

The Return of the God of War [The Protector] Chapter 3571

[/ The Return of the God of War \[The Protector\]](#)

In the corpse pit, the corpses of countless strong men from ancient times are buried in the Zhen Mosi, which were built by foreign races!

The place everyone fears in the town of magic!

Although Gong Qianqiu has great magical powers, he can't find where the corpse pit is.

I never thought that Master Bone would know!

if() {

"That's great! As long as you get to the corpse pit, no one knows where it is!"

Gong Qianqiu was delighted.

Soon Gong Qianqiu took Master Bone to the place where the top ten Tianjiao were imprisoned.

The top ten Tianjiao were horrified when they saw this.

if() {

"You... are you a scum who was expelled by the Heavenly Medical Supervisor?"

Bai Xinghe and the others are still well-informed, and they recognized this bone master at a glance.

"Hahaha... Did you see it? The whole town magician regards me as a scum!"

The Bone Master laughed.

This also strengthened his heart to help Gong Qianqiu.

"Well, the four artifacts of the town hall? Hahaha... You really got all the artifacts of the Sifang Pavilion! Haha, a bunch of trash! You can't play with a girl!"

The bone master began to sneer.

I also believe more and more in Gong Qianqiu.

He began to look at the spiritual roots and bones of the top ten talents.

“Tsk tsk! It’s an incomparable talent! Thunder Spirit Root Spirit Bone? Sword Spirit Root Spirit Bone? Incredible! Incredible!”

The bone master was completely amazed by the spiritual bones of the top ten talents.

if() {}

He turned to look at Gong Qianqiu: “Hahaha, this is completely safe! I was only half sure before! Now as long as you can arrange other things, I am 80% sure!”

Gong Qianqiu was also immediately excited.

This is really good news.

But the top ten Tianjiao immediately panicked.

“I’ll tell you another good news, this girl...”

The Master Bone pointed at Chu Qingshuang and said, “Her spirit bones tend to be devoured! You can rely on her spirit bones to build them, so you can be 90% sure!”

“Hahaha... God help me too!”

Gong Qianqiu laughed.

No one would have thought that Chu Qingshuang’s spiritual roots and bones were inclined to devour. This was the foundation.

It’s much easier to do with this foundation.

It is much easier than creating something out of nothing, and the success rate is much higher.

Chu Qingshuang began to tremble violently, her face was pale and cold sweat broke out!

At this moment, the top ten Tianjiao already understand what Gong Qianqiu and the others are going to do.

They panicked immediately.

It really hurts more than they die!

But in this situation, they can't die.

Can only be at the mercy of others.

If the root bone is dug out, grind it into powder.

They can't imagine how crippled it would be!

They couldn't bear it at all.

"What are you going to do, Gong Qianqiu? I advise you to stop! Otherwise, your end will be miserable!"

"Hurry up and let us go! Hurry up!"

...

The top ten Tianjiao began to warn.

They are crazy.

It's more of a fear.

After all, I am too afraid of Gong Qianqiu.

"Then take them to the mass grave! Let's do it ASAP!"

To be honest, at this moment, Master Bone is even more anxious than Gong Qianqiu.

This is also what Gong Qianqiu wants.

The two acted immediately.

"No! No! No!"

Let the top ten geniuses roar wildly, but it is of no use.

Only to be taken away.

Xu Qingya's eyes were full of despair.

They have witnessed the growth of Gong Qianqiu step by step.

If this goes on, maybe Gong Qianqiu can really fight against Levi Garrison.

At that time, no one can do anything to her.

They couldn't imagine that step.

But what can they do?

The key is that now everyone does not know that it is Gong Qianqiu.

He would never have thought that it was only a small person in the West Pavilion who controlled all this.

Although famous.

But according to everyone's impression of Gong Qianqiu, her strength is very average.

Can only be regarded as medium.

Apart from the reviews, you can't think of anything else.

Especially in the eyes of high-level people and some big people, Gong Qianqiu is not worth mentioning at all.

It doesn't even exist.

The Return of the God of War [The Protector] Chapter 3572

[/ The Return of the God of War \[The Protector\]](#)

But it is this existence that controls everything.

Now Xu Qingya and the others pin all their hopes on Levi Garrison.

I pray that Levi Garrison finds the problem as soon as possible, finds that Gong Qianqiu did everything, and finds Gong Qianqiu.

Kill her before she grows up.

if() {}

Otherwise, in the later stage, Gong Qianqiu will be very difficult to deal with.

Hope can only be on Levi Garrison!

“After I go back, I will study it carefully – what else do I need to create a pair of devouring roots! Then you go to find it!”

The bone master thought for a while and said.

if() }

Soon, Gong Qianqiu moved his real base to the corpse pit, the head of the Seven Jedi.

“Hahaha.....”

After coming to the corpse pit, Gong Qianqiu’s smile became stronger, this place is too suitable for her cultivation.

Simply kill two birds with one stone.

the other side.

Levi Garrison is also not idle.

First, I went to the North Pavilion.

Tell them to find someone immediately, and tell them that there is power behind it.

This frightened them.

After all, Xu Qingya and several others have not heard from them until now.

This is not a good thing.

if() }

“I said, Mr. Ye, it’s impossible for you! Even if you kill the top ten geniuses, you will throw away the four great artifacts! Killing is killing for you! It is impossible to say not to kill!”

Everyone began to marvel that there was still such a force behind Zhen Mosi.

“Can you think of who it is? Does the Town Demon Division have such a person or power?”

Levi Garrison asked.

The Three Saints of the North Pavilion thought about it carefully and shook his head: “We can’t imagine such an existence!”

Levi Garrison was puzzled: "That's weird! It feels like there is one person controlling everything, but he just doesn't leave any clues and traces!"

"Mr. Ye, you have to be careful next time! The ancestors of the major factions have all come out! Some of them have started to organize the unification of the major factions of the Town Demon Division, and some of the ancestors have gone to the Gods and Heavenly Supervisors! "

Xu Liejun, the owner of the North Pavilion, said.

"Shentianjian? What the hell is that?"

Levi Garrison frowned.

"Shen Tianjian is the main brain organization of the Demon Suppression Division! It is also the controller of the Demon Suppression Division. If you want to unify the Demon Suppression Division, you must find them!"

"There is the strongest person in the Suppressing Demon Division in the Shentianjian! To speak of the Xuanming aliens, they are not afraid of anyone in the Suppressing Demon Division! But they are the only ones who are afraid of the Shentianjian!"

"Shen Tianjian has been hidden from the world for a long time, and it is estimated that it will only become stronger!"

The Three Saints of the North Pavilion explained.

Levi Garrison said it doesn't matter: "Oh, it doesn't matter! I have no grudge against them, but if you come to trouble me, kill one by one!"

Everyone in the North Pavilion was stunned.

I am afraid that he is the only one who dares to say such arrogant words.

You still think it makes sense!

"Okay, on the one hand, we are looking for this force, and on the other hand, we will always keep an eye on the movement of the town magician!"

Levi Garrison looked at a few people: "You also be careful, don't let people destroy it!"

"Don't worry, it won't! We have a lot of relationship with those in the Shentianjian! This thing won't happen!"

The Three Saints of the North Pavilion smiled.

Soon after, several ancestors of Sifang Pavilion found the hidden Shentianjian.

Shen Tianjian is in the deep mountains.

There are all kinds of buildings, pavilions and pavilions everywhere.

And misty.

It's like a fairyland!

After several ancestors from the East Pavilion and the West Pavilion came.

He shouted at the front: "The Zhenmo Division is in a disaster! I also ask the God of Heaven to call the shots!"

"Please come out of the mountain, and unify the major factions of the Town Demon Division! To deal with the disaster at hand!"

"Please come out of the mountain! Let the heaven fall!"

...

A sound like thunder, resounding in front.

There was just no response.

It made several ancestors a little anxious.

When just about to step in.

"What wind brought you two here?"

A voice came, like thunder.

Look again, a man in a long gown suddenly appeared in front of several ancestors.

Seeing the middle-aged man, several ancestors all changed color.

They all said respectfully: "Tokugu Tiansi!"

The person who came was Dugu Tuo, deputy Tiansi, one of the three major powers of the Zhenmo Division.

The three major powers of the Town Demon Division, one Tiansi and two deputy Tiansi.

if() }

A deputy Tiansi controls the God Tianjian, the main brain organization.

A deputy Tiansi controls the Tianyi Supervision, the Shenbing Supervision and other institutions.

But it is Tian Si who is in charge!

“Brothers, we haven’t seen each other for a long time, haven’t we?”

if() }

Dugu Tuo smiled.

“Dugu Tiansi! Dare to ask where Tiansi is?”

Several old ancestors looked into the distance.

Obviously, they came to meet the Lord of the Suppressing Demons – Tiansi.

“Tian Si has disappeared for a long time, and I don’t know where he went. I guess he has hit the highest realm?”

Tokuto said.

Several ancestors were deeply shocked.

Because Tiansi is the master of the Demon Suppression Division, and also the ceiling of the Demon Suppression Division’s combat power.

The strongest man.

He has always been elusive, and he should not know his whereabouts.

“As for Yufeng Tiansi refining medicine, he can’t come!”

if() }

Tokuto said.

Yufeng Tiansi is the master of the heavenly medical supervisor, and his medical knowledge reaches the sky.

But for several ancestors, as long as Dugu Tuo came forward.

He controls the Shentianjian, and as long as the Shentianjian comes out of the mountain, he can dominate the Demon Suppression Division.

“Long time no see! Dugu Tiansi is stronger!”

The ancestor of the East Pavilion said.

“You’re not weak either, you’ve all strengthened a lot. Why are you all so sad?”

Dugu Tuo asked.

“Tougu Tiansi doesn’t know anything! There is a big incident in the Demon Suppression Division. All our apprentices, the top ten geniuses, have been killed, and the four town hall artifacts have also been occupied...”

Several ancestors explained the situation one by one.

Although they also understand – God Tianjian must know everything.

Although they are hidden from the world, they must know exactly what is going on outside.

Even better than them.

How could it not know?

“Ah? What’s the matter? What’s the point? Is a monkey out there going to be turned upside down?”

Dugu Tuo was extremely angry.

Several ancestors sighed: “But...but this monkey is too strong! I am afraid that his strength is not a match for us!”

“We don’t know anything about this monkey at all, and we don’t know where he got such a powerful strength!”

“So it is necessary to have Shentianjian take action and dominate the Demon Suppression Division to deal with him! Otherwise, the entire Suppressing Demon Division will be trampled under his feet!”

Dugu Tuo asked: “Are you sure you want Shentianjian to come out of the mountain and rule the magic department?”

“Of course, this is the time already! The Town Demon Division will face the greatest crisis in history!”

“Yeah, it must be unified! The other old guys have already contacted the major factions to discuss the issue of unification!”

...

Several people said immediately.

Dugu Tuo sneered: “Shentianjian can come out of the mountain! I can also discuss the unification of the Zhen Mo Division! But you must know that once the Zhen Mo Division is unified again, it will definitely not be divided again! There is only one chance!”

“this.....”

Several ancestors were stunned.

Because now everyone is immersed in hatred.

Haven’t thought about it.

The Town Demon Division is now torn apart into hundreds of factions, large and small.

Everyone develops savagely.

Zhanshan is the king, and he is the master of his own house.

It was very comfortable and free.

But once the Town Demon Division is unified, all factions will be included in the original nine institutions.

They must also obey the orders of the God of Heaven.

will also be bound.

This is what no one wants.

But once unified, there is no chance of breaking away.

After all, Tiansi agreed.

After reunification, whoever leaves will be killed directly.

Several ancestors began to look at each other.

Dugu Tuo smiled: “You guys think about it carefully!”

[/ The Return of the God of War \[The Protector\]](#)

He wasn't in a hurry at all.

As if in control of everything.

"Dugu Tiansi, we have decided to unify!"

"In order to get rid of the monkey Levi Garrison, we risked it!"

if() {}

"After the unification, we will obey the command of the Shentianjian! We will never think about anything else!"

...

This is everyone's idea.

Levi Garrison must be killed first.

if() {}

The top ten talents are their hearts and minds, and the artifact of the town pavilion is their foundation.

With these two things, the Sifang Pavilion can develop and have a future.

But now for the Sifang Pavilion, there is nothing left.

The future is gone, and the foundation is gone.

The eyes of several ancestors were dark.

They can't find their way.

These are all gone, even more terrifying than their lives.

So what about accepting the unified leadership of Shentianjian?

At least I can kill Levi Garrison first!

“It seems that you hate this monkey to the extreme. I’m afraid that even the Xuanming aliens can’t make the Suppression Magic Division unify? This monkey did it easily!”

“Tsk tsk...I want to see how strong this monkey outside is!”

if() { }

Dugu Tuo sneered.

Several ancestors had a look of joy on their faces: “Does Dugu Tiansi mean to agree?”

“Can you disagree? If you stay on the sidelines, the Zhenmo Si will not be destroyed in the hands of the Xuanming alien race, but in the hands of this monkey!”

“Shentianjian comes out of the mountain! We will unite the Suppressing Demon Division and gather the strength of the Suppressing Demon Division to exterminate this monkey with all our strength!”

Dugu Tuo’s complexion suddenly changed greatly, and he suddenly lowered his voice and said solemnly.

“Boom...”

A domineering aura rose into the sky, causing the world to change.

It also brought a suffocating coercion to several ancestors.

Dugu Tuo is so terrifying.

Let the faces of several ancestors change wildly.

I thought Dugu Tuo was not much stronger than them.

But I didn’t expect the difference to be so big.

Not only that.

Several figures came crashing down from a distance.

See these young people.

The expressions of several ancestors changed greatly.

It turns out that the Shentianjian has also cultivated several peerless talents.

I thought that their Sifang Pavilion had the top ten talents, and it was impossible for the entire town magic division to have them.

But who would have thought that several Shentianjian would appear at once.

The weakest are actually the strength of Bai Xinghe and Chu Qingshuang.

Terrible!

This subverts their impression!

I thought that the God Tianjian was hidden and did nothing.

But who would have thought that they are also developing quietly, cultivating Tianjiao, and developing their overall strength.

Much scarier than them.

But now is not the time to be surprised.

Shen Tianjian came out.

The Town Demon Division is going to be unified.

“Then we will go back and prepare immediately! Strive to unite the Town Demon Division in the shortest possible time!”

Several ancestors were anxious for revenge, and immediately went to prepare after getting Dugu Tuo’s answer.

This is going to be a complete mess.

God Tianjian came out of the mountain.

I don’t know how long it took to be separated from the town magic division to be unified.

This is what no one thought of.

The key is because of Levi Garrison.

Dugu Tuo said to several arrogances of Shentianjian: “Next, when Shentianjian comes out of the mountain, you should also go out and practice! Go down first!”

“Yes, Master!”

Several Tianjiao then left.

shortly after they left.

A charming and coquettish woman appeared, stood beside Dugu Tuo and said, "It's not the best time for Shentianjian to come out of the mountain!"

Dugu Tuo looked into the distance and said, "I was waiting, but don't you think now is an opportunity to come to the door?"

"I think someone is deliberately provoking hatred between the Demon Suppression Division and Levi Garrison! Instead, this is an opportunity for us! It is logical to unify the Demon Suppressing Division!"

After a moment of silence, the woman said, "It seems to be too! This is what they came for!"

"But what if Levi Garrison is too strong, even we can't control it?"

The woman asks a question.

"There is absolutely no such possibility in front of the Shentian Superintendent!"
