

The Return of the God of War [The Protector] Chapter 3671 - 3672 - 3673

"Boom..."

Xiao Feng was about to explode.

The whole person will be torn apart.

what happened?

its not right!

Shouldn't Gong Qianqiu apologize to himself?

Shouldn't it be okay to say nothing?

Why are you still scolding yourself?

Also disconnected!

Next, no matter how Xiao Feng contacts, Gong Qianqiu has no response!

It's like I'm really disappointed in Xiao Feng!

Don't contact him at all!

Xiao Feng is going crazy!

How could this be?

Shouldn't it be sweet?

It turned out like this?

Gong Qianqiu must be very angry, right?

She is a very principled person!

I guess I have touched her bottom line!

She was so angry!

I thought I missed her, so I contacted her like this!

But Gong Qianqiu is too principled, and he said before that he will not be contacted for non-urgent events.

That's why I'm so angry!

This Xiao Feng is actually understandable!

But he always felt something was wrong!

No matter how angry you are, you won't be so angry, right?

This is too serious!

It seems that Gong Qianqiu is determined not to contact him anymore!

He actually felt abandoned!

I do not know how it is?

Lost!

Very lost!

He was heartbroken.

It's as if I can no longer contact Gong Qianqiu from now on!

The whole person collapsed.

There is no light in the eyes!

So down and down!

On the other side, Gong Qianqiu was completely angry.

Never thought that Xiao Feng would contact her like this, she was extremely stupid!

“You are just a chess piece controlled by my Gong Qianqiu! What? You still want to get me? Do you deserve it? It’s ridiculous!”

...

Gong Qianqiu is really angry to the extreme!

She never thought of Xiao Feng contacting her like this.

She broke out in a cold sweat.

Simply sick!

Master Bone knows that Gong Qianqiu controls such a dog-licking pawn!

“Why don’t you still stabilize him? This chess piece is still by Levi Garrison’s side, so it’s still useful!”

Bone Master suggested.

Gong Qianqiu shook his head: “No need! His current value is almost 0, and it is very easy to expose me! That’s it!”

“Even if he exposes me now, it doesn’t matter, I will abandon this pawn! I know everything I should know!”

His final role can only be to sow discord, cause Levi Garrison’s internal chaos, or stab Levi Garrison at a critical moment! “

Master Bone smiled: “That’s true!”

Gong Qianqiu intends to completely give up the chess piece of Xiao Feng.

It has to be said that Xiao Feng’s hunch is still accurate.

I always feel that I want to lose Gong Qianqiu, and there is a feeling of being abandoned.

Uncomfortable!

Very uncomfortable!

I felt a deep breath in my chest, but I couldn't release it.

At this time, Phoenix appeared.

Xiao Feng didn't even notice.

He was completely ruined.

"You lied to us?"

Phoenix said bluntly.

"You... when did you come?"

Xiao Feng panicked.

Originally, he was super strong now, and he didn't know how much stronger he was than Phoenix.

But he was all focused on Gong Qianqiu's matter.

Didn't notice it at all.

Now that Phoenix is here, I don't even know.

"I just came too! But I know you lied to us..."

Phoenix stared directly at him: "You didn't cut off your relationship with that woman in Zhen Mosi at all! You've been chasing her!"

"this....."

An embarrassed look flashed across Xiao Feng's face.

It seems that Phoenix should have mastered something, otherwise he would not be so sure.

If he denies it, he won't.

Phoenix will also tell the master.

That's trouble.

"Are you hiding something? Deceiving us and deceiving Master?"

Phoenix was keenly aware of something.

Xiao Feng immediately said: "That's not there! Absolutely not! No matter what Xiao Feng is, I won't do such a stupid thing!"

Xiao Feng felt that he still had a degree.

At least Gong Qianqiu is not such a person!

He's sure!

About the times of the accident, it can be explained clearly!

Gong Qianqiu was not at all suspicious.

It was her master Gong Wenqian and senior brother Chu Wu!

After all, Gong Wenqian was killed by him.

Nothing is more convincing than this!

"Vermilion Bird is telling the truth! I lied to you..."

Xiao Feng admitted it generously.

"Huh? What's going on?"

On the contrary, Phoenix was stunned.

She thought that Xiao Feng would die without admitting it.

"I've been chasing Gong Qianqiu from the Zhen Mosi! But...I can't catch up! She has always looked down on me...I also said that I was Levi Garrison's apprentice, but she said it had nothing to do with me..."

Xiao Feng temporarily made up a reason.

This made Zhu Que stunned.

A bit of a letter.

After all, when she was in the Tenjin Division, she knew that Xiao Feng was madly pursuing Gong Qianqiu.

It's just that Gong Qianqiu didn't care at all.

Xiao Feng was laughed at by many other people.

"I haven't been able to catch up until now! I'm afraid to say it directly, you will laugh at me, I'm too embarrassed. So I lied! I didn't expect to cause such a misunderstanding..."

Xiao Feng sighed deeply.

For the time being, Phoenix was stabilized.

After all, what Xiao Feng said was justified.

Even if there is doubt, nothing can be said for a while.

"Really? That woman doesn't catch you at all? Doesn't accept you?"

Phoenix asked suspiciously.

"Yeah, don't contact me anymore, let alone see me! Hey..."

Xiao Feng's current state is as if he can't get what he wants.

This Phoenix reassured him even more.

"So, this Gong Qianqiu is probably not a spy..."

If she is a spy, you don't need to contact her, she will take the initiative to contact you, after all, you are the big apprentice of the boss and have first-hand information..."

Phoenix analyzed and ruled out Gong Qianqiu's suspicion.

Don't take the initiative to deliver it to your door.

That's definitely fine.

"Isn't it? I hoped that she would favor me because of her status as a master, but it was of no use at all!"

Xiao Feng sighed with anticipation on his face.

In this way, Phoenix no longer doubts.

Xiao Feng temporarily cleared his suspicions.

It's all delivered to your door.

This woman is definitely not!

"But Xiao Feng, I advise you, don't be too affectionate, or you will be hurt in the end. If you can't do it, then change the target? Maybe she has never seen you in the eye..."

"Of course you have to remember, don't let people take advantage of it. Maybe this is a trick of people's greed in this special period!"

"You have to keep your eyes open. I'm not telling you, you are very smart. But emotional matters are not easy to grasp!"

Phoenix's unconscious persuasion hurt Xiao Feng's heart.

Isn't Gong Qianqiu doing this to himself now?

correct!

Suddenly Xiao Feng trembled!

Is Gong Qianqiu really using himself?

Now I know that I am useless, I have been suspected by Master, and I can no longer get information and whereabouts.

So kick it away?

It wasn't like this before!

How good it was before!

But now I don't care about myself at all.

yes.

Contact now is dangerous!

But not so!

Now he feels kind of abandoned.

Assuming that Gong Qianqiu is the person Master is looking for...

She approached herself just to know Master's information and whereabouts.

What happened during this time can be worthy of!

Now my chess piece is useless.

She kicked it away and didn't get in touch at all.

What's dangerous now, it's all excuses.

I just don't want to use my chess piece anymore.

Now Xiao Feng's mind is very clear.

Sort things out before and after.

If Gong Qianqiu is really behind the scenes, he can really match up.

It's totally reasonable to change your attitude and insult yourself!

no!

Is it...
