

The Return of the God of War [The Protector] Chapter 3631

[/ The Return of the God of War \[The Protector\]](#)

If Chu Wu knew before that he was being targeted.

Possibly committed suicide.

He would never come to this secret location to expose such an important place.

This is definitely problematic.

It must be after Chu Wu came here that he realized that he was being targeted.

Levi Garrison was annoyed that he was a step late, otherwise, Chu Wu could be stopped.

Mainly, he thought that someone else would come here and join Chu Wu.

In fact, Gong Qianqiu was originally going to come here to join Chu Wu.

Levi Garrison's guess was right, and so was squatting.

just found out.

"Boom!"

Levi Garrison's face changed drastically.

Chu Wu definitely didn't discover it himself!

Someone told him!

Someone else knew that they were eyeing Chu Wu, and already knew that they had come to a secret location.

But how is this possible?

He followed, and judging from his strength, absolutely no one found it.

Whether it's the Town Demon Division or the Eternal Kingdom, there is absolutely no way to find such a person.

If the opposing forces really exist like this.

Why hide and hide?

Just show up.

Judging from a series of measures such as destroying evidence, it is obvious that I am still afraid of myself.

Ming didn't dare to come, only to be overcast.

But how did they find out about themselves?

impossible!

Absolutely no one can find out if you track it yourself!

Levi Garrison felt the energy fluctuations carefully, and there was no one around.

Definitely not someone who found himself.

Then only his whereabouts can be revealed...

But they don't even know Zoey Lopez's whereabouts.

I can't even say it myself!

correct!

Xiao Feng!

I asked Xiao Feng about Chu Wu not long ago!

Then only Xiao Feng knew about his staring at Chu Wu.

Could it be that Xiao Feng heard that he mentioned Chu Wu and went to the West Pavilion to check on Chu Wu and these people?

That's how it was exposed.

Because of his trust in his own people, Levi Garrison's first thought was this.

Instead of thinking badly!

In Levi Garrison's mind, Xiao Feng definitely didn't reveal it himself.

There must be other reasons.

But it's useless now.

Chu Wu is dead.

Everyone else in this secret location is dead.

There is no evidence of any kind.

Levi Garrison can only try to find a little evidence in this location.

Disappointed!

Levi Garrison searched for a long time, but found nothing.

All were destroyed by Chu Wu.

Nothing is left.

After all, he was still a step too late.

"Ok?"

Suddenly, Levi Garrison thought of something and looked puzzled.

its not right!

Did Chu Wu commit suicide?

What kind of power is this?

Can Chu Wu commit suicide willingly?

Chu Wu's strength is not low, and his identity is not low.

Did you choose to commit suicide just knowing that you were staring at it?

All evidence was also destroyed.

Then commit suicide!

Is this discipline too strict?

This organization cultivates a group of dead men!

This is terrifying!

This force is more terrifying than imagined.

However, he was more certain that the leader of this force was definitely Xi Ge.

Just follow Chu Wu everywhere and you can find it.

And those people that Chu Wu contacted during this time, Levi Garrison also has a lot of knowledge.

Maybe get some evidence from them.

However, after a preliminary analysis by Levi Garrison, all the attributes of this group of people are disorganized.

For the time being, Levi Garrison couldn't find any unifying point.

Although Chu Wu died.

But Levi Garrison still laughed.

He must be getting closer to the truth.

This force is not far from being discovered.

West Pavilion, you can't escape!

the other side.

Gong Qianqiu secretly rejoiced that he escaped.

Almost.

It was discovered by Levi Garrison.

wheeeeeeeeeeeeeee...

She lay on the ground, gasping for breath.

It was just too dangerous!

Almost!

It was discovered by Levi Garrison!

In fact, when she told Chu Wu, it was a step too late.

Fortunately, she knew that Levi Garrison must be standing by and waiting for her to go.

It just happened to use this time to let Chu Wu destroy all the evidence.

She also worried that if Chu Wu didn't die, it would be troublesome.

The period of time just now was the most struggling and painful time in her life.

I never thought that I would be so strong.

Also be afraid of Levi Garrison.

But there is no way.

He is strong.

I don't have any way to do it for now!

She looked at the sky and felt like she was after a catastrophe!

This time, he was out of danger and escaped from Levi Garrison.

But what about next time?

Can you escape by yourself?

It will be exposed sooner or later.

All you have to do now is to make yourself stronger.

As long as you are at the same level as Levi Garrison, you will not be afraid!

Ok?

wrong!

Xiao Feng!!

Something is going to happen!

After Levi Garrison knew that Chu Wu destroyed everything, he could quickly analyze that it was Xiao Feng who leaked his whereabouts.

Then he is bound to find Xiao Feng.

Now Levi Garrison has become suspicious.

If Xiao Feng did not explain well, he might be exposed.

After all, Levi Garrison is too powerful.

If Xiao Feng was a little nervous, it would be exposed.

cannot!

I almost forgot about this.

Hurry up!

Gong Qianqiu was thinking of remedies immediately...

the other side.

The Shen Tianjian conducted a careful internal investigation of the Tianshi Mansion.

But there was a major discovery.

I actually found the four great artifacts in the Tianshi Mansion...

This made the Shen Tianjian a sensation.

When the four artifacts of the town pavilion were placed in front of Dugu Tuo and others.

This pissed them off.

In fact, the five town pavilion artifacts used to be the five treasures of the town magic division.

Controlled by the gods.

It is the symbol of the town magician.

Now the four town hall artifacts have become scrap iron...

How can they not be angry?

Exploded!

"What's going on? What's going on here? Someone give me a reasonable explanation!"

Dugu Tuo almost roared and asked.

It made him so angry.

The four town hall artifacts were found, but the result was unprecedented disappointment.

Shame even!

This time everyone was frightened, all stood there without saying a word.

"I guess it should be that the Celestial Masters of the Celestial Master's Mansion absorbed all the energy contained in the four town pavilion artifacts in order to temper the instruments!"

"If the energy of the four town hall artifacts is injected into one magic weapon, it will be invincible!"

The ancestors of the East Pavilion specially learned about the Tianshifu.

"Yes! The Heavenly Thunder Law of Tianshifu requires a powerful magic weapon to provoke the thunder! The energy of the four town pavilion artifacts just meets the needs of the magic weapon!"

...

Everyone analyzes.

Now it is determined how the four town pavilion artifacts are missing.

"If Dugu Tiansi had said it before, it would be true or false. But now that the four artifacts of the town pavilion are like this, it means that it is the ghost of Tianshifu!"

"Well, for sure, this force is Tianshifu!"

"Tianshifu dares to move my Demon Suppression Division, courting death!"

...

The crowd was outraged.

This time, even Dugu Tuo didn't speak.

Because it really is.

Now it is definitely the Tianshi Mansion.

After all, the real evidence has been found.

"As for the corpses of the top ten geniuses, we haven't found them yet!"

"The intention of Tianshifu to move our top ten talents can also be imagined! It must be to cut off the future of our town magic division!"

"Since they are going to target our Demon Suppression Division, they must be all-round!"

...

“Damn it, Tianshi Mansion! We will definitely tear you apart!”

...

Soon, the news of finding the four artifacts in the Tianshi Mansion spread.

Many high-level officials of the Town Demon Division knew about it.

the other side.

After Levi Garrison tracked down Chu Wu to no avail, he returned to the base camp.

Just happened to meet Xiao Feng who was flustered.

“Xiao Feng, stop! I want to ask you a few words!”

Levi Garrison said coldly.

His eyes were like fire, as if to penetrate Xiao Feng.

Panic!

Extremely panic!

Because Xiao Feng already knew what was going on from Gong Qianqiu, he was afraid that Levi Garrison would find him.

Now he wants to come back and hide for a while.

Without thinking that there was no time to calm down, I ran into Master head-on.

Too bad.

Xiao Feng was going to be nervous.

This is the most stressful time ever.

Especially when he came into contact with Levi Garrison's eyes, Xiao Feng seemed to be seen through.

I feel that all my secrets are in plain sight in front of Levi Garrison!

Levi Garrison was about to speak, but Xiao Feng spoke first.

"Ah? Master, I just happened to be looking for you!"

Seeing Levi Garrison, Xiao Feng gasped heavily.

Xiao Feng's move is mainly against customers.

It was true that Levi Garrison had no idea.

Didn't you find him by yourself?

Why did he find me?

"What is the matter?"

Levi Garrison asked in surprise.

Advertisement

"Master, I just found out important information... I found the four artifacts of the town pavilion, and they are in the Tianshifu!"

"But all the energy contained in the four town pavilion artifacts has been absorbed, and now it's just a pile of scrap iron!"

"The Suppressing Demon Division has been confirmed, and this force is the Tianshifu! Master, you should have checked it wrong!"

“But there is a real problem with Chu Wu. I specifically checked Chu Wu. He is likely to be a spy from the Tianshi Mansion! During this time, the Demon Suppression Division has discovered a lot of inner spy, and many died!”

...

Xiao Feng said excitedly.

These are what Gong Qianqiu taught Xiao Feng just now.

She knew that Levi Garrison would definitely ask Xiao Feng, which could not be avoided.

Especially no matter what Xiao Feng said, Levi Garrison would be suspicious.

It is also easy to reveal flaws.

This time Chu Wu’s information was leaked by Xiao Feng, which is beyond doubt.

It’s useless to explain!

The key point is that this information leaked, and the time interval between Chu Wu’s death was too short.

This is obviously related to Xiao Feng.

If Xiao Feng was not Levi Garrison’s apprentice, Levi Garrison would face each other directly.

That is to say, Levi Garrison still believes in Xiao Feng, otherwise it will be over.

But it also depends on Xiao Feng, if any flaws are revealed, it will be troublesome.

Therefore, in this extreme situation, Gong Qianqiu thought of a trick.

Anti-customer main!

Does Levi Garrison want to ask Xiao Feng how Chu Wu’s whereabouts were leaked?

But I don’t need you to ask, I just say it.

In addition, it happened that the magician of the town discovered the inner response and the four artifacts of the town pavilion.

Let Xiao Feng say it logically!

In this way, Levi Garrison is likely to believe it.

Even if he has doubts in his heart, this is his own apprentice, and he can't do anything about it.

I have to say that Gong Qianqiu knows Levi Garrison's small team.

Know that they trust each other immensely.

That's why she came up with this method.

Due to the urgency of the situation, there is no time.

Gong Qianqiu did not have any information to explain to Xiao Feng why Chu Wu was killed.

In fact, Xiao Feng was a little suspicious, but the situation was urgent, so his first thought was to stabilize Levi Garrison first.

"what?"

After Levi Garrison heard it, his face was full of surprise: "Did you go to investigate Chu Wu?"

Xiao Feng nodded: "Yes, Master, you said there was something wrong with this kid, I immediately went to check! Sure enough, it turned out to be the inner responder of the Tianshifu! It's not a good thing! At first, he called me a brother and a brother!"

Looking at Xiao Feng's very determined look, it doesn't look like he is acting.

And what he found was quite reasonable.

The witnesses are all there.

It was just that Chu Wu was judged to be the inner responder of the Tianshi Mansion.

Ok?

But Levi Garrison frowned, feeling that something was wrong.

It seems that Xiao Feng's set of rhetoric was specially prepared for himself, specifically to explain the leak of his staring at Chu Wu!

It's all too coincidental.

The key point is that the rhetoric and evidence before and after this are just right.

It also made Levi Garrison feel that something was wrong.

The Return of the God of War [The Protector] Chapter 3634

[/ The Return of the God of War \[The Protector\]](#)

If something is wrong, there is only one possibility – that Xiao Feng is lying!!!

Everything was leaked out by him, at least he knew the situation and had been colluding with that force.

This can be huge.

However, it is impossible here in Levi Garrison!

Because he unconditionally believes in Xiao Feng!

Even if he felt something was wrong, he would never doubt Xiao Feng.

Advertisement

This is his most important apprentice, what reason does he have to doubt!

So he acquiesced.

no doubt!

The information that he was following Chu Wu was leaked by Xiao Feng.

Advertisement

But it was only leaked when Xiao Feng went to investigate Chu Wu...

Then it's all right.

As long as it is not a third-party force that directly finds itself tracking it.

Xiao Feng will be more careful next time.

"Xiao Feng, don't be reckless when you investigate anything in the future! Follow my arrangements, don't reveal anything about me and whereabouts, understand?"

Levi Garrison instructed.

Xiao Feng nodded: "Master, I understand! Next time I do something, I will ask you for instructions!"

"By the way, what are you calling me, Master?"

Xiao Feng asked again.

Advertisement

"Oh, it's okay, Chu Wu is dead, you already know it, there's no need!"

Xiao Feng took the initiative to say everything Levi Garrison wanted to ask.

What more can he say?

"Okay, Master, I'll leave first!"

Xiao Feng left immediately.

Although Levi Garrison's doubts were dispelled.

But he was terrified just now, and the whole person was holding on.

It's almost unbearable now.

Looking at the back of Xiao Feng's departure, Levi Garrison was thinking about one thing – do you want to send someone to follow him?

See if he's lying?

Or to see in the end he mingled with those people.

But after thinking about it, Levi Garrison still thinks it's okay.

You shouldn't be so suspicious of your apprentice!

If he really made a mistake.

Levi Garrison believed that he would definitely admit his mistake to himself.

But what he did not expect was that Xiao Feng had changed.

No longer the Xiao Feng of the past.

Levi Garrison smiled.

"The other party has escaped perfectly these times because they know what I'm doing!"

"If I go about my whereabouts and what I do next, I won't tell anyone, only I know! I want to see how you escape?"

Levi Garrison immediately had an idea.

In the future, his whereabouts will never be told to Xiao Feng and others.

See how the other party knows?

But today's God Tianjian has long been confused.

This is just a piece of evidence thrown out by the other party.

Not what they found.

Levi Garrison felt that he had to go to the Tianshifu.

explain the situation to them...

When will the other party act?

Just strangle to death!

Then this force will naturally reveal its true colors!

After making sure to get rid of Levi Garrison, Xiao Feng immediately lay on the ground.

The whole person was sweating profusely, like being drenched in a heavy rain.

“Whoosh, whoosh...”

The whole person was breathing heavily.

Just now, he seemed calm, but he was actually holding on.

If there is a little more time, he will definitely not be able to hold on.

After all, he was lying just now.

He didn't even go to investigate Chu Wu!

He didn't even know that Chu Wu was a spy from the Tianshi Mansion.

All this was taught to him by Gong Qianqiu.

In order to protect Gong Qianqiu, he lied in front of his master.

This is the third lie, right?

But finally the master believed it.

Otherwise, it will be troublesome.

He really hoped that Gong Qianqiu could be in harmony with Master and the others, and the two sides had already started fighting without meeting.

But the problem now is that after he told Gong Qianqiu that the master was staring at Chu Wu, Gong Qianqiu left in a hurry.

Then Chu Wu died.

This information is only revealed by him.

No one else's.

That shows that Chu Wu's death is inseparable from Gong Qianqiu.

Just now I was thinking about how to deal with Levi Garrison, and didn't think much about it.

But it's different now.

The Return of the God of War [The Protector] Chapter 3635

[/ The Return of the God of War \[The Protector\]](#)

He began to doubt Gong Qianqiu.

This information must have been leaked by Gong Qianqiu.

Because the master stared at Chu Wu, Chu Wu died.

This is too coincidental.

Now he can't tell whether Gong Qianqiu and Chu Wu are in the same group, or whether Gong Qianqiu leaked it out inadvertently.

Tangled ah!

Advertisement

Although he definitely believed in Gong Qianqiu, and swore that he would never doubt Gong Qianqiu again.

but.....

Now the facts are in sight.

What can he do?

Advertisement

No matter how much he likes Gong Qianqiu, the facts are in front of him.

He must be suspicious, right?

If Gong Qianqiu couldn't give a reasonable explanation, he would definitely doubt it.

But how smart is Gong Qianqiu?

How could she not know Xiao Feng's thoughts?

How can there be no plans for the next step?

Soon, Gong Qianqiu contacted Xiao Feng.

"Xiao Feng is in a bad situation... I have an accident here..."

After receiving this message, Xiao Feng's face changed greatly.

Advertisement

"Ah? Qianqiu, what's wrong with you? What happened?"

Xiao Feng was about to explode.

"Didn't you tell my master to stare at Senior Brother Chu Wu? I came here to check the situation, and then told my master Gong Wenqian!"

"My senior brother Chu Wu is dead! Everything belongs to my master Gong Wenqian! I found out that she is with Chu Wu! They are the inner responders of the Tianshi Mansion!"

"Now she knows that I have discovered her identity, and she is going to kill me! I am injured, you are about to save me..."

...

As soon as he heard this news, Xiao Feng forgot all doubts.

There is only one belief – Gong Qianqiu must be saved.

"Huh? Do you want to inform Master?"

Xiao Feng muttered to himself.

He was afraid that if he went alone, he might not be an opponent.

But tell the master that Gong Qianqiu will definitely be exposed.

This is a big problem.

After weighing it again and again.

Xiao Feng decided to go alone.

Because of the practice of Levilia's exercises in the past few days, my strength has improved rapidly, and I still have a certain degree of confidence.

After getting the location, Xiao Feng immediately went.

Not far from the West Pavilion.

Gong Wenqian and her seven or eight apprentices all stared at the opposite Gong Qianqiu.

It turned out that Gong Qianqiu explained this matter to Xiao Feng clearly.

He directly revealed his identity to his master Gong Wenqian.

"Gong Qianqiu, ah Gong Qianqiu! I really didn't think it was you! It took me so many years to cultivate you? You actually betrayed me?"

Gong Wenqian said coldly.

The other seven or eight apprentices also scolded Gong Qianqiu in various ways, scolding her for shame.

"Take down what she's talking about first!"

Gong Wenqian gave an order.

Seven or eight apprentices immediately rushed to Gong Qianqiu.

But what is the strength of Gong Qianqiu today?

Not to mention the ancestors of the West Pavilion, even Dugu Tuo of Shentianjian was no match.

"puff!"

"puff!"

"puff!"

...

Soon these seven or eight people died tragically at the feet of Gong Qianqiu.

In Gong Qianqiu's eyes, they are just like ants.

There is no combat power at all!

Gong Wenqian looked unbelievable: "You... When did you have this strength?"

Gong Qianqiu smiled: "I just devoured the top ten talents, the power of the three saints in the North Pavilion, and the energy of the four town pavilions!"

"It's you! It turned out to be the Tianshi Mansion you framed!"

Gong Wenqian now understands everything.

"Those people are willing to die for you? You vixen!"

"You did everything! Shameless! You are the real traitor of the Town Demon Division!"

Gong Wenqian knew how her apprentice seduced men.

Even her husband was almost seduced by Gong Qianqiu.

Now that I think about it, everything works.

There is no inner response at all.

All died for Gong Qianqiu.

What Gong Wenqian didn't understand was that Gong Qianqiu began to smear the blood of several dead people on herself, not knowing what to do.
