

# The Return of the God of War [The Protector] Chapter 3648 - 3650

"This..."

Really embarrassed Dugu Tuo and the others.

call?

Basically have to pay the price of annihilation!

And it is possible that the entire army will be wiped out, and Levi Garrison has not been killed yet!

If you fight, you will relieve your anger and wash away the shame.

But the price is too great.

Dugu Tuo has a high probability of watching Zhen Mo Si De be destroyed from his own hands.

But if they don't fight, then Shen Tianjian and Zhen Mosi will be nailed to the pillar of shame!

This will be the most embarrassing and humiliating thing for them!

none of them!

The entire town magic division was stunned by an outside monkey.

They couldn't explain it to the seniors of the Town Demon Division.

There is no way to explain to Zhenmo Si Tiansi.

It is even said that the honor and disgrace of Zhen Mosi will be ruined on them!

what to do?

To fight or not to fight!

Levi Garrison rode on their heads!

“Don’t be a coward, come kill me and give you a chance!”

Levi Garrison continued to provoke.

It’s just that everyone looked at Dugu Tuo in unison.

Waiting for an order from him!

As long as he gave an order, all the masters of Zhenmo Division would attack Levi Garrison in unison.

End to death!

Of course, there are some people who want to stop fighting.

They are full of jealousy towards Levi Garrison.

Not at all!

They are too scared for Shang Levi Garrison!

It’s better not to fight this battle.

Maybe 90% of the people who say they don’t want to fight.

Only some militants want to fight.

Therefore, almost everyone stared at Dugu Tuo.

See what he means!

Seeing that no one was moving, Levi Garrison sneered, “If you don’t fight, then I’ll leave!”

He left step by step.

There are so many people in Zhen Mosi that no one dares to stop them.

Can only watch.

Everyone is waiting for Dugu Tuo's order.

It's just that Dugu Tuo has not issued an order for a long time.

Gradually, Levi Garrison went farther and farther, and almost disappeared in front of everyone's eyes.

Dugu Tuo still did not issue an order!

Desperate!

Everyone is desperate this time.

The battle still hasn't started.

Zhen Mosi was nailed to the pillar of shame!

This is inevitable!

Finally, everyone watched Levi Garrison leave.

The person who brought them shame swaggered away.

"Tokgu Tiansi, give your order!"

"Let's kill us!!!"

"We're not afraid of death! Just keep the dignity of the Suppressing Demon Division!"

...

The belligerent pleaded frantically.

They are ready to attack.

Even a lot of hypocritical guys have started to fight.

Obviously they were afraid to die.

When Levi Garrison was here, their legs and feet trembled.

Now he is gone.

How dare you be so arrogant!

“No! I’m not sure! I can’t fight a battle I’m not sure about!”

Dugu Tuo said.

As soon as these words came out, the field immediately quieted down.

yes!

Now, no one is sure about ShangLevi Garrison.

Not even a little bit!

This is also the key to everyone’s fear!

But he stopped fighting because he was afraid.

I lost all the faces of my ancestors!

This is the biggest shame!

Zhen Mosi can’t mix in the future!

Scared to fight by a monkey!

They are so high up!

Being trampled on by a monkey like this...

“All the responsibility today lies with me! I dare not! I am afraid of Levi Garrison! I am afraid that the Suppressing Demon will not be guaranteed, and if I am afraid of starting a war, all of you All will die...”

Dugu Tuo took all the responsibility on himself.

But this made everyone believe him even more!

This is actually a natural leader.

Obviously it was a loss, it was a shame.

But it was used by Dugu Tuo to win over people’s hearts.

At this moment, everyone looked at Dugu Tuo excitedly.

It's just that Dugu Tuo showed a strange smile without a trace.

He did it on purpose...

In fact, he was taking advantage of this situation from scratch.

Fighting with Levi Garrison is secondary.

His main purpose is to win over people!

Although Tian Si is not here now, he can take charge of the head of the Demon Suppression Division!

But in fact he is a substitute.

Many people still don't recognize him as the boss of the Town Demon Division!

More dissatisfaction!

But in the face of big things, he can't control it!

No one will really listen to him.

Right now, it's just that the Zhenmo Division is in danger, and everyone pushes him out to solve the problem.

I don't think he is the boss of the Town Demon Division!

The backbone that everyone believes in is Tiansi!

He's just a deputy Tiansi!

Can replace a while, can handle some things!

But it can't make everyone feel at ease, let alone everyone's belief!

The concept is completely different!

And the Dugu Tuo faction has always wanted to take over the Town Demon Division!

The battle between Levi Garrison and Gong Qianqiu made him take over the Zhenmo Division in advance.

Now all he wants to do is to convince everyone of him!

It just so happened that Levi Garrison came.

He immediately used this opportunity to gain everyone's trust!

Complete control of the Town Demon Division!

Even if Tiansi comes back in the future, it will be useless!

Dugu Tuo bowed regretfully to everyone, "It's all my fault! I've shamed the Zhen Mosi! I've shamed the Zhen Mosi!"

...

He alone took all the blame on himself.

Take responsibility!

This is the leader everyone wants!

Now most people are convinced of Dugu Tuo!

This is the backbone of the Town Demon Division!

With him and the Heavenly Superintendent around, everyone is extremely at ease!

The backbone is not to order everyone to do something, but to take responsibility at the most dangerous moment.

Immediately, someone immediately said, "It's not that we are afraid of Dugu Tiansi! It's to give Levi Garrison a chance to live first!"

"We have been in control of the Demon Suppression Division for so long, if we kill him now, wouldn't it be very boring! Others also said, "

Yeah! It seems that we are cowardly and dare not fight him! In fact, we are letting him live!"

"Hahaha... Yes! We let Levi Garrison live!"

"Kill him directly!" He has no meaning at all!"

"Let him live longer!"

Everyone

said arrogantly.

Before, there was no sign of being afraid.

Even in this way to comfort and convince yourself.

It's not that they are afraid of Levi Garrison.

But they let Levi Garrison go.

"When we choose the time, we will kill Levi Garrison again!"

Everyone in the Zhen Mosi began to shout again one by one.

I didn't take Levi Garrison as a thing.

Dugu Tuo even said to the injured Gong Qianqiu, "Don't worry, I will avenge your revenge!" A smirk

flashed at the corner of Gong Qianqiu's mouth.

She must repay this hatred!

If it wasn't for Master Bone today, he would really be beheaded by Levi Garrison.

She needs a crazy boost!

It's not entirely without gain today.

She felt that she had already touched the limit of Levi Garrison's specific strength.

It is to know his strength.

Gong Qianqiu was temporarily carried back to the West Pavilion to cultivate...

Levi Garrison brought heavy damage to everyone this time.

But in fact, for Gong Qianqiu, this is a small injury.

She can recover immediately...

but she will be acting for the time being...do

n't let her companions find out.

the other side.

After Levi Garrison went back, Xiao Feng asked anxiously, "Where have you been, Master?"

"It's okay, I just went out for a walk!"

Levi Garrison smiled.

Sure enough, after not telling Xiao Feng his whereabouts, the other party didn't even know he was going.

I almost got myself caught.

Can this be done?

Deliberately tell Xiao Feng his whereabouts, and then let Xiao Feng spread false news.

Taking the opportunity to attract the other side?

This is definitely a good way.

But it is necessary to use Xiao Feng...

This makes Levi Garrison somewhat hesitant...
