died!

She has no chance!

Now Dugu Tuo and others scolded him, but they couldn't stop him in the slightest.

Is she going to die?

She actually envisioned herself having many ways to die.

She had thought a lot about how to die in Levi Garrison's hands.

The most common one is that she and Levi Garrison will die until they die.

In the end, he couldn't beat Levi Garrison and died.

But no one thought she would die like this.

So frustrating! ! !

But she can't!

Can only wait to die!

"Stop! Stop!"

Dugu Tuo shouted hysterically.

discouraged.

But Levi Garrison didn't listen to them at all, and just wanted to kill a few people.

I'm not sure which one it is anyway, just kill them all.

"Boom!"

At the critical moment, Levi Garrison noticed that someone had disappeared...

Dugu Tuo and the others also found out.

There was a person hiding in the crowd, but suddenly disappeared.

Levi Garrison immediately chased after him, and let go of Gong Qianqiu and the others.

The person who suddenly escaped and disappeared was the Bone Master.

Gong Qianqiu came to the Demon Suppression Tower, and he actually followed.

Just give her a look at the wind or solve some unnecessary troubles.

He never expected that Gong Qianqiu would be targeted by Levi Garrison.

And can't get out at all.

Until he was about to die, Gong Qianqiu did not choose to resist.

He understood Gong Qianqiu's thoughts.

But Levi Garrison was about to kill him.

Of course he couldn't stand idly by.

Gong Qianqiu is going to die, and his revenge plan is completely abolished.

Just when Levi Garrison was about to kill Gong Qianqiu.

He ran away immediately.

This also caught Levi Garrison's attention.

Levi Garrison immediately caught up.

Bone Master is also a powerful existence.

He is familiar with everything within the scope of the Town Demon Division.

So he ran away quickly.

Levi Garrison did not catch up.

"It's just a moment away!"

Just now, Levi Garrison's attention was all on Gong Qianqiu and others.

Master Bone escaped, and Levi Garrison was finally one position behind.

In addition, he is not familiar with the terrain of the Town Demon Division.

So the bone master escaped anyway.

After you can't catch up.

Levi Garrison returned.

After coming to the Town Demon Division, although Gong Qianqiu and the others escaped this disaster, at least they saved their lives.

But it was also on the verge of dying, brushing shoulders with the god of death.

"I know it was your accomplice who just escaped, and you are still among them!
But I will find you!"

Levi Garrison shouted to the crowd.

Gong Qianqiu trembled in his heart.

Levi Garrison is indeed too terrifying.

It brought her extreme coercion and almost killed her!

I still know I'm in it now!

If Master Bone hadn't escaped in that kung fu just now, she would have been washed.

Now, he must grow up as soon as possible before he can fight against Levi Garrison.

Otherwise, you will be led by the nose all the time.

There is always danger.

Levi Garrison glanced around again.

I feel that everyone is suspect, and everyone is not.

As for Gong Qianqiu, the group of people has been cleared of suspicion for the time being.

After all, it didn't show any signs in the end.

To say that the moment the bone master escaped, it might be a cover for this group of people.

But it's also the best time to escape.

After all, if you stay there, you will be exposed sooner or later.

"Don't worry, I'll be back!"

After the warning, Levi Garrison was about to leave.

But at this time.

The voice of the high-ranking Shentian Superintendent sounded –

"Isn't Levi Garrison suitable? He almost killed dozens of our people, and left after saying that?"

"You are indeed powerful, but I am not a soft persimmon!"

...

"Swish..."

A powerful breath instantly locked Levi Garrison.

Even the likes of Dugu Tuo raised their eyebrows slightly, and their eyes kept falling on Levi Garrison.

The tense atmosphere was on the verge of breaking out.

All that Levi Garrison did today was to trample the dignity of the Zhen Mosi under his feet.

People who want to kill them in their presence.

This is the shame of Mr. Zhen Mosi.

Luckily it didn't kill.

Otherwise, it would be a shame for the gods and the heavens to supervise the heavens.

Now some people are extremely angry with Levi Garrison!

Scholars can be killed but not humiliated!

What's more, Levi Garrison is just a monkey in the outside world.

The other major factions of the Demon Suppression Division are already used to it.

How many have suffered from Levi Garrison's hands.

But the Superintendent of God does not have it.

Except for the eight great arrogances of Shentianjian.

Everyone else is facing Levi Garrison for the first time.

Naturally they couldn't take it.

If they hadn't received Dugu Tuo's order, they would have already started.

Now they can't stand it.

Levi Garrison was happy.

"Okay! Come on! Let's do it! I just killed you all, so I'll find someone!"

Levi Garrison is not a murderer.

If so.

He can directly wipe out the entire town demon, and kill them all without distinction!

No need to find anyone.

It's absolutely right to kill them all anyway.

He didn't want to kill.

But if someone wants to persecute him, that's not necessarily the case.

"this....."

In this way, Levi Garrison directly frightened everyone.

They just watched, but no one dared to do it.

Dugu Tuo sneered and said, "I'll give you a face today, as long as you apologize, the matter will be over!"

Dugu Tuo still chose to endure for the time being, and it is not appropriate to start a war with Levi Garrison!

They are not ready after all.

They all felt the coercion released by Levi Garrison just now.

This man is so powerful!

Even if they could kill Levi Garrison, they would have to pay the price of annihilation.

So they don't want to fight.

It is impossible to kill Levi Garrison, but let the entire Zhenmo Division be gone.

This is what they don't want to see.

After all, Levi Garrison was too strong.

They are afraid!

"Apologize? Impossible! Let's just start fighting!"

"If you have the ability, you hit me and apologize!"

Levi Garrison laughed when he heard that he wanted to apologize.

He said arrogantly.

This made Shen Tianjian furious.

One of the elders pointed at Levi Garrison and roared, "Levi Garrison don't be ashamed! If you want to apologize, apologize!"

"Our patience is limited!"

"Boom!"

Levi Garrison suddenly burst into a majestic wave breath.

"Kacha!"

The right arm of the elder of Shentianjian exploded into a blood mist!

"Do you want to try another one?"

Levi Garrison roared.

"You... bang..."

The other elders were about to speak out, but it turned out that they exploded into a cloud of blood.

"Who else?"

Levi Garrison injured one person and killed one person.

Completely stunned Zhen Mosi and everyone in Shentianjian.

Everyone looked at Levi Garrison dumbly.

Stop talking.

There wasn't even a sound of breathing.

Scared!

What if Levi Garrison kills him in pain?

No one dares to provoke!

Dugu Tuo and the others were extremely angry, but this time they never dared to move.

The hand with Levi Garrison just made the masters of Shentianjian feel unprecedented pressure.

Levi Garrison is too strong.

Definitely not something they can handle.

Or to pay a huge price.

“Is there anyone else asking me to apologize?”

“I can apologize, but you have to listen!”

“Want to kill me, right? Come on! Don’t be a coward!”

Levi Garrison exuded a powerful aura, and directly Xiang Shentian supervisors pressed the past.

As if to say – come on! Let’s fight!

Bring out all your abilities.

“Boom...”

Levi Garrison exuded a majestic breath, which exploded like thunder.

This is seriously provoking the entire Shentianjian!

“Come on, fight! Don’t be a coward!”

Levi Garrison continued to speak irritatingly.
