

The Return of the God of War [The Protector] Chapter 3636

"You are..."

Gong Wenqian's face was full of disbelief.

What is Gong Qianqiu going to do?

Gong Qianqiu ignored her, just wiped the blood carefully and pretended to be seriously injured.

"Gong Qianqiu, what tricks are you going to play, a fox?"

Gong Wenqian was a little scared.

After all, Gong Qianqiu is too powerful now.

She didn't dare to confront him at all.

While staring at Gong Qianqiu, Gong Wenqian wanted to escape.

Then tell all the things that Gong Qianqiu is the black hand behind the scenes, and even tell Levi Garrison.

"run!"

Gong Wenqian's heart fluttered, and she was about to run away.

But when she tried hard, she found that she couldn't move at all.

The legs seemed to be locked in the ground, and if they wanted to move, they had to have the strength to lift the ground up.

As for his body, the strength of a hundred thousand mountains was crushed, and his whole body was about to collapse.

She couldn't move at all.

She couldn't even make a sound, but her throat was squirming, but there was no sound.

She was completely controlled by Gong Qianqiu.

"boom....."

The next moment, a powerful suction hit, sucking her little by little in front of Gong Qianqiu.

Seeing Gong Qianqiu getting closer, Gong Wenqian panicked.

But approaching involuntarily, she had no choice.

Soon, Gong Wenqian came to Gong Qianqiu.

"puff!"

Gong Qianqiu exerted a little strength, Gong Wenqian vomited blood, and there were several bloodstains on her body, it seemed that she had gone through a battle.

However, Gong Wenqian was still under her control.

Gong Wenqian is very curious, Gong Qianqiu can kill him directly, why should he do this?

Soon, Gong Qianqiu looked pale, bloodless, and seriously injured.

Gong Wenqian seemed to understand a little.

Who is she going to show?

"boom!"

Suddenly, Gong Qianqiu fell to the ground.

Gong Wenqian, on the other hand, was being controlled, her body was slowly facing down, and she was holding a sword in her hand, about to pierce Gong Qianqiu...

If anyone else looks here.

This picture is that Gong Wenqian is about to kill Gong Qianqiu.

Just one step away, Gong Qianqiu's neck was pierced.

this.....

Gong Wenqian had realized her intentions, but she had no choice.

He couldn't move his body at all, and he couldn't speak.

Who is she going to act for?

At this moment, Xiao Feng arrived.

In the distance, I can see the corpses in one place, Gong Qianqiu who was pinned to the ground, and Gong Wenqian who is about to pierce Gong Qianqiu!

"Xiao Feng save me..."

Gong Qianqiu pretended to be struggling to survive.

But it is not Gong Wenqian's opponent at all, and Gong Wenqian's sword is about to pierce.

Save Gong Qianqiu!!

At this moment, Xiao Feng was completely furious.

There was only one thought in mind to save Gong Qianqiu.

"boom!"

Because of the recent increase in strength, Xiao Feng appeared behind Gong Wenqian in an instant.

Suddenly, it seemed that all the elements in this area were used by him and gathered on him.

"boom!"

He riveted hard, and slapped it with a terrible palm.

“Chuck...”

“puff!”

In an instant, Gong Wenqian was photographed to pieces, bursting into a cloud of blood on the spot!

“Huh? Levilia’s cultivation technique...”

A trace of surprise flashed in Gong Qianqiu’s eyes.

Logically speaking, Xiao Feng would not practice Levilia Gongfa again?

Why is he practicing now?

Much stronger than before.

“Qianqiu!”

Xiao Feng looked at Gong Qianqiu distressedly.

She was covered in blood, her face was pale, and her clothes were ragged, obviously seriously injured.

If you are one step late.

That’s trouble.

So glad.

Just arrived!

And his strength has improved a lot recently.

Otherwise, Gong Wenqian couldn’t really be killed.

Gong Qianqiu looked at him gratefully: “Xiao Feng, if there is no you today, I will die!”

“Don’t worry, Qianqiu, I will do my best to protect you for the rest of my life!”

Xiao Feng assured.

The Return of the God of War [The Protector] Chapter 3637

Now that he has practiced Levilia's exercises, coupled with Xiao Feng's high comprehension, his strength has improved rapidly.

more and more confident.

"Are you all right? It hurts like this..."

Seeing Gong Qianqiu covered in blood, Xiao Feng was heartbroken.

He blamed himself very much, if he had come earlier.

Gong Qianqiu would not suffer such a serious injury.

"No, Xiao Feng, you came just right! If you had come earlier, if we fought head-on, we would not be my master's opponent together! The moment she killed me just now, she revealed her back to you... .."

Miya Chiaki said.

Xiao Feng didn't even think of this.

Have you seized the best time?

Ha ha.....

Xiao Feng smiled.

But he knew that this good time was all arranged by Gong Qianqiu.

In her plan, Xiao Feng personally killed Gong Wenqian!

This will wash away all the suspects.

"Qianqiu, shall I take you to get medical treatment?"

Xiao Feng was worried about Gong Qianqiu's injury.

Gong Qianqiu shook his head: "No, if you take me for treatment, it will be bad for the master to know."

"But Xiao Feng, I'm so sad! The master who raised me since childhood wanted to kill me! I still can't figure it out!"

"I really didn't think that the master was the mastermind behind the scenes and wanted to kill me... I'm in a bad mood right now, it's worse than death..."

...

Gong Qianqiu deliberately showed despair and sadness.

Xiao Feng pursed his lips: "Hey, who would have thought of this? Your master is actually one of the masterminds behind the scenes!"

As soon as Gong Wenqian died, all Xiao Feng's doubts were dispelled.

First, Gong Wenqian is Gong Qianqiu's master, and even the master killed her, this is absolutely true.

If acting, how could Gong Wenqian accompany Gong Qianqiu to act?

The key is also killed by himself.

This is the point.

Gong Qianqiu deliberately designed Xiao Feng to kill Gong Wenqian with his own hands.

Killing it with his own hands, how could he doubt it?

Secondly, there is nothing more convincing than seeing it with his own eyes!

Gong Wenqian is killing Gong Qianqiu, Gong Qianqiu was seriously injured, this is all true.

And then, it's the issue of Gong Wenqian's identity, which just happens to explain Chu Wu's death.

After all, when Gong Qianqiu checked Chu Wu, it was like telling Gong Wenqian their information.

"You better leave quickly. I'll deal with these corpses. We didn't have anything to do, and then arranged for us..."

Gong Qianqiu urged.

"Ah, alright... you pay attention to your body... tell me anything..."

Xiao Feng hesitated.

Gong Qianqiu thought of something again, looked at Xiao Feng and asked, "By the way, you can actually practice Levilia's exercises?"

Xiao Feng replied: "Yeah, I have never touched you before when you practiced madness. But later, Levilia taught my wife and them this technique, so I tried it out, you can practice..."

This shocked Gong Qianqiu.

It's also easy to reveal!

The more you practice, the more you know what the problem is.

In other words, Xiao Feng was completely under his control.

Otherwise, he would have questioned himself.

Gong Qianqiu said in surprise: "There is such a miraculous thing? You have practiced without going into the devil?"

"No! We practiced and nothing happened! I suspect it has something to do with physical fitness! Levilia Gongfa is self-created before the aura recovers, so it is more suitable for ordinary people outside. As for you, you have been immersed in aura. Under the circumstance, practicing this technique naturally feels extremely overbearing..."

Xiao Feng also explained and took the initiative to get rid of the suspicion of Gong Qianqiu.

"That's it! Do you want to try it out with the people from the Town Magic Division, lest you think I'm lying... You still need to prove your innocence!"

Gong Qianqiu asked tentatively.

Xiao Feng immediately shook his head: "No need! I don't doubt you, you can't lie!"
