fear!

Just horrible.

If this goes on, who can be Gong Qianqiu's opponent?

The top ten Tianjiao closed their eyes.

At this moment, they were completely desperate.

As for Xu Qingya, the three also called out.

Everything is too late.

Even if Levi Garrison and Shen Tianjian discovered that Gong Qianqiu was useless now.

Even if Gong Qianqiu is not an opponent, there is absolutely no problem in escaping temporarily.

The most terrifying point is that Gong Qianqiu can continue to devour and grow.

The way she gains power is too simple.

It's too easy for her to get stronger.

It is estimated that in one night, she can still be reborn.

This is the most powerful place in Gong Qianqiu.

It's over now.

No one can help her.

When Gong Qianqiu came out of the mountain, it was time for the chaos in the world.

"Do you know what I want to do most now? I just want to fight Levi Garrison! See how far I am from him!"

Gong Qianqiu said expectantly.

"Is this Levi Garrison so strong? You are so strong, and you are still afraid of him?"

The bone master asked in surprise.

"Yeah, I'm still a little afraid of him! According to my estimation, he is still stronger!"

Gong Qianqiu's mind is still the picture of that battle.

The top ten arrogances have pushed the four great town pavilion artifacts to the extreme.

Almost all his strength was exerted, but he was still beaten by Levi Garrison.

He is not afraid of the four sacred artifacts at all.

Therefore, Gong Qianqiu knew that he was still far from Levi Garrison.

"Then he's too scary!"

The Bone Master took a deep breath.

Gong Qianqiu picked up the divine robbery again and said with a smile: "This is his weapon, but it is stronger than the four great artifacts! If the power of this sword is to be exerted enough, it will be enough to destroy the world!"

“But that’s it, this weapon is like a tool in his eyes. How powerful do you think he is?”

Master Bone couldn’t help shivering.

Gong Qianqiu nodded: “So I still need to keep improving before I can fight against it!”

“But now that I’m like this, am I afraid that I won’t be able to catch up with him? I don’t believe it, he’s improving faster than me?”

After Master Bone understood this, he immediately began to laugh.

“That is indeed, your speed of improvement is the first person in history!”

“I don’t ask you anything else, I just ask you to stir up the Zhenmo Division! Leave the Heavenly Medical Supervisor to me, and Yufeng to me!”

The bone master has been very much looking forward to Gong Qianqiu’s stirring of the Zhen Mosi.

“Okay, I’ll go outside to check the situation first!”

The people arranged by Gong Qianqiu immediately gathered to explain the situation to her.

Gong Qianqiu smiled after knowing that the Gods and Heavenly Supervisors were staring at the Tianshi Mansion.

It seems to really work.

Diverted everyone’s attention.

Make sure she’s done with the root bone graft now.

Now, she is not afraid of anyone.

Without meeting Levi Garrison and Zhenmo Si Tiansi, no one can really help her...

“By the way, put the blame on the four major town hall artifacts to the Tianshifu!”

Gong Qianqiu ordered.

“clear!”

Now the four town hall artifacts have become scrap iron.

If anyone finds out, it must be believed that Tianshifu has sucked out the essence inside.

“Wait a minute, you guys can use some tricks to let Tianshifu find the people of the Shentianjian. It’s best to let the two sides fight, and then intensify the contradiction first!”

Gong Qianqiu asked again.

Next, Gong Qianqiu will go to the West Pavilion.

After all, she had disappeared for several days.

What’s more, she wants to ask Chu Wu and others how they are doing.

The important thing is to know through Xiao Feng what Levi Garrison is doing now...

Are you also investigating the Tianshi Mansion?

Levi Garrison has been eyeing Chu Wu for several days.

There is a lot of general information.

Now it has been determined that Chu Wu is a member of this force.

And just now Levi Garrison made a major discovery.

Xiao Feng actually knew Chu Wu...

At that time, at the time of Tenjinji.

Xiao Feng had dealt with Chu Wu.

Of course it was because of Gong Qianqiu.

Chu Wu came to the outside world as a representative of the West Pavilion at that time.

Last time Xiao Feng said that he bragged about leaking his whereabouts so that others could hear.

Now Levi Garrison has a look.

Sure enough, this message was spread in the town magic department, and it had an inseparable relationship with Chu Wu.

Although the Town Demon Division has checked who spread this information, they are headless flies, looking everywhere.

Levi Garrison is now a clear target, and then finds it, so it is easy to find.

It's all right.

Levi Garrison also sent a message to Xiao Feng, asking him about Chu Wu.

This frightened him quite a bit.

I never thought that Master went directly to the West Pavilion to check, and even stared at Chu Wu.

Chu Wu's identity, he knew.

Closely related to Gong Qianqiu.

At first, he treated Chu Wu as a rival in love.

After all, Chu Wu's strength and identity matched Gong Qianqiu's.

Oneself is far from enough.

But later he found out that Gong Qianqiu didn't like Chu Wu.

This reassured him.

However, the master is now investigating Chu Wu, will he find Qianqiu's head?

Xiao Feng began to panic.

However, he still told Levi Garrison everything he knew.

He is now praying not to find Gong Qianqiu.

Although this matter has nothing to do with Gong Qianqiu.

But once Chu Wu's words are found, Gong Qianqiu may be exposed.

So everyone will treat Gong Qianqiu as an enemy!

After Gong Qianqiu came out of the corpse pit, he soon discovered a phenomenon.

When Shen Tianjian tried his best to inquire about Tianshi Mansion, Levi Garrison didn't have any information.

Just let the people from the North Pavilion go to check.

He doesn't seem to know where to go...

This is a problem.

correct!

Levi Garrison got the information passively, while Shen Tianjian actively found the information.

This is fundamentally different.

Levi Garrison must be suspicious.

It is even good to judge that this is a smoke bomb, used to divert attention.

With Levi Garrison's wisdom, how could he not find the problem?

Even if he found it himself, he might be suspicious.

Now it's just that he deliberately leaked it to the North Pavilion Intelligence Team, Levi Garrison will never believe this information!

It's a bad thing!

What if Levi Garrison really finds out.

That would be a big trouble.

I still don't have the ability to deal with him for the time being!

Although she is not so afraid of Levi Garrison now.

But for the time being, it is better not to have direct contact.

It's better to hide your identity and be a nobody, without any pressure.

It would be uncomfortable to be stared at by Levi Garrison all the time.

It will limit your development to a great extent.

"Let's ask Xiao Feng what's going on first!"

Gong Qianqiu then contacted Chu Wu in a secret way, telling him that he did not need to contact Xiao Feng for the time being, or even other people, and asked him to gather at a secret location.

She's already out.

Don't give the whole series to the two of them.

What Gong Qianqiu didn't know was that Chu Wu had been stared at by Levi Garrison.

Although she contacted Chu Wu by secret means.

But this happened to be discovered by Levi Garrison.

I immediately knew that someone outside contacted Chu Wu.

Sure enough, after Chu Wu got the message, he immediately put down everything at hand.

He actually left his residence and went to the secret base.

This is what has been exposed.

Chu Wu is definitely going to find the person behind it.

"Let me see who is the big fish behind..."

Levi Garrison was happy.

There was indeed a major discovery.

Chu Wu quickly left the West Pavilion.

Be careful along the way, repeatedly confirming that you have not been found.

But how could he find Levi Garrison?

Don't say it's him.

Even if the Hungry Palace Qianqiu is being targeted by Levi Garrison at this moment, he will not be able to find it.

After leaving the West Pavilion, Chu Wu immediately went to the secret location.

"This time, let me see how you can run?"

Levi Garrison smiled.

the other side.

Gong Qianqiu hurriedly found Xiao Feng.

Xiao Feng said dissatisfiedly: "Didn't you say we don't want to meet for the time being? You have to take such a big risk? If someone finds out, it will be troublesome!"

"That is, the master is not there. If the master is there, I have come out like this and have been discovered."

Xiao Feng is really anxious.

After all, Levi Garrison just asked him about Chu Wu.

This easily exposed Gong Qianqiu.

Now that Gong Qianqiu came to him, it was simply too dangerous.

Gong Qianqiu looked resentful: "I know the danger, but I miss you! I can't see you for a day now, and I can't sleep..."

As soon as Gong Qianqiu said these words, Xiao Feng instantly disintegrated.

"I'm sorry! I'm blaming you! But I want to see you too, all the time!"

Xiao Feng embraced Gong Qianqiu in his arms.

Gong Qianqiu's body trembled, apparently not expecting Xiao Feng to act like this.

She must be very upset inside.

What qualifications does a little Xiao Feng have to hug her?

Bad luck died.

Gong Qianqiu was extremely disgusted, even disgusting.

She can't wait to pat Xiao Feng into mud on the spot!

But have to endure.

Wait!

When I don't need you, I'll chop your dirty hands into mashed meat!

Gong Qianqiu's eyes flashed with ruthlessness.

This made Xiao Feng feel fear.

"Ah? What's wrong?"

Gong Qianqiu realized something and asked quickly.

"It's okay!"

Gong Qianqiu said deliberately: "By the way, I heard that the Zhenmo Division has found out that force, which is the Tianshifu! They have found a lot of evidence, and the three saints in the north pavilion were killed by the Tianshifu!"

Xiao Feng nodded: "Yes, I also heard the message. But..."

"but what?"

Gong Qianqiu looked at him curiously.

"Master doesn't believe it! He thinks that this is a smoke bomb released by the other party, attracting our attention! Someone is deliberately revealing information to him! And the Suppressing Demon Sishen Tianjian is the clue he found, so he believes it."

Xiao Feng explained.

Gong Qianqiu pursed his lips, as expected.

He knew that this trick could not be concealed from Levi Garrison.

Very dangerous.

Fortunately, the root bone transplant was successful.

If Levi Garrison finds it, it will be troublesome.

Still too anxious, there is no deployment.

Just trying to get attention.

Levi Garrison can be underestimated.

It didn't attract people's attention at all.

"Then master didn't go to investigate Tianshifu, what did he go after?"

Gong Qianqiu couldn't help asking.

Xiao Feng thought about it and said, "In addition, Master seems to have made a major discovery. When everyone was looking for Tianshifu, he kept staring at the West Pavilion!"

When Xiao Feng said this, Gong Qianqiu almost jumped up.

Five thunders hit the top!

a bolt from the blue!

She was completely bombarded!

this this this...

This is too scary, right?

West Court?

Has the goal been narrowed down to this point?

So shocking!

Gong Qianqiu almost had his eyeballs flying out.

Levi Garrison continued to stare at Zhen Mosi, she guessed it.

But she never thought that Levi Garrison was directly eyeing the West Pavilion.

Are you revealing yourself so thoroughly?

when?

"Huh? No! Was it the last time?"

Gong Qianqiu suddenly remembered that the last time he got rid of those who were in contact with the eternal kingdom.

She did it all by herself, and finally escaped into the West Pavilion.

It should have been analyzed by Levi Garrison that he was in the West Pavilion at that time.

Why!

He still underestimated Levi Garrison.

It can be said to be full of flaws!

Levi Garrison is too powerful.

After all, the location she chose at that time was the place closest to the West Pavilion and the easiest place for her to hide.

If she had left a trace in the West Pavilion at that time, Levi Garrison might not have doubted it.

But she didn't have any clues or traces left.

Just because it's so perfect.

So let Levi Garrison identify on the spot that he is from the West Pavilion.

After all, only people in the West Pavilion can be so familiar with the West Pavilion, and can disappear in the West Pavilion perfectly without leaving any traces.

Just because it is too perfect, it is exposed.

Let Levi Garrison decide that he is from the West Pavilion.

Otherwise it can't be done.

Gong Qianqiu slapped his forehead.

Never thought that the perfection of hiding would be revealed instead?

No wonder Levi Garrison will be watching.

If she is Levi Garrison.

She will also be eyeing the West Pavilion.

Xiao Feng didn't care too much about Gong Qianqiu's surprised expression.

After all, Gong Qianqiu belongs to the West Pavilion.

Now that something happened to the West Pavilion, she would definitely be surprised!

"West Pavilion? It's incredible! I never thought it was from the West Pavilion! How could such a person exist in my West Pavilion?"

Gong Qianqiu pretended to be surprised.

A look of disbelief.

It seems that this kind of thing happened in the West Pavilion, which made Gong Qianqiu heartbroken.

"If you let me know who it is, I will never forgive him!"

Gong Qianqiu roared angrily.

Xiao Feng also sighed: "I didn't even think it was Xige! This has a great impact on you, I'm afraid you will be exposed...hey..."

Xiao Feng's appearance made Gong Qianqiu very scared.

Could it be that you have left something behind?

"Ah? Xiao Feng, make it clear, why did I expose it? What happened to Master in the West Pavilion?"

Gong Qianqiu panicked immediately.

Could it be that Levi Garrison has really found himself.

But no.

If he was really exposed, Xiao Feng would definitely not be like this.

But in the end what step?

Xiao Feng would say so!

Gong Qianqiu is anxious.

Xiao Feng looked at Gong Qianqiu and said helplessly: "Master just contacted me, and he actually asked me about Chu Wu!"

The words are not astonishing and she will die endlessly. As soon as these words come out, she is really going crazy.

"what???"

"Chu Wu? Him?"

After Gong Qianqiu heard the name, his eyes flew out.

She was about to break apart.

Chu Wu?

Levi Garrison is eyeing Chu Wu?

This is almost equivalent to staring at herself!

Levi Garrison is too powerful, right?

What's the difference between exposing yourself and exposing yourself?

Xiao Feng is right, he is really going to be exposed.

However, what Xiao Feng said was exposure, because he was afraid of Chu Wu's side and involved himself, so that Levi Garrison and the others knew the existence of his character.

But once it's really exposed, it's not that simple.

This is really going to be revealed.

Something is wrong!

that's not good!

Levi Garrison is too powerful, right?

Sure enough, it would be no good if he stared at the West Pavilion.

After so many days, Chu Wu was discovered by him?

This is too scary.

In fact, Gong Qianqiu is not organized.

Everything is controlled and managed by herself, and it is not a force at all.

It can even be said that Gong Qianqiu has no accomplices at all.

If you have to count, Chu Wu is the only one.

Chu Wu is like her eyes, a real capable man.

But now Chu Wu was being targeted.

It's too dangerous!

The key point is that Chu Wu knows most of his secrets. During this time, he has been contacting people he controls.

If Chu Wu was caught.

Absolutely expose yourself.

What's more, the person to be traced is Levi Garrison.

He will never let himself go.

In an instant, Gong Qianqiu's body began to tremble.

I was in a cold sweat.

His face was pale, and the blood disappeared at a speed visible to the naked eye.

She had never been so frightened at this moment.

Even if her current strength is already against the sky.

But at this moment, she was really scared to death.

Originally, there was a deep fear of Levi Garrison.

Now that Levi Garrison was about to find her, how could he not be afraid.

Levi Garrison was her only nightmare.

The one she fears the most.

Now that Levi Garrison is staring at Chu Wu, she is about to cry.

It was so scary.

Seeing Gong Qianqiu shivering, Xiao Feng thought she was afraid that because of Chu Wu, she would be involved and be mistaken by the master as an enemy.
