her luck became better and better.

The master was really her lucky star.

Xie Qiao heaved a sigh of relief. "It's not good for you to kneel to me."

"Why?" Yu Xian was stunned. "This junior respects Master..."

She would not lose a piece of flesh from kneeling.

"It's just inappropriate." Xie Qiao was very persistent. As for the reason, firstly, they were good friends. It was already terrible enough for her to hide her identity. If she still tricked her into kneeling down, she would be a scumbag. Furthermore.

'When she knelt down, Xie Qiao felt that her chest was a little tight and her aura was not right. Perhaps... she was going to lose her life from the admiration she was getting?

"Then I won't kneel." Yu Xian did not dawdle. "Master, what are you going to do today? If there's anything you need me for, feel free to ask."

She patted her chest.

'When Xie Qiao saw her like this, she felt a little irritated.

Yu Xian looked... very handsome, but her boorish appearance made her think of her eldest brother, that ugly freak, and she could not look at her directly.

Of course, if she was wearing men's clothes, she would look more pleasing to the eye. However, today, she was wearing cherry pink, such a delicate and lovely dress, coupled with such a bold and uninhibited action. It was as if she was possessed by a terrifying tiger.

Xie Qiao exhaled, then she looked at Feng Yingying and said, "Madam Wen, I want to ask you, on the day of your wedding, did anything unusual happen?"

Feng Yingying's face turned red, and she looked a little embarrassed.

"I don't know... Id Master asking about... my husband? N-Nothing is unusual about him, he was just a little clumsy. No, he accidentally fell off the bed..." after saying that, she was so flushed that it looked like she was bleeding.

Xie Qiao almost choked.

"Tm not talking about that..." Xie Qiao wanted to cry, but no tears came out. She felt that at this moment, Feng Yingying must have thought of her as a doctor, so when she asked, even if it was a private matter, she would obediently tell her.

Feng Yingying said shyly, "Then forget about it

She could not forget about it.

Xie Qiao laughed dryly and turned to ask, "On the day of the wedding, did you see a young lady who wore many jewelleries and was full of nobility? She was called the Commandery Princess.."
