“Furthermore, this is a unique technique created by Levilia. We can practice it ourselves. How can we pass it on to others?”

“Isn’t that exposed?”

Gong Qianqiu smiled: “That’s good! Just believe me!”

In fact, Xiao Feng didn’t worry about it at all.

But now that he saw Gong Qianqiu so calm, he was even more relieved.

“Go back! But now it seems that the truth will be revealed soon. As soon as everything is resolved, I will go to see Master with you and let Master preside over the wedding for us!”

...

Gong Qianqiu drew a big cake for Xiao Feng, which almost made Xiao Feng jump up with excitement.

Isn’t that what he thought?

Enter the marriage hall with Gong Qianqiu.

So looking forward to this.

But before that, he had to protect Gong Qianqiu.

Don’t let her be exposed in advance.

After Xiao Feng left.

Gong Qianqiu recovered.

Then, the tragic deaths of Gong Wenqian and several others were faked into the illusion that they were killed by the Tianshifu.

With Chu Wu and their deaths, there is a reasonable explanation.

Shen Tianjian also quickly discovered.

They became more and more certain that it was the Tianshi Mansion.

God Tianjian is already planning how to take revenge on Tianshifu...

As for Gong Qianqiu, after going through this big crisis, what she needs most now is to increase her strength crazily.

Otherwise, she will always live in the shadow of Levi Garrison.

Only by getting close to Levi Garrison can you be assured of worry-free.

The way she improves is natural and simple.

Just swallow it.

Find a variety of energy sources.

The next source of energy she looked at was in the Town Magic Division.

It is the source of energy that is controlled by Shentianjian and belongs to the Zhenmo Division.

It is also the treasure of Zhen Mosi!

Has maintained the operation of the town magic division.

Including the five town pavilion artifacts are polished by the source of energy.

In Shentianjian's Town Demon Tower.

Legend has it that many alien powerhouses were suppressed here.

But in fact, this is the place with the strongest connection to the super spiritual veins.

It is the best place to draw spiritual energy.

This energy core can continuously accumulate spiritual energy.

This is Zhen Mosi's trump card.

For example, when the aura is exhausted and the magician can't survive.

You can take out this energy core and use it.

to provide a steady stream of spiritual energy.

Over the years, this core of energy has accumulated energy unknowingly.

Without further ado.

Gong Qianqiu immediately came to the Zhenmo Tower controlled by Shentianjian.

Now, with her strength, she can easily surpass everyone.

Including Dugu Tuo.

Even if she can't win Dugu Tuo, at least she won't lose.

But the truth is that she is stronger.

Come to the town magic tower.

Empty.

After all, this is a forbidden place, and no one dares to come.

But even if someone dares to come, they cannot take away the energy core.

Because the spiritual energy contained in it is too domineering.

No matter how strong a person is, he can't control it.

It requires the cooperation of the top existences of the Digital Suppression Division to use the energy core.

Others, even if they are at the level of the ancestors of Wufang Pavilion, will not be able to withstand the huge spiritual energy and explode.

The huge mechanism inside is working.

There is a red-colored energy core in the center of the organ, which contains the ultimate energy.

As soon as Gong Qianqiu came, he was frightened.

The energy inside is too overbearing.

This is accumulated over the years!

It is absolutely comparable to a medium-sized super spirit vein.

However, Gong Qianqiu is staring at the super spiritual vein below the energy core connection!

“If I forcibly devour the super spiritual veins, I won’t say whether my body can hold it or not. The movement must be too loud, and it will attract the attention of everyone in the Suppression Division, and even Levi Garrison! Don’t devour too much by then, I will be caught killed.”

So Gong Qianqiu decided to devour this energy core first.

Soon, Gong Qianqiu entered the agency.

Because she is too powerful.

So the terrifying energy in the organization is useless to her.

She directly began to devour this energy core.

According to her estimation, Devouring will definitely have the power to fight against Levi Garrison!

Because the town magic tower is isolated from the outside world.

As long as you don't destroy the Demon Tower, there will be no movement outside.

Therefore, Gong Qianqiu's devouring was carried out quietly.

powerful!

Get stronger quickly!

Gong Qianqiu's breath is rising sharply!

Her strength is unimaginable!

Much faster than you can imagine!

And she is still in control, don't cause changes in the world because she is too powerful, and spread everything out as much as possible.

"Clap clap clap..."

Thick clouds covered the entire area of the town, almost pressing down to the ground.

Lightning is raging one after another, and the gods thunder one after another.

There are also terrifying energies forming storms that continue to rage.

Gradually, the clouds turned red, as if dripping blood.

A scene of doomsday.

Everyone in the Town Demon Division has seen this scene!

"What's going on here?"

Everyone couldn't help but look up in the air.

I don't know what to do, but I have a bad premonition.

As if some catastrophe was about to come...

uncomfortable!

Extremely uncomfortable!

Bad omen!

Even Dugu Tuo and the others were a little flustered when they looked at the air.

“What’s the matter? Could it be that someone broke through to a very high realm and caused the world to change?”

Dugu Tuo muttered to himself.

“Or there is a sky-defying level of spiritual roots and bones! Just like when Tiansi appeared before, there was such a terrifying abnormality!”

Others spoke up.

Dugu Tuo and the digital powers of Shen Tianjian are observing and looking for it.

“I can’t confirm the location for the time being...”

“Can’t find where the center point is!”

“But if someone breaks through to this level, there is probably no one who is not his opponent! I feel that Tiansi is not an opponent!”

Just seeing the terrifying scene that shrouded the entire town of Demons, everyone would tremble with fear.

Dugu Tuo had a gloomy face and said nothing.

Yeah, that’s right.

If this is the birth of a master, he is definitely not an opponent...

“Go and find out what’s going on?”

“Especially to see if it has anything to do with the Tianshi Mansion. Their method of Tianlei may lead to such a scene...”

Shentianjian immediately sent a large number of people to check what was going on.

Because crimson shrouded the entire sky above the town magic division.

In addition, the power of terror is fluctuating.

So many people outside can feel it!

“Huh? Not good!”

Levi Garrison also noticed.

He is naturally more aware than others.

And determine the approximate location.

“The Town Demon Division...”

Levi Garrison set off immediately.

Soon to come to the town magic division.

He felt it carefully.

“it’s here.....”

Levi Garrison locked the former site of Zhen Mosi and went straight away!

This is the difference between Levi Garrison and Dugu Tuo!

He could find out where exactly the eruption was coming from.

Inside the town magic tower.

Gong Qianqiu’s devouring speed is also getting faster and faster.

She knew that although she controlled the vision, she couldn’t hide it in the end.

will surely be discovered.

Especially a master like Levi Garrison.

You will definitely notice something unusual.

It is to devour the core of energy before Levi Garrison arrives.

devoured madly...

After a while.

Gong Qianqiu felt that he was reaching his limit.

Originally, she thought that there was no upper limit to swallowing this cultivation technique.

In particular, she has the spirit root spirit bone of the devouring attribute, and I think she has no upper limit!

But now facing this core of energy, when three-quarters of it is absorbed, it can't be swallowed.

It seems that it is the reason why swallowing the spirit root and spirit bone is not in line.

If it is Levilia's native devouring spirit root spirit bone, it can achieve unlimited devouring.

Now even if the devouring spirit bone created by Master Bone is very close, it is still almost.

There is still a limit!

If you swallow too much, you can't stand it.

But just fine.

[/ The Return of the God of War \[The Protector\]](#)

Gong Qianqiu devoured four-fifths of the core of energy.

She stopped.

If it is swallowed again, the speed will slow down, and it will not swallow much.

has reached her limit.

At this moment, Gong Qianqiu felt that he was truly reborn.

The whole person seems to be beyond the limits of human beings.

Be like a true god.

She has a feeling of being in control of the world.

Now with her strength, she can indeed achieve such a situation!

She was completely improved several levels than before.

Advertisement

It may have been just a little bit beyond Dugu Tuo before.

After devouring four-fifths of the core of energy, she strengthened too much.

Now at Dugu Tuo's level, she can completely crush it with one finger.

Dugu Tuo definitely has no chance of a second move.

Can't resist at all.

And before, although Gong Qianqiu was not afraid of everyone in the Demon Suppression Division, if the Demon Suppression Division added up, she was not invincible.

He didn't have the confidence of Levi Garrison at all.

But now she finally felt what Levi Garrison felt.

Ignore the magician at all.

Even if all the powerhouses of Zhenmo Division are added together, she is not afraid.

If it is true, if she is unscrupulous, she can definitely kill all the strong people in the Zhenmo Division!

But certainly not a reckless battle.

How is he better than Levi Garrison now?

Gong Qianqiu felt that he was no less than Levi Garrison now.

But she wasn't quite sure either.

What if it is still inferior to Levi Garrison?

She is now only 70% sure that she can fight Levi Garrison...

But what if it's not an opponent?

This will still happen...

When she is not sure enough, she will not fight Levi Garrison.

Not even to try.

If the temptation fails, Levi Garrison will definitely kill himself.

A powerhouse like Dugu Tuo can be predicted by everyone.

But Levi Garrison's strength is unfathomable, and no one knows what it is.

That's what needs to be tested.

But no one tried it out.

Unless Gong Qianqiu went to test it himself.

But she still dared not...

Unless she devours another super spiritual vein, she will dare to challenge Levi Garrison.

She still feels like it's not enough!

She must have the strongest strength so that she is not afraid of Levi Garrison.

In addition, she naturally won't kill the people in the town of magic, she will only swallow them all!

to increase her strength!

After swallowing, Gong Qianqiu left immediately.

When she came outside, she was still a nobody in the West Pavilion.

It's just that she already has the terrifying power that can destroy Zhen Mosi!

The death of Gong Wenqian and his party had nothing to do with her.

Sure enough, the entire town magic department is in chaos.

The superpowers she looked up to in the past are now frantically looking for what's wrong.

Even Dugu Tuo was checking the situation himself.

Gong Qianqiu hid in the crowd, like a group of unknown people, no one would pay attention.

It's an ant after all!

Gong Qianqiu completely concealed his strength.

No one paid attention to her little bastard.

She smiled immediately.

She would never have thought that this phenomenon that shocked the entire town magic department was actually caused by her.

It's just that no one found out.

Even Dugu Tuo couldn't determine the approximate location!

At this time, Levi Garrison had already arrived at the Town Demon Tower.

He was sure that all the fluctuations just now came from here.

It's just that no one is there now?

what happened?

After he entered the Demon Suppression Tower, he quickly knew the function of this device.

This is used to store spiritual energy.

After all, there is a super spiritual vein connected below.

Seems like someone is drawing a lot of energy directly?

After checking to no avail.

Levi Garrison came out immediately.

He felt that the man had not gone far.

Even nearby.

He appeared directly and aboveboard among the people of the Town Demon Division.

The town magician was in chaos immediately.

No one thought that Levi Garrison would come.

“Among these people...”

Levi Garrison told him intuitively.

He immediately checked...

Levi Garrison's sudden appearance caused chaos in the Zhenmo Division.

No one thought that he would come suddenly.

I don't even know what his purpose is.

Everyone panicked.

If Levi Garrison came to fight directly, it would be a big trouble.

In fact, they are not ready at all!

Advertisement

Levi Garrison is here...

Everyone was overwhelmed.

We are waiting for the battle, and the experts from all sides have come.

Even the bosses of the Shentian Supervisor came one after another.

Advertisement

Everyone stared at Levi Garrison.

A war is imminent.

"Is this Levi Garrison?"

Dugu Tuo also stared at Levi Garrison from a distance.

Too bold.

Too arrogant!

Go directly to the town magic division base camp.

This doesn't take Zhen Mosi seriously at all...

But everyone didn't even dare to breathe, and stared at Levi Garrison with shortness of breath.

No one dared to act rashly until his goal was achieved.

Including Shen Tianjian too.

Before, they boasted all kinds of things and didn't take Levi Garrison seriously.

He also released wild words – if Levi Garrison dared to come, he would definitely be killed on the spot!

But now, when Levi Garrison really appeared in front of them.

Everyone was dumbfounded.

dare not say a word.

The arrogant energy from before was gone.

Not even Dugu Tuo said a word.

All the ancestors and high-level executives looked towards Dugu Tuo and asked for his opinion.

Dugu Tuo said in a low voice, "Let's hold back and see what he does?"

He was also a little nervous.

Although they never put Levi Garrison in their eyes, when Levi Garrison really came.

Everyone was a little apprehensive.

As long as Levi Garrison didn't move, they didn't move.

Therefore, Levi Garrison was surrounded by a dense crowd of Suppressing Demons, and they did not dare to act rashly.

They were all looking at what Levi Garrison was going to do.

It's just that Levi Garrison didn't care what they were thinking at all.

He just wanted to find people out.

Levi Garrison looked around and told him intuitively.

among these people.

Absolutely!

That person is definitely not far away!

It's just a matter of front and back with him.

This person simply doesn't have the time or time to escape.

Must be hidden in the crowd.

Levi Garrison began to rely on intuition to find who was in the dense crowd?

Levi Garrison was looking for someone, which also made everyone very puzzled.

What is he going to do?

However, Levi Garrison's eyes swept over, how dare everyone look at each other.

Invisible coercion struck, and everyone seemed to be seen through their eyes.

Everyone bowed their heads.

Although they are the town magic division.

They are very proud at heart.

In the face of Levi Garrison, he must not be weak in his aura.

Look straight at him!

Even overwhelm him!

But when Levi Garrison's eyes swept over, everyone didn't dare, and all bowed their heads.

No one dared to look at Levi Garrison's sharp eyes.

Even the high-level officials of Shentianjian did not dare to look at Levi Garrison's eyes.

horrible!

It can penetrate their souls at a glance!

Even Dugu Tuo seemed a little afraid to meet Levi Garrison's eyes.

Seeing that everyone around them lowered their heads, they dared not look directly at Levi Garrison.

He was a little pissed.

But when Levi Garrison looked at his direction, he was a little flustered.

Would you like to meet Levi Garrison?

But Levi Garrison's eyes just skipped him!

but to other groups of people.

Suddenly, Levi Garrison's eyes fell in the direction of a crowd.

"Are you from the West Pavilion here?"

Levi Garrison asked aloud.

"Boom..."

Gong Qianqiu's head, who bowed his head in the crowd, was about to explode.

Did you notice yourself?

Although she lowered her head, she might feel that Levi Garrison was looking at her position.

How did he notice it?

not good!

Something is going to happen!

He locked the West Pavilion, and there is a high probability that he will be able to find himself.

"Yes, this is from the West Pavilion!"
