

# The Return of the God of War [The Protector] Chapter 3658 – 3659

Take away all that cannot be swallowed.

This is basically all the storage of the Town Demon Division.

But the magic medicine here is the highest level.

This time Gong Qianqiu deliberately controlled it, and there will be no more visions when the strength is improved.

There won't even be any movement.

Of course, this is also inseparable from the help of the bone master.

Advertisement

Yufeng Tiansi was kept in place and couldn't move, so he could only watch Gong Qianqiu raise another level.

The key point is that all the medicinal pills he carefully refined were swallowed up by Gong Qianqiu.

His blood.

Worse than killing him!

Advertisement

But he can't do it!

It's the same mentality as the top ten geniuses!

Because no one came close to the Heavenly Doctor at all.

The only two people who could get close were killed by Gong Qianqiu.

Therefore, no one knows what Gong Qianqiu is doing in the Tianyi prison.

She is not in a hurry, and slowly swallows the magic medicine!

Get stronger step by step!

This time, Yufeng Tiansi witnessed another level of growth of Gong Qianqiu!

“call!”

Advertisement

Gong Qianqiu felt that he was also evolving.

Previously, the core of energy could only swallow three-quarters of it.

But now she felt she could swallow more.

I guess it's because of his strength.

The body and the root bone are also getting stronger.

Now able to devour more.

Almost all the magical medicines in the Tianyi Supervision were swallowed up.

But also to the limit.

Still a lot left.

But she wants to take it all.

“And I'll take you too!”

Gong Qianqiu also took Yufeng Tiansi away.

In fact, it is useless to devour or not to devour Yufengtiansi.

Mainly she wanted to bring people to the Bone Master.

Back then, Master Bone was personally expelled from the Heavenly Medical Supervisor by Yufeng Tiansi!

It's revenge for the bone master!

"Hahaha....."

I'm so strong?

After Gong Qianqiu came out, she felt the ultimate strength in her body, and she had to laugh out loud.

This is too scary!

"Hahaha... Levi Garrison, I'm not far from you now! I feel like I can fight with you!"

confidence!

At this time, Gong Qianqiu was extremely confident!

This is the foundation of strength!

She can fight Levi Garrison!

Finally waited for this moment.

Yufeng Tiansi looked at her and was a little scared.

He only felt it in the disappearing Tiansi...

But I don't know where Tian Si went!

If this goes on, who can stop Gong Qianqiu, I am afraid that the entire Zhenmo Division will be in danger.

Even Zhen Mo Si will be destroyed by this woman!

too terrifying!

He couldn't imagine the consequences!

Gong Qianqiu, who was about to leave, suddenly thought of something, and couldn't help saying: "Huh? I'll go to Shentianjian to see?"

When she first came, Gong Qianqiu felt a lot of powerful breath, much more than she expected.

Now that her strength has improved, she is more sensitive.

The power is surging, and she can perceive the source of energy more.

Now, she is even more sure that there are many more powerful experts in the Shentianjian innocent.

It's not normal.

There are many masters of Shentianjian, but now there are dozens of times, or even nearly a hundred times.

There is clearly a big problem.

It shows that there are other masters in Shentianjian.

Shen Tianjian concealed the Zhenmo Division.

Maybe Dugu Tuo has some conspiracy?

Gong Qianqiu could see that Dugu Tuo had a conspiracy, and he wanted to take over the Zhen Mo Si and become the real Tian Si.

Tiansi left, and now it seems that there is a big problem with the Shentianjian.

She wanted to see what secrets Shen Tianjian was hiding?

That is to say, she is strong enough now, otherwise she will also perceive this subtle breath.

Now she is stronger than before!

Before, she felt that she was a god, above all living beings!

She can control everyone's life.

But now it's different.

She felt like she was almost at one with the world.

She is heaven and she is earth!

She can feel everything between heaven and earth.

Even small things.

That's why it's too strong.

So she can clearly feel it.

Soon she came to the place of the masters of the Shentianjian, where the breath and energy fluctuated.

She wants to see who is it?

The place where this group of people is located is also the most secret place of the Shentianjian, and it is obviously inconvenient to show their faces.

It's also a place no one else can find.

This further confirms Gong Qianqiu's idea.

Soon, she came to this place according to the energy fluctuations.

She also brought Yufeng Tiansi with her.

When Yufeng Tiansi came to this place, he was also surprised.

He also never imagined that there is such a place in Shentianjian?

The key is that there are so many masters hidden here?

Where did it come from?

Obviously, even Yufeng Tiansi didn't know.

Although he refines medicine, he must be in control of the affairs of the Shentianjian.

If he doesn't know, then something is wrong.

Gong Qianqiu saw Yufeng Tiansi's expression clearly.

This probably understands what's going on.

It is estimated that Dugu Tuo raised a lot of strong people without authorization!

No one else in Shentianjian knows at all...

Not even Yufeng Tiansi knew about it.

This problem is bigger.

Gong Qianqiu smiled: "You have to know that the current Zhenmo Division is not what you imagined! If you don't concentrate on refining medicine, if you stand up earlier, it's fine! It's like this when it is handed over to Dugu Tuo!"

Yufeng Tiansi is helpless.

Everything is too late.

“Since you are also curious, then I will show you!”

Gong Qianqiu took Yufeng Tiansi deep into this place.

It's a forbidden place for the gods.

Yufeng Tiansi doesn't know, let alone others.

Soon they came to the master gathering area.

“What? It's them?”

Gong Qianqiu looked surprised.

## The Return of the God of War [The Protector] Chapter 3660 - 3661

When Yufeng Tiansi saw this group of people, he was stunned, his eyes were about to fly out.

This is definitely the most shocking thing he has ever encountered in his life!

how come?

How could it be them?

Even if he killed him, he would never have imagined that it was this group of people who were here...

Gong Qianqiu never thought that it was them...

Advertisement

Incredible!

She calculated everything, and she never thought it would be them!

At this moment, she finally understood the saying that the most dangerous place is the safest place.

exactly!

Advertisement

Yufeng Tiansi opened his mouth wide enough to swallow an egg.

It's even more shocking than seeing Gong Qianqiu's power just now!

There is such a thing in the Shentianjian?

There is such a person?

Gong Qianqiu smiled: "Don't say it's you, even I was shocked! Never thought that Dugu Tuo would do such a thing! I said how did they disappear?"

Gong Qianqiu can only think that there is another existence in the town magic department that can rival her.

In terms of resourcefulness, it is comparable to her!

It seems that everyone has ghosts!

It's not easy!

Advertisement

Although Yufeng Tiansi couldn't speak, it could be seen that he was extremely shocked.

Gong Qianqiu looked at the people below and laughed softly: "I've been looking for you for so long, so why did you disappear? It's here!

It's really hard to find a place to break through the iron shoes, and it takes no effort to get it! I have found you! "

Gong Qianqiu is a little excited, God is really helping her!

What is she thinking about?

Although the process was difficult, the results were all good and smooth.

She got what she wanted!

These people are none other than others!

It was the Xuanming alien race that Gong Qianqiu and Levi Garrison were looking for!

This is something that no one would have thought, the Xuanming aliens are actually in the Shentian prison!

The biggest opponent of this town magic division, the two sides have been fighting for a long time, and they regard each other as dead enemies.

But now the Xuanming aliens are actually in the Shentian prison.

In the head organization of the Town Demon Division!

This is what everyone in the town magic division has thought of.

It's also what Gong Qianqiu and Yufeng Tiansi didn't think of!

Their main brain organization actually colluded with the Xuanming alien race?

It can even be said that now the Shentianjian is controlled by the Xuanming alien race!

Dugu Tuo just took over the Zhenmo Division, which means that the entire Zhenmo Division is under the control of the Xuanming Alien Race.

Understood!

Everything is clear!

Why did the Xuanming aliens never appear even though they existed?

According to the past, the Xuanming aliens must have often fought with the Zhen Mosi.

The Xuanming alien race is a belligerent alien race, and it used to be a dark battle with Zhen Mosi.

The two sides are either fighting or on the way to fight!

As a result, there is no battle at all now!

Secondly, Xuanming aliens are violent and bloodthirsty!

To move is to genocide!

Therefore, after the Zhenmo Division was divided into major factions, he was afraid of the Xuanming alien race to death.

After all, they are not united now, and the Xuanming aliens can be defeated one by one.

If the Xuanming aliens are provoked, they will definitely be exterminated.

So even the Wufang Pavilion has such worries!

Everyone dared not mention the Xuanming Alien, for fear of being exterminated.

It's like Xu Qingya and the others knew that they were Xuanming aliens, but they didn't dare to say it.

Just scared!

However, everyone is worried, but the Xuanming alien has never appeared at all.

There is no so-called person who has killed the Demon Suppression Division.

Not even a genocide.

Everyone is afraid.

But since this time, the Xuanming aliens have been quiet and terrifying.

Not even his face was exposed.

If Levi Garrison hadn't broken the deadlock, Xuanming aliens would not have appeared.

Gong Qianqiu had never thought about it before.

Now that I think about it, my back gets chills.

It is not that the Xuanming alien race has never appeared, but has been in the Shentianjian all the time, always under the nose.

It's not like they haven't dealt with the town magician, or they've been dealing with it all the time.

But the method used is not a direct hit.

Instead, go deep inside, slowly infiltrate, and control the entire Town Demon Division step by step!

Now Gong Qianqiu is sure that all this has something to do with Dugu Tuo.

I don't know if Dugu Tuo is in charge, or is he just a puppet?

This is why he wants to control the Demon Suppression Division and become a leader.

Gong Qianqiu guessed.

There is a high probability that he is a Xuanming alien!

I'm afraid this is something that everyone in the town magic department will not think of.

Now the leader of Zhenmo Division turned out to be a Xuanming alien.

They directly penetrated into the Shentianjian.

Complete control of the Town Demon Division!

This method is absolutely perfect!

No one thought it would be like this!

It seems that the Suppressing Magic Division is unified, but in fact the Suppressing Magic Division is abolished.

It was already controlled by the Xuanming alien race.

Gong Qianqiu smiled and shook his head.

Who would have thought that the main brain mechanism of Zhen Mosi turned out to be his own worst enemy!

Yufeng Tiansi is really unbelievable!

Who would have imagined that the interior of the Town Demon Division had already decayed like this.

It was actually controlled by the Xuanming alien race.

He was obsessed with refining medicine, and as a result...

When Tian Si left that year, he also specially told him to look at Zhen Mo Si and not be too obsessed with refining medicine.

Now it's all made by him!

this.....

This is also a disaster!

The Gong Qianqiu in front of him is also a catastrophe for the Town Demon Division!

The Town Demon Division is over!

This is his deep feeling!

If he is not caught by Gong Qianqiu, he will definitely be angry when he sees this scene, and even go down to fight the Xuanming aliens on the spot.

Just forget it now!

Powerless.

So be it?

This situation!

I'm afraid that even if Tiansi comes back, he may not be able to change!

Not to mention not anymore.

He has no choice.

They are all prisoners!

Gong Qianqiu did not leave directly, but observed among the Xuanming Alien people.
