

The Return of the God of War [The Protector] Chapter 3581

[/ The Return of the God of War \[The Protector\]](#)

“Seniors, let us come! Thank you!”

Several great arrogances of Shentianjian also want to experience.

Now the powerful Beige Sansheng is an opportunity!

They want to kill the three saints of Beige to test their strength.

“Okay! It’s over to you!”

Several ancestors stepped aside.

Several Tianjiao of Shentianjian attacked and killed the three saints of Xiangbei Pavilion.

This made Gong Qianqiu’s eyes even brighter.

Wouldn’t it be more beneficial to my own plan?

The Three Saints of the North Pavilion and the arrogance of God Tianjian fought in full swing.

As for Xu Liejun’s eight people, under the siege of many masters, they soon fell behind.

In the end, everyone was hacked to death and turned into flesh...

Not even a complete corpse was left.

That’s what it’s like to be a traitor!

Gong Qianqiu watched the miserable end of several people, and only smiled.

Soon, the Three Saints of the North Pavilion were under the siege of the Tianjiao of Shentianjian, and they were also stretched.

The arrogance of the gods are too terrifying.

A single person has the power to match one of the three North Pavilion.

There were even three more than that.

Plus the number of people.

The Three Saints of the North Pavilion could not hold on.

“Bang bang bang...”

After a while, the Three Saints of the North Pavilion flew out immediately.

They’ve held out long enough.

“Kill them!!! Don’t stay alive! Then we’ll go and destroy the North Pavilion!”

Dugu Tuo ordered.

The arrogances of Shentianjian started to kill one by one, besieging and killing the three saints in the north pavilion.

Although the three resisted desperately, they flew out again and again.

Until they can no longer resist this wave of attacks.

“Boom...”

But at this moment, the square in front of the entire town hall collapsed directly, and an earth-shaking change occurred.

Everyone hurriedly avoided.

Suddenly, figures appeared in the dark, and they ran away with the Three Saints of the North Pavilion.

The person who suddenly appeared was extremely fast and disappeared in an instant.

Not even the arrogance of the gods of the heavenly prison could catch up.

“Is this the former Shadowguard?”

Several great arrogances muttered to themselves.

The Shadowguard is affiliated with the Suppression Division.

Only a few dozen people.

Although their strength is not top-notch, their speed and movement technique are top-notch.

Once they start, few can catch up.

Especially in this unexpected situation, it is even more difficult to catch up.

“No need to chase, since it was the Shadow Guard who shot, no one can keep up!”

Several ancestors also said.

“Send someone to find it for me immediately! I would like to know why the Shadowguard is helping them?”

Dugu Tuo was very puzzled.

“Others listen to my orders and destroy the North Pavilion first!”

“You guys go lead the team!”

Dugu Tuo ordered again, and let several Tianjiao of Shentianjian lead the team.

“clear!”

Many masters all set off to the North Pavilion.

I don't know when, Gong Qianqiu has disappeared from the crowd.

But she is a little person with no sense of existence in the West Pavilion.

Not to mention the big bosses of the entire town magic division.

No one knows if it will come or not.

Not wrong.

The collapse of the plaza and the rescue of the Shadow Guard just now were all arranged by her.

The Three Saints of the North Pavilion were killed.

But she had to die in her hands.

rather than being killed that way.

How come the Three Saints of the North Pavilion and the others would never have thought that they were saved like this?

They also immediately knew it was the Shadowguard.

Just why did the Shadowguard save them?

Do not understand!

But he finally breathed a sigh of relief.

Shortly after.

Somewhere, the Shadowguard stopped abruptly.

“We brought the person you want!”

Several shadow guards said.

“Okay, I’ll give you what you want! Happy cooperation!”

When the Three Saints of the North Pavilion wanted to know who they were, suddenly their eyes darkened and they fainted.

When I woke up, I found that I was in a dead place.

There are skeletons all around, densely packed.

“Is this the corpse pit of the head of the Seven Jedi?”

The Return of the God of War [The Protector] Chapter 3582

[/ The Return of the God of War \[The Protector\]](#)

The Three Saints of the North Pavilion are still well-informed.

Recognized immediately.

When you look next to it.

Ok?

Isn't this the top ten geniuses?

Why are they all tied up here?

Look at this skeleton-like person again.

Isn't that some traitor from the Tianyi Supervisor?

What's up with the bone?

"Ancestor!!!"

There were people in front of them shouting piercingly.

Beige Sansheng looked at it and recognized it immediately.

It turns out that what Levi Garrison said was right.

Sure enough, there is a terrifying force in Zhen Mosi, which is secretly controlling everything.

Xu Qingya was caught by them.

They are also the top ten talents.

They even saw Levi Garrison's divine calamity and the four artifacts of the town pavilion.

Xu Qingya and the others were really desperate.

Gong Qianqiu is indeed magical.

Not to mention the arrest of the top ten talents, even the three saints of the North Pavilion are now tied up.

"How are you, the Three Saints of the North Pavilion!"

A voice sounded.

Gong Qianqiu was already standing in front of them tenderly.

"Ah you are?"

Beige Sansheng saw a completely unfamiliar face.

All dumbfounded.

A junior?

“Old Ancestor, she is Gong Qianqiu of the West Pavilion, everything is her...”

Xu Qingya quickly told the three saints of the North Pavilion about what happened.

“what???”

The three saints of the North Pavilion are going crazy.

It sounds like the Arabian Nights.

An unknown junior in Wufang Pavilion controls everything.

The strongest aliens, Levi Garrison and Zhen Mosi are all playing in the palm of his hand.

Simply incredible.

If they hadn't seen so much, they couldn't believe it.

This turned out to be true!

“Shadowguard was also found by you?”

The Three Saints of the North Pavilion asked.

“certainly.”

Gong Qianqiu smiled.

“But how? How can the Shadow Guard take action so easily? Especially in such a dangerous situation, he has to be targeted by the Heavenly Superintendent!”

Beige Sansheng expressed disbelief.

“I have what they want, and of course they helped me!”

Seeing the doubts of the three saints in the North Pavilion, Gong Qianqiu smiled and said: “I can say that I am the most powerful person in the town of magic. I have everything, and it is not difficult to meet their needs!”

“this.....”

The Three Saints of the North Pavilion were relieved.

People can do it all in front of them.

It is not difficult to let the Shadow Guard take action.

“Then why did you bring us here? Is it worth the cost?”

The Three Saints of the North Pavilion asked real doubts.

It's just that Xu Qingya and the others had already expected something.

Shaking his head uncontrollably.

But what can be done?

“It's a pity to kill you directly! I want your powerful skills!”

Gong Qianqiu sneered.

She doesn't talk nonsense either.

Use the exercises directly to begin to devour the power of the Three Saints of the North Pavilion.

“what!!!”

Soon the three of them roared.

But it was of no use at all.

The movement on Gong Qianqiu's body is also getting bigger and bigger.

Fortunately, this is the mass grave.

Otherwise, in other places, I am afraid that it will be exposed.

After all, the power of the Three Saints of the North Pavilion is so powerful that it explodes.

After some devouring, Gong Qianqiu's breath became stronger and stronger, reaching an unprecedented state.

And the three saints in the north pavilion have no voice of struggle.

The three had become dry skeletons.

Directly swallowed by her to death.

The three of Xu Qingya were already crying.

The same is true of the top ten talents.

The Three Saints of the North Pavilion are their fate.

“Ha ha ha ha.....”

Gong Qianqiu, who gained powerful power, laughed loudly.

At this moment, she believed that Levilia was no longer her opponent.

Her next target is already – Levi Garrison.

the other side.

The tens of thousands of troops after the unification of the Town Demon Division came from all directions.

There are not many masters in the North Pavilion, and they all went to participate in the Unification Ceremony.

But fortunately, the sleepy dragon formation is opening.

It will definitely cause trouble.

God Tianjian several great arrogances in front: “Leave the sleepy dragon array to us!”

“North Pavilion, I, Levi Garrison, cover me! Who dares to move?”

The Return of the God of War [The Protector] Chapter 3583

[/ The Return of the God of War \[The Protector\]](#)

The masters from all sides of the Demon Suppression Division were about to move, but there was a voice, like rolling thunder.

The crowd was terrified.

The name of a man, the shadow of a tree!

Levi Garrison's name is now the nightmare of the entire Zhenmo Division!

Anyone who hears it will tremble in their hearts!

Especially now that this voice is called out directly.

It scares people even more.

"Huh? Levi Garrison?"

The eight arrogances of Shentianjian also stopped in unison.

Since Shentianjian was about to leave the mountain, the name they heard the most was Levi Garrison.

have become their lingering shadow.

The eight arrogances of Shentianjian are also extremely proud, and everyone is like Laozi's number one in the world.

Even more arrogant than the top ten geniuses of the Sifang Pavilion!

And no one else!

Except for Tiansi, Dugu Tuo and Yufeng Tiansi.

They don't care about anyone.

Even the ancestors of the major factions are not in their eyes at all.

After going out of the mountain today, they are also extremely arrogant.

But now I hear Levi Garrison.

They were a little panicked.

In their eyes, Levi Garrison is just a monkey.

They are still proud in their hearts, and they still do not take Levi Garrison in their eyes.

After all, for them, it's just a wild way.

In the past, who did they care about you?

directly on.

Levi Garrison didn't take Levi Garrison seriously at all.

But now there is a foreshadowing!

The top ten talents of the Sifang Pavilion and the top ten experts of the Xuanming alien race, etc., all of them were killed by Levi Garrison.

You must know that even if the top ten talents of Sifang Pavilion are weaker than them, they are not much weaker.

Bai Xinghe Chu Qingshuang was almost the same as them.

Half of the eight could not hold back these two.

Therefore, the eight of them also understood that the distance from Levi Garrison was still very large.

If they go directly, they will surely die!

In addition, Levi Garrison is so cruel, he will definitely not let them go.

Facing Levi Garrison, the arrogance of the eight great arrogances of Shentianjian was gone.

Hearing Levi Garrison's name one by one, he was stunned.

The next moment, everyone saw Levi Garrison's figure slowly falling from mid-air, stepping on top of the North Pavilion.

"Come if you are not afraid of death!"

Levi Garrison said coldly.

The reason why Levi Garrison was able to arrive at this time.

Someone must have told him secretly!

Gong Qianqiu revealed the information to Xiao Feng and told him that the North Pavilion was in trouble.

Xiao Feng told Levi Garrison again.

When Levi Garrison came, it happened to catch up with the scene of the siege from all sides of the town magic division.

Gong Qianqiu's purpose is very simple – to continue to intensify the contradiction between Levi Garrison and Zhen Mosi.

It's best if the two sides fight directly!

No matter which side is injured, it is good for her.

It turned out that she wanted to use the Xuanming alien to contain Levi Garrison.

However, the Xuanming Alien Race can't control it, and they don't even know their whereabouts.

However, with the development of the matter, Zhen Mosi has now become a force to contain Levi Garrison.

Then the best way is to let the two sides fight and get into an endless fight.

Whether or not the arrogance of Shentianjian goes to war, it is acceptable to Gong Qianqiu.

Fighting is the best, if you don't fight, you can continue to intensify conflicts.

Now Levi Garrison appeared in the North Pavilion.

The tens of thousands of masters of the Demon Suppression Division actually stopped.

No one dared to take a step forward.

This is Levi Garrison's fierce power, and he forced everyone to be like this.

"this....."

Everyone looked at each other, everyone hesitated.

what to do?

"It's just a bunch of rubbish! This scares me? Is it still a man? Isn't the Town Demon Division high above? You won't be afraid of me, will you?"

Levi Garrison was sarcastic.

"you....."

This undoubtedly hit everyone's self-esteem.

In particular, everyone in Zhen Mosi is extremely arrogant.

It's like stabbing a knife on them.

Everyone is furious!

The Return of the God of War [The Protector] Chapter 3584

[/ The Return of the God of War \[The Protector\]](#)

Don't dare to be angry!

No one dared to take a step forward, and they were still confronting.

Even if he was so stimulated by Levi Garrison, he exploded with anger.

But still dare not step forward.

After all, they are afraid of death.

Don't look at how skilled they are.

It is enough to deal with the North Pavilion.

But for Shang Levi Garrison, the whole army is absolutely overwhelmed.

Those ancestors did not come, and neither did the strong men of Shentianjian.

They can't fight!

Therefore, they could only stare and get angry, but no one dared to step forward.

Everyone even looked at the eight great arrogances of Shentianjian.

"What do you think of the arrogance of the gods?"

...

Everyone is seeking their opinion.

See if they fight.

But I already have the answer in my heart.

Neither dare.

Just looking for an excuse to leave.

This problem was thrown to the eight great arrogances of Shentianjian.

The Eight Great Talents also began to hesitate.

One by one screaming.

They all cursed in their hearts – why do you leave this kind of thing to us?

“I think this matter should be considered in the long run! Now the three saints of the North Pavilion have been abolished, and the North Pavilion has already existed in name only! It’s not too late to fight in the future!”

One of the Tianjiao said.

“Yeah, I think so too! Not to mention the fact that the Town Demon Division has just been unified. At this moment, we should make internal adjustments! Instead of starting a war, we will kill them when we are settled!”

“That’s right! Don’t look at the unification of the Suppressing Demon Division, you think you can sit back and relax! Maybe the Xuanming aliens have been staring in the dark!”

“Let’s go back first!”

...

These geniuses are really good at finding reasons.

He quickly convinced himself and others.

They shouted at Levi Garrison who was not far away: “Levi Garrison, listen up! Now the Shentianjian has come out of the mountain, and the Suppressing Demon Division has been unified! Your doom is coming soon!”

Levi Garrison smiled: “Okay, then you come and kill me!”

“you.....”

This genius was almost stuck.

“Levi Garrison will let you live a few more days! Just wait! We will kill you sooner or later!”

“I’ll give you a chance today! Let’s take a look at this time!”

The arrogance of God Tianjian pretended to be calm.

Start to threaten Levi Garrison.

“Hahaha.....”

Levi Garrison smiled.

“What if your strength was as hard as your mouth?”

Hearing Levi Garrison’s sarcasm, everyone couldn’t care less.

“Withdraw! Withdraw all of them!”

“Let Levi Garrison live a few more days!”

...

They were still stubborn, but they were retreating too fast.

The legs are like rockets.

Tens of thousands began to flee.

I was afraid that Levi Garrison would catch up.

“A bunch of trash!”

Levi Garrison sneered.

After running to the old site of Zhenmosi, I made sure that Levi Garrison was not chasing after him.

Everyone took a breath.

Even the eight great arrogances of Shentianjian were soaked all over.

The cold sweat is still pouring out.

scared to death.

Hard-mouthed, hard-mouthed, but really scared.

If Levi Garrison takes action, they will never survive.

After all, before Shentianjian and the ancestors rushed over, Levi Garrison killed them all.

Seeing that everyone around looked at them with strange eyes, several Tianjiao said: "Remember, we gave Levi Garrison a chance!"

"Unification of the Suppressing Demon Division is to kill Levi Garrison! If we kill it directly, what's the point of the unification of the Suppressing Demon Division?"

"That's true! Levi Garrison killed it directly!"

...

A group of people are still stubborn, still comforting themselves.

Levi Garrison in the North Pavilion knew that the Three Saints of the North Pavilion went to the Unification Ceremony.

He let out a long sigh: "Most of them were killed! Hey! I've let them pay attention!"

the other side.

In the mass grave.

The Bone Master has already taken the first step.

The joint bone master began to take down the spiritual bones of the top ten talents.

Gong Qianqiu watched brutally from the side.

"No, I beg you, I really beg you..."

The doomsday of the top ten geniuses came, and they all cried.
