Throw it aside so openly?

Not quite logical.

Unless there is only one possibility – that the Tianshifu is overconfident and never thought that someone would find them.

But the chances are still small.

Judging from the behavior of this force during this period.

They are careful and control every detail.

Definitely not just throwing the corpses of the Three Saints of the North Pavilion outside.

This is most likely a problem.

Maybe it's a calamity!

And it's very likely.

He was still staring at the West Pavilion.

Look at it like this, throwing smoke bombs is to attract the attention of himself and Shen Tianjian.

Then this force must have taken action, and something must be brewing.

Absolutely!

Levi Garrison felt as if he had caught something.

But at the same time uncertain.

Just keep an eye on the West Pavilion.

Unlike Levi Garrison, Shentianjian discovered all clues by himself.

So they are unlikely to be suspicious.

Especially when the evidence is in front of you.

In addition, the inner should also be found.

Are they unbelieving?

“Next, everyone will focus on finding the whereabouts of the top ten talents and the four artifacts of the town hall! If it is them, I believe there will be an answer soon.”

“Remember, be stealthy. Don’t let them know we’re looking for them!”

“Before, we were all secretly searching outside, but this time we’re going to infiltrate the Tianshi Mansion!”

...

In order to be safe, Dugu Tuo personally selected personnel to search.

“If it is really the Tianshi Mansion, then we can unite with Levi Garrison and destroy the Tianshi Mansion first!”

Dugu Tuo has already begun to think about the follow-up.

“Ah? Joining with Levi Garrison? Will he agree?”

Everyone was shocked.

Dugu Tuo smiled: "You might as well know Levi Garrison better than me, although I have never had direct contact with him!"

"Levi Garrison is a person who can't tolerate sand in his eyes! If Tianshifu really calculated him like this, he would never agree!"

Others immediately said: "Yes, and Levi Garrison's sword was also stolen. If he finds it, he will never let it go."

"If we want to unite, it's still very easy! Even when Levi Garrison and Tianshifu will both suffer, we will take advantage of the fisherman!"

"That's true..."

Everyone reacted.

Gong Qianqiu's move is still brilliant.

It really diverted the attention of both parties.

Now she is quietly transplanting the root bone.

Everything is going well so far.

Gong Qianqiu's root bone has just been removed, and the new swallowing spirit root spirit bone is about to be transplanted to her body.

Xu Qingya and the others witnessed all this process.

Now has come to a critical stage.

The three of Xu Qingya only thought that at this time, Levi Garrison came to find it, or Gong Qianqiu failed to transplant the root bone!

Just as Gong Qianqiu said, God has always been on her side.

All luck is on her.

Levi Garrison didn't find it.

No accident happened.

Everything is going in a good direction.

Although the bone master is not involved in the root bone transplantation, you can visit the whole process.

It's like looking at art.

“Suppressing Demons! The Great Demon King is about to be born, and your catastrophe is coming! Hahaha...”

The Bone Master began to burst out laughing wildly.

Although Gong Qianqiu said hello in advance.

But Xiao Feng still wants to meet and talk with Gong Qianqiu all the time.

After all, his dependence on Gong Qianqiu is getting deeper and deeper.

He still couldn't hold back and contacted Gong Qianqiu directly.

But can't get in touch.

Gong Qianqiu never replied to him...

This is not right.

Could it be that something happened to Qianqiu?

Xiao Feng's first thought was this...

After all, the last time Gong Qianqiu contacted him, it looked very wrong.

As if something was going to happen.

Xiao Feng didn't care at that time.

Now that I'm thinking about it wrong, this may be an accident.

no!

I have to check it out!

Xiao Feng was worried, but when he was about to leave.

Gong Qianqiu came here to move, and used a special method to ask Xiao Feng what happened.

Xiao Feng immediately expressed all his worries and thoughts.

“Ho ho...”

Advertisement

Xiao Feng never thought that the person who contacted him on the opposite side was not Gong Qianqiu.

But a man!

It is also Chu Wu, Gong Qianqiu’s most effective assistant.

He is now temporarily in charge of all other affairs of Gong Qianqiu.

Advertisement

He is absolutely loyal to Gong Qianqiu.

Hearing Xiao Feng express his thoughts of these, Chu Wu immediately laughed.

“Look at this licking dog! Tsk tsk...”

“I really thought Qianqiu could be with you? Stop dreaming!”

“I don’t even dare to think about her, she will be a top powerhouse in the future!”

...

However, Chu Wu still imitated Gong Qianqiu’s tone to communicate with Xiao Feng.

This was arranged in advance by Gong Qianqiu.

Let Chu Wu replace herself and communicate with the men she controls to prevent accidents.

And Xiao Feng is not the only one.

In the past half a day, Chu Wu has communicated with more than a hundred people.

One by one, they were all fascinated by Gong Qianqiu.

Therefore, Chu Wu's task is also very heavy.

However, Xiao Feng is the key target, so he naturally wants to communicate more and contact more.

He even had to go round and round to know some information about Levi Garrison.

Taking comfort from "Gong Qianqiu", Xiao Feng felt full of strength and continued to practice.

And Chu Wu came to comfort others...

Chu Wu was also a member of the West Pavilion.

He is also the son of Chu Changkong, the lord of the West Pavilion.

At his residence, no one else dared to approach.

Although the major factions have been secretly investigating recently.

But no one will find him here.

Finally, why Chu Wu willingly followed Gong Qianqiu, that is Gong Qianqiu's method.

At this moment, Levi Garrison is in the West Pavilion.

Conduct a secret search.

It came to Chu Wu's residence.

He found that this person was using a secret communication method of Zhen Mosi to communicate with outsiders.

In a short period of time, he was actually contacting dozens of people?

"Ok?"

This had to make Levi Garrison suspect.

Obviously, this is sending information to the outside world.

There's definitely something wrong with that.

Now Levi Garrison has a general understanding of the people in the West Pavilion.

"This is Chu Wu, the son of the Lord of the West Pavilion!"

"This identity is better hidden!"

"He is not a senior member of the West Pavilion, but he can always get in touch with the senior management of the West Pavilion, and he knows some big secrets!"

...

Levi Garrison began to analyze.

But he felt that this man was not the mastermind.

It was too careless.

It's easy to expose yourself.

There should be someone behind him...

Someone is controlling everything.

But there are people behind him, and it should be said that his identity must be one level higher than him.

But this is not in line with what Levi Garrison guessed at the beginning.

If the status is too high, it will not work.

An identity like the Lord of the West Pavilion should be the limit.

"However, I'm eyeing you... I'll find out what you're doing..."

Levi Garrison sneered.

Next, he will interrogate Chu Wu and the people who contact him.

No one thought of this.

Especially Gong Qianqiu.

His right-hand man is exposed.

Time passed little by little.

There are more and more clues searched by Shentianjian.

Everything points to Tianshifu.

Levi Garrison also conducted a comprehensive investigation of Chu Wu.

However, Chu Wu was still careful and left no evidence.

It is still difficult for Levi Garrison to inquire.

A long search is also required.

And here is the corpse pit.

After the efforts of the five major bone masters, the devouring spirit bone was finally transplanted into Gong Qianqiu's body.

For the time being everything is normal.

"Only the last step, as long as the spiritual roots and bones start to run in your body, it will be a success!"

Everyone began to look forward to this moment.

Master Bone watched without blinking.

Xu Qingya and the others also watched nervously.

But they expect failure!

They really hope that Gong Qianqiu will fall short at this moment.

However, God is really on Gong Qianqiu's side.

Levi Garrison didn't even come here at this time!

It didn't fail either!

In the end, the Devouring Spirit Root Spirit Bone was perfectly fused into her body and started to run.

fit!

This is the benefit of devouring the attribute root bone.

After other root bone transplants, it takes a lot of time to get used to.

For example, the one who transplanted the root bones of the five Azure Dragon (Qinglong) people has not shown up for a long time.

Just to get used to the roots.

It's not something in your body after all.

It is different to devour spiritual roots and bones.

There is no adaptation process.

You just devour energy directly is adaptation!

Therefore, the last step is relatively easy and simple.

Soon after, Gong Qianqiu recovered.

"Hahaha... I succeeded!"

Gong Qianqiu laughed wildly.

Master Bone stared at her nervously: "Are you feeling any discomfort?"

Gong Qianqiu felt it carefully, and said in surprise: "No! I feel that the swallowing root bone and my body have been perfectly fused together!"

"I don't need to adapt at all!"

"what?"

The Bone Master and the others were stunned.

Is this too fast?

Although devouring spirit root spirit bones does not require adaptation.

Can it be perfectly integrated?

horrible!

"By the way, it must be the reason for your cultivation technique, which is why it is so suitable for swallowing the spirit root and spirit bone!"

The bone master immediately found the reason.

Gong Qianqiu nodded: "It should be so! I have practiced this technique for a long time, so that my physique has the attribute of swallowing, which is suitable for swallowing the spirit root and bone!"

"Hurry up and show..."

The Bone Master is already impatient.

The others were also staring intently.

"it is good!"

Gong Qianqiu's eyes froze.

One-handed move.

The Suppressing Demon Sword, the artifact of the town pavilion, has already come to her hands.

She started to devour.

"Buzzing..."

For a time, the Demon Suppressing Sword began to vibrate.

All the inner essence was swallowed by Gong Qianqiu.

And the speed of swallowing is dozens or even hundreds of times faster than the speed of Gong Qianqiu before.

Just crazy!!

You must know that the Demon Suppression Sword contains the skills of the predecessors of the past dynasties and the blessings of various powers.

Terrifying to the extreme.

As far as the power sealed in the Demon Suppression Sword is concerned, it is much stronger than the combined power of the three saints in the North Pavilion.

After all, they also have to rely on the artifact of the town pavilion.

But now, with a Demon Suppression Sword, Gong Qianqiu devoured it in a few seconds.

This town pavilion artifact instantly became scrap metal.

And Gong Qianqiu's momentum has been raised by another level.

The sky above the corpse pit is already a gathering of storms, the thunder bursts, and the sky turns bloody.

There were even the faint voices of thousands of injustices struggling.

too strong!

Gong Qianqiu's strength has already aroused the anger of heaven and earth.

However, this is only the beginning.

Gong Qianqiu continued to devour.

Nine Heaven Bow.

Heavenly Gun.

God weeping knife.

One after another, the artifact of the town pavilion was swallowed by Gong Qianqiu.

This is stunned.

This is too scary.

After devouring the four artifacts, Gong Qianqiu's strength has reached another level.

The Bone Master was stunned.

With this kind of strength, according to his understanding, since ancient times, there have been no more than five in the entire town.

Four have passed away, and now only one remains.

It is the Suppressing Demon Division Tiansi, the first person in the Suppressing Demon Division.

But this is just the beginning of Gong Qianqiu.

Soon she could devour more.

It is easy to surpass the five strongest people in the history of the town magic division.

Now, if Tiansi does not go out, Gong Qianqiu will kill him casually.

Gong Qianqiu felt that he was a god.

omnipotent.

Has the power to subvert everything!

The whole human nature has also changed a lot.

However, Gong Qianqiu was originally very calm.

Even calmer than many older guys.

If other people gain such a powerful power at one time, I am afraid that they will not adapt.

But Gong Qianqiu didn't feel uncomfortable at all.

As if this kind of power was originally within her reach.

She already has that confidence.

"Have you seen it? I am the real genius! You are all trash!"

Gong Qianqiu shouted at the top ten Tianjiao.

There was a hint of anger in the lonely look of the top ten talents.

Everything they are proud of is now completely on Gong Qianqiu.

"But don't worry, I will chase for you what you want to chase! I want you to live well! Come and witness the moment I reach the top..."

Gong Qianqiu looked at Xu Qingya and the others again: "You can live longer! After all, you are the ones who witnessed my growth in the first place! I am reluctant to let you die!"

The bone master also began to fantasize about his crazy plan to take revenge on the town magician.

"Upgrade! Raise crazy! Absorb everything here!"

The bone master also laughed wildly.

Gong Qianqiu didn't stop, she planned to swallow all the Yin Qi of the Thousand Corpse Pit.

Further boosting power!

"Boom..."

As soon as Gong Qianqiu devoured the practice, the yin qi that had gathered in the corpse pit for unknown years was devoured wildly.

improve!

Crazy improvement!

Gong Qianqiu's aura continued to rise, as if a demon was born.

Everyone was stunned.

How could such a body contain such terrifying power.

The Yin Qi of the Thousand Corpse Pit is like a tsunami of rivers, and it continuously gathers into Gong Qianqiu's body.

horrible!

fear!

"Crack! Kick!"

Because Gong Qianqiu is too strong, the surrounding magnetic field has changed.

One after another lightning flashed around her.

This is the discoloration of heaven and earth!

In a short amount of time, the Yin Qi in the Massacre Pit was completely swallowed up.

The corpse pit, which was originally the head of the Seven Jedi, turned into a pure land at this moment.

Even if the bones are everywhere, even if the resentment has accumulated for a long time.

But after you see it, you won't be afraid at all.

"Crackling..."

Gong Qianqiu's body is still entwined with electric light.

Her eyes are like the ups and downs of stars, and the scene of the reverse of the universe is being staged.

Heaven and Earth were even more furious.

Dark clouds, lightning and thunder, and heavy rain, as if the end of the world is coming.

Lightning bolts converged on Gong Qianqiu.

A series of thunderous sounds exploded directly beside Gong Qianqiu.

The anger of heaven and earth seems to be mixed with Gong Qianqiu.

Her power has already caused the anger of heaven and earth.

It has reached the point where it affects the magnetic field and the force field.

“Hahaha.....”

“my God!”

When Master Bone saw this scene, he was dying of joy.

In his understanding, Gong Qianqiu was too powerful and wanted to break the shackles of cultivation, so it caused the anger of heaven and earth.

The last such person was Zhen Mo Si Tiansi.

It's what he saw with his own eyes.

“Ha ha ha ha.....”

“If you continue like this, who can be your opponent?”

shouted the bone master.

Gong Qianqiu also laughed wildly.

Now she feels like a black hole.

Can devour all stars.

There is so much energy in her small body.

Gradually, the violent scene around her gradually calmed down.

Everything is gone.

The terrifying power of Gong Qianqiu seemed to have disappeared.

“Ok?”

The Bone Master was stunned.

How is this going?

Gong Qianqiu has clearly reached a very high level.

result?

It looks like a normal person now.

Seeing his doubts, Gong Qianqiu explained: “This is the mystery of the cultivation method. It uses the elements of heaven and earth, and at the same time, it can balance the power with the heaven and the earth. So I look like an ordinary person.”
